Mormonism The Story Of A New Religious Tradition

John G. Turner

Mormonism The Story Of A New Religious Tradition:

Mormonism Jan Shipps, 1985 Mormonism is one of the fastest growing most misunderstood and most debated religions of recent times Even the simple act of defining WHAT Mormonism is or should be has been filled with controversy The author reconstructs the signal events of early Mormonism as perceived from INSIDE the faith Sojourner in the Promised Land Jan Shipps, 2024-04-22 Infused with Jan Shipps s lively curiosity scholarly rigor and contagious fascination with a significant subculture *Sojourner in the Promised Land* presents a distinctive parallel history in which Shipps surrounds her professional writings about the Latter day Saints with an ongoing personal description of her encounters with them By combining a portrait of the dynamic evolution of contemporary Mormonism with absorbing intellectual autobiography Shipps illuminates the Mormons and at the same time shares with the reader what it has been like to be on the outside of a culture that remains both familiar and strange

Perspectives on New Religious Movements John A. Saliba, 2016-10-06 This book provides a dispassionate analysis of new religious movements charting their growth and examining them from a variety of perspectives sociological psychological legal and theological Saliba then questions whether or not membership harms those who join these new movements and assesses the charge that they brainwash their adherents

The Millenarian World of Early Mormonism Grant Underwood, 1999-01-15 Shows how early LDS interpretation of the Bible and the Book of Mormon affected and was affected by Mormon millennial doctrines *The Anatomy of Book of Mormon Theology, Volume One* Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 *The Anatomy of Book of Mormon Theology* divides into two volumes exploring and thinking about these pertinent questions Each concerns a different part of the defense of the claim that theology is and ought to be particularly important for Book of Mormon studies In this first volume Spencer gathers early essays in which he gestures toward theological interpretation without knowing how to defend it essays about why theology is important to Book of Mormon scholarship and how to ensure that it does not overstep its boundaries and essays that do theological work on the Book of Mormon in relatively obvious ways or with relatively traditional topics The last category of essays divides into two subcategories essays specifically on the central theological question of Jesus Christ s atonement as the Book of Mormon understands it and essays on a variety of traditional theological topics again as the Book of Mormon understands them

American Religious Traditions Richard E. Wentz, Accompanying CD ROM contains full text of the book chapter summaries discussion questions and many web resources and Libronix software which offers such features as topic searching bookmarking notetaking and highlighting p 4 of cover **New Age, Neopagan, and New Religious Movements** Hugh B. Urban, 2015-09-15 *New Age Neopagan and New Religious Movements* is the most extensive study to date of modern

American alternative spiritual currents Hugh B Urban covers a range of emerging religions from the mid nineteenth century to the present including the Nation of Islam Mormonism Scientology ISKCON Wicca the Church of Satan Peoples Temple and the Branch Davidians This essential text engages students by addressing major theoretical and methodological issues in the study of new religions and is organized to guide students in their learning Each chapter focuses on one important issue involving a particular faith group providing readers with examples that illustrate larger issues in the study of religion and American culture Urban addresses such questions as Why has there been such a tremendous proliferation of new spiritual forms in the past 150 years even as our society has become increasingly rational scientific technological and secular Why has the United States become the heartland for the explosion of new religious movements How do we deal with complex legal debates such as the use of peyote by the Native American Church or the practice of plural marriage by some Mormon communities And how do we navigate issues of religious freedom and privacy in an age of religious violence terrorism and government surveillance

Joseph Smith and the Beginnings of Mormonism Richard L. Bushman, 1987-01-15 The core of Mormon belief was a conviction about actual events The test of faith was not adherence to a certain confession of faith but belief that Christ was resurrected that Joseph Smith saw God that the Book of Mormon was true history and not philosophy and that Peter James and John restored the apostleships

New Religions and the Theological Imagination in America Mary Farrell Bednarowski, 1989-11-22 Bednarowski is especially good at elucidating the theological daring of these new American religions She demonstrates in a very few pages how theology and group adherence made the individual count a configuration simultaneously American un American and important Jon Butler The cultural confrontation with these new religions is very real and usually very misinformed Bednarowski has gone to great lengths to dispel the ignorance The Christian Century A groundbreaking study Syzygy Journal of Alternative Religion and Culture Organized as a series of theological conversations about ultimate questions this book offers a guide to the answers these six religions offer Drawing heavily on sources from the movements themselves it presents a balanced comparative account of the emerging theological systems of America s new religions

The Oxford Handbook of Mormonism Terryl Givens, Philip L. Barlow, 2015 For this handbook Terryl Givens and Philip Barlow two leading scholars of Mormonism have brought together other top people in the field to construct a collection of essays that offers a comprehensive overview of scholarship on Mormons

