Sweetwater Canyon Boxset Books 1-3 Maggie Lynch, 2017-12-12 The Sweetwater Canyon romantic women's fiction boxset contains the first three books in the series *Undertones* *Healing Notes* and *Heart Strings*. Join the all women Americana band as they travel on the road, enhance their careers, and try to find balance between their music, their home, and their hearts' desire.

*Undertones* Michele's Story: She's chosen music over men. He prefers casual to committed. Will their shared passion strike a life-changing chord? Music is the love of Michele Scott's life. As the lead singer and bassist of an all-female band touring means lots of sisterhood and no time for men. But when she meets David at a concert, her heart begins to change its tune. David Blackstone thinks romantic obligations are for fools. As a fiercely independent self-made millionaire, he's content with casual flings. But when he offers his spare concert ticket to a pretty stranger, he finds himself wondering if his solo life might be better sung as a duet. As their strong feelings crescendo, David's pushy style and Michele's struggle to move past her ex's abuse put their happy ending in jeopardy. Can two willful souls overcome their stubbornness to write their love song, or will their rising passion end on a sour note?

*Healing Notes* Rachel's Story: She plays the fiddle to soothe her pain. He writes poetry to confront his past. Will two wounded hearts turn their laments into love? Rachel Cullen's music is her therapy. Playing the fiddle with her all-female Americana band is her only escape from the specters of the past. When her newest student's father attends a lesson, Rachel's heavy heart skips a beat, but she fears she might be too broken to start again. Divorcee Noel Karshaw wants only the best role models around his precocious five-year-old girl. Careful not to repeat his past mistakes, he avoids all women with emotional baggage. And while his daughter's new music teacher is indeed lovely, the wounded woman doesn't meet his exacting standards. So why can't he stop thinking about her? As their attraction becomes impossible to ignore, they're the only ones who can decide how their love song ends. Will Rachel and Noel overcome their tragic pasts together, or will their bittersweet ballad fall flat?

*Heart Strings* Sarah's Story: Her guitar helped her leave. His grim news calls her home. Will she abandon the safety of her sisterhood to heal old wounds? Sarah Cosgrave escaped her alcoholic father's depression by losing herself in her music, and her faith. Playing guitar with Sweetwater Canyon gives her the loving family she never had. But when her ex-boyfriend shows up with unwelcome news, can her conviction sustain her on her long journey home? As the musician watches Tom care for her ailing father, she sees how much her ex has changed since he broke her heart. Pushing past her feelings of betrayal, Sarah rediscovers her hope for the future. But when an irrational woman from Tom's past tests their faith, Sarah's new mournful melody could end in silence. Buy this Sweetwater Canyon boxset at a huge discount to the individual books and take these journeys of love and faith today.
