Sometimes what we have is not enough She doesn't know his name and he doesn't know hers but they just might be perfect for each other Alexander Velazquez an ambitious lawyer from a working class neighborhood and Evelyn Sinclair a daughter of privilege trying to make it on her own are strangers living parallel yet very different lives Alex finds himself deeply entrenched in the life of an unredeemable client and Evelyn realizes she's committed herself to a company with questionable ethics They are both brokenhearted workaholics constantly trying to keep up with the demands of family and friends What they both want is to find meaning in their lives what they're doing is looking in the wrong directions As they watch each other through their office windows all they can do is wonder about what might happen if they took a chance on the stranger across the street

Methods of Testing Small Fire Extinguishers Harry Shoub,T. G. Lee,J. M. Cameron,1957 A study has been made of methods of testing small hand portable fire extinguishers considered suitable for application to flammable liquids The study was performed by evaluating the effectiveness of the extinguishers in which 5 different extinguishing agents were used on 10 types of fires selected either because they had been used in standard extinguisher tests or simulated other possible conditions of hazard An analysis was made of the relative merit of the fires for extinguisher testing the effect of ambient variables on the tests and the value of the several extinguisher types for use on the fires Statutes of California and Digests of Measures California,2000 *Building Materials and Structures Report* ,1956 Coordination in Federal Statistics Gathering Program United States.
