Dragons in My Classroom Barbara Kennard, 2022-06-14 As a young book lover with dyslexia Barbara found the solution to her reading struggles in Miss Gluding her first grade teacher who showed compassion for her student's plight and knew how to help her From that time on Barbara knew what she wanted to be a teacher just like Miss Gluding Unfortunately Barbara also had some bad teachers in the years that ensued including her sixth grade teacher an exacting woman who called attention to Barbara's learning disabilities in front of classmates Still wanting to follow in Miss Gluding's footsteps in 1964 Barbara vowed she would be a better one than her sixth grade teacher instead however she became very much like her with unattainable expectations for her students and herself After seventeen years in the teaching profession she realized she had to either change her teaching style or change careers By providence right as she stood at this crossroads she was offered the opportunity to teach overseas at The Dragon School in Oxford England for a year an opportunity she jumped at In the year that followed Barbara would rely on her faith in God to give up a lot of what she

knew about teaching and learn to do it differently ways that wouldn't have room for her perfectionism In short she would have to begin again
