Prayers of Jewish Women Markus H. McDowell, 2006 Markus McDowell examines how the literature of the Second Temple period portrays women at prayer through an examination of the literary context and character of those prayers. The goal of this work is a greater understanding of how women were portrayed in literary sources and an offering of some fresh insights for the study of women's religious and social roles in the ancient world. The texts are analyzed and categorized within five areas: social location, content, form, occasion, and gender perspective. The prayers are also compared and contrasted with men's prayers in the same sources. The analysis includes locating as much as possible the historical, literary, and cultic context of each document in which these prayers appear. By examining all prayers in these texts uttered by women, not just prayers of named or prominent women, and then comparing them with all the prayers of men in those same texts, certain patterns appear. This study adds to our knowledge of women and religion in Second Temple Judaism by primarily exploring patterns that appear among the prayers in the literature of the Second Temple period. While there are fewer prayers by women than men in this literature, the prayers of women are not portrayed as significantly different from those of men in terms of social location, content, form, or occasion. At the same time, the prayers of women exhibit other patterns of language and in a minor way, form and occasion that differ from the prayers of men.

Prayer and Praying Men (Authentic Original Classic) Edward Bouds, 2011-07-28 Praying People will always change the World. In this wonderful classic book about prayer, author Edward M. Bouds clearly identifies those throughout the Bible who knew the importance of praying to God. From Joshua and Jacob and Samuel and Samson to Daniel and David and Peter and Paul, the significance that prayer made in the lives of biblical men is unquestionable. Prayer is the difference between victory and defeat, between communication with and isolation from God. Hezekiah had hardly finished his prayer and Isaiah was just about to go home when God gave him another message for Hezekiah; this time, one more pleasant and encouraging. The mighty force of prayer had affected God and had changed His edict and reversed Him in His purpose concerning Hezekiah. What is that which prayer cannot do? What is it which a praying man cannot accomplish through prayer? Learn how you can be victorious through praying such as those men in the Bible who overcame great odds to fulfill their destinies in God. [Living Faithfully as a Prayer Book People](#) John H. Westerhoff, 2005-01-01 Episcopalians consider themselves to be people whose individual and corporate lives are shaped by the Book of Common Prayer, but aside from worship on Sunday morning, few know what fills its nearly 1,000 pages. John Westerhoff, Episcopal priest and Christian educator, walks readers through the ways in which the contents of the Prayer Book can and should shape the lives of those who call themselves Episcopalians. An excellent resource for parish study or reading in advance of seminary training, Westerhoff explores a brief history of the Prayer Book and the ways in which it shapes us as pilgrims and prayerful people. How Episcopalians live into their baptism, live a Eucharistic and reconciling life, as well as a life of wholeness and health, are explored in detail. All of this, as Westerhoff writes, helps us lead a holy life and one
