Kamarathin: Kingdom of Tursh Jason Yarnell, 2009-02-01 Kamarathin Kingdom of Tursh is the first world book published for D3 Games flagship game world of Kamarathin. Kamarathin is a low dark fantasy game world dedicated towards the Hero System by HERO Games but easily adaptable to any game system. Game Design Workshop Tracy Fullerton, 2018-08-06 This book helps you to create the digital games you love to play using a non technical approach to game design without the need for programming or artistic experience. Award winning author Tracy Fullerton demystifies the creative process with clear and accessible guidance on the formal and dramatic systems of game design. Using examples of popular games, illustrations of design techniques and refined exercises to strengthen your understanding of how game systems function, the book gives you the skills and tools necessary to create a compelling and engaging game. This fully updated 4th edition includes expanded coverage of new platforms and genres of play including casual games and games for learning. It expands on agile development processes and includes a host of new perspectives from top industry game designers. Game Design Workshop puts you to work prototyping, playtesting and revising your own games with time tested methods and tools. These skills will provide the foundation for your career in any facet of the game industry including design, producing, programming and visual design.

Magic: The Basics Michael D. Bailey, 2017-07-28 Magic The Basics is a concise and engaging introduction to magic in world history and contemporary societies. Presenting magic as a global phenomenon which has manifested in all human cultures, this book takes a thematic approach which explores the historical, social and cultural aspects of magic. Key features include attempts to define magic either in universal or more particular terms and to contrast it with other broad and potentially fluid categories such as religion and science; an examination of different forms of magical practice and the purposes for which magic has been used; debates about magic's effectiveness, its reality and its morality; an exploration of magic's association with certain social factors such as gender, ethnicity and education among others. Offering a global perspective of magic from antiquity through to the modern era and including a glossary of key terms, suggestions for further reading and case studies throughout, Magic The Basics is essential reading for anyone seeking to learn more about the academic study of magic.
