## More Scenes From The Rural Life:

**More Scenes from the Rural Life** Verlyn Klinkenborg, 2013-07-02 Verlyn Klinkenborg's regular column The Rural Life is one of the most read and beloved in the New York Times. Since 1997 he has written eloquently on every aspect large and small of life on his upstate New York farm including his animals, the weather and landscape and the trials and rewards of physical labor as well as broader issues about agriculture and land use behind farming today. Klinkenborg's pieces are admired as much for their poetic writing as for their insight. Peonies are the sheepdog of flowers, dry snow tumbles off the angled end of the plow blade as if each crystal were completely independent, almost charged with static electricity and land is most valuable for its silence, its freedom from language. **Cottage Dialogues; Or, Characters and Scenes in Rural Life**
