Moon Before Morning W Merwin:

The Moon Before Morning William Stanley Merwin, 2014 In luscious and purposeful language W S Merwin's new poems examine our essential relationships with the natural world **Desire and Infinity in W. S. Merwin's Poetry** Feng

Dong, 2021-12-15 In the first monograph on W S Merwin to appear since his death in 2019 Feng Dong focuses on the dialectical movement of desire and infinity that ensouls the poet's entire oeuvre His analysis foregrounds what Merwin calls the other side of despair the opposite of humans articulated personal and social agonies Feng finds these presences in Merwin's evocations of what lingers on the edge of constantly updated socio-symbolic frameworks surreal encounters spiritual ecstasies and abyssal freedoms By examining Merwin's lifelong engagement with psychic fantasies anonymous holiness entities both natural and supernatural and ghostly ancestors Feng uncovers a precarious relation with the unarticulated unrealized side of existence Drawing on theories from Lacan i ek Levinas and Heidegger *Desire and Infinity* in W S Merwin's Poetry reads a metaphysical possibility into the poet's work at the intersection between contemporary poetics philosophy and psychoanalysis **Lacanian Psychoanalysis and Eastern Orthodox Christian Anthropology in**

Dialogue Carl Waitz, Theresa Tisdale, 2021-10-26 This book vigorously engages Lacan with a spiritual tradition that has yet to be thoroughly addressed within psychoanalytic literature the Eastern Orthodox Christian tradition The book offers a unique engagement with a faith system that highlights and extends analytic thinking For those in formation within the Orthodox tradition this book brings psychoanalytic insights to bear on matters of faith that may at times seem opaque or difficult to understand Ultimately the authors seek to elicit in the reader the reflective and contemplative posture of Orthodoxy as well as the listening ear of analysis while considering the human subject This work is relevant and important for those training in psychoanalysis and Orthodox theology or ministry as well as for those interested in the intersection between psychoanalysis and religion **Conversations with W. S. Merwin** Michael Wutz, Hal Crimmel, 2015-05-21

Conversations with W S Merwin is the first collection of interviews with former United States Poet Laureate W S Merwin b 1927 Spanning almost six decades of conversations the collection touches on such topics as Merwin's early influences Robert Graves and Ezra Pound his location within the twin poles of Walt Whitman and Henry David Thoreau and his extraordinary work as a translator as well as his decades long interest in environmental conservation Anticipating the current sustainability movement and the debates surrounding major and minor literatures Merwin was and still is a visionary He is among the most distinguished poets translators and thinkers in the United States A major link between the period of literary modernism and its contemporary extensions Merwin has been a force in American letters for many decades and his translations from the Spanish French Italian Japanese and other languages have earned him unanimous praise and admiration Merwin also wrote at the forefront of literature's environmental advocacy and early on articulated concerns about ecology and sustainability *Conversations with W S Merwin* offers insight into the various dimensions of Merwin's thought by treating his interviews as a

self standing category in his oeuvre More than casual narratives that interpret the occasional poem or relay an occasional experience they afford literary and cultural historians a view into the larger throughlines of Merwin s thinking **Reading**

Coming to Age Carolyn Hopley,Mary Ann Hoberman,2020-04-14 This exquisitely giftable anthology of poems about age and aging reveals the wisdom of trailblazing writers who found power and growth later in life At eighty two the novelist Penelope Lively wrote Our experience is one unknown to most of humanity over time We are the pioneers Coming to Age is a collection of dispatches from the great poet pioneers who have been fortunate enough to live into their later years Those later years can be many things a time of harvesting of gathering together the various strands of the past and weaving them into a rich fabric They can also be a new beginning an exploration of the unknown We speak of growing old And indeed as we too often forget aging is growing growing into a new stage of life one that can be a fulfillment of all that has come before To everything there is a season Poetry speaks to them all Just as we read newspapers for news of the world we read poetry for news of ourselves Poets particularly those who have lived and written into old age have much to tell us Bringing together a range of voices both present and past from Emily Dickinson and W H Auden to Louise Gluck and Li Young Lee Coming to Age reveals new truths offers spiritual sustenance and reminds us of what we already know but may have forgotten illuminating the profound beauty and significance of commonplace moments that become more precious and radiant as we grow older