The Antipolygamy Controversy in U.S. Women's Movements, 1880-1925 Joan Smyth Iversen, 2014-01-21 This first study of the antipolygamy movement in the United States traces its growth from a Utah based women s group into a national crusade where it sparked a debate in suffrage politics The author analyzes this debate highlighting the differing views of marriage family and the role of women held by suffrage leaders Mormon women and antipolygamy reformers Antipolygamy rhetoric masked a more significant debate within women s groups about the structure and meaning of the American family Coming in the post Civil War period the antipolygamy agenda reflects an attempt to re construct the Republican family diminish patriarchal authority and

improve the status of women The reaction of the antipolygamy women was also more than a struggle for power Their adherence to the Republican family was a discourse involving not just rhetoric but a whole range of cultural forms and institutions which provided women with status moral authority and an identity Often the fear of polygamy was mingled with anxiety over the increase in divorce and the emergence of the new woman Ironically by the end of the long congressional battle over Utah and the Mormons both the rhetoric of polygamy and antipolygamy were used against the women s movement

The Palgrave Handbook of Global Mormonism R. Gordon Shepherd,A. Gary Shepherd,Ryan T. Cragun,2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin America while sustaining increasing growth in parts of Asia and Africa

The Rise of Mormonism Rodney Stark,2005-10-26 Will Mormonism be the next world faith one that will rival Catholicism Islam and other major religions in terms of numbers and global appeal This was the question Rodney Stark addressed in his much discussed and much debated article The Rise of a New World Faith 1984 one of several essays on Mormonism included in this new collection Examining the religion s growing appeal Rodney Stark concluded that Mormons could number 267 million members by 2080 In what would become known as the Stark argument Stark suggested that the Mormon Church offered contemporary sociologists and historians of religion an opportunity to observe a rare event the birth of a new world religion In the years following that article Stark has become one of the foremost scholars of Mormonism and the sociology of religion This new work the first to collect his influential writings on the Mormon Church includes previously published essays revised and rewritten for this volume His work sheds light on both the growth of Mormonism and on how and why certain religions continue to grow while others fade away Stark examines the reasons behind the spread of Mormonism exploring such factors as cultural continuity with the faiths from which it seeks converts a volunteer missionary force and birth rates He explains why a demanding faith like Mormonism has such broad appeal in today s world and considers the importance of social networks in finding new converts Stark s work also presents groundbreaking perspectives on larger issues in the study of religion including the nature of revelation and the reasons for religious growth in an age of modernization and secularization

The Mormon Jesus John G. Turner,2016-04-25

For two centuries Jesus has connected the Latter day Saints to broader currents of Christianity even while particular Mormon beliefs have been points of differentiation From the author of the definitive life of Brigham Young comes a biography of the Mormon Jesus that enriches our understanding of The Church of Jesus Christ of Latter day Saints **Mormon Studies** Ronald Helfrich, Jr.,2021-12-30 Mormonism arose in early 19th century New York and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read Mormonism as the product of economic change wrought by the Erie Canal in the Burned over District of western New York State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian democracy Finally some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism s truth or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war that erupted as Mormon Studies professionalized particularly after the 1960s **The Mormon Question** Sarah Barringer Gordon,2003-01-14 From the Mormon Church s public announcement of its sanction of polygamy in 1852 until its formal decision to abandon the practice in 1890 people on both sides of the Mormon question debated central questions of constitutional law Did principles of religious freedom and local self government protect Mormons claim to a distinct religiously based legal order Or was polygamy as its opponents claimed a new form of slavery this time for white women in Utah And did constitutional principles dictate that democracy and true liberty were founded on separation of church and state As Sarah Barringer Gordon shows the answers to these questions finally yielded an apparent victory for antipolygamists in the late nineteenth century but only after decades of argument litigation and open conflict Victory came at a price as attention and national resources poured into Utah in the late 1870s and 1880s antipolygamists turned more and more to coercion and punishment in the name of freedom They also left a legacy in constitutional law and political theory that still governs our treatment of religious life Americans are free to believe but they may well not be free to act on their beliefs What is Mormonism? Patrick Q. Mason,2017-03-27 What is Mormonism A Student s Introduction is an easy to read and informative overview of the religion founded by Joseph Smith in 1830 This short and lively book covers Mormonism s history core beliefs rituals and devotional practices as well as the impact on the daily lives of its followers The book focuses on the Church of Jesus Christ of Latter day Saints the Salt Lake City based church that is the largest and best known expression of Mormonism whilst also exploring lesser known churches that claim descent from Smith s original revelations Designed for undergraduate religious studies and history students What is Mormonism provides a reliable and easily digestible introduction to a steadily growing religion that continues to befuddle even learned observers of American religion and culture Excavating Mormon Pasts Newell C. Bringhurst,Lavina Fielding

Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century *Mormon History* Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001 **Western Lives** Richard W. Etulain, University of New Mexico. Center for the Southwest, 2004 The life stories of many individuals are woven together to tell the history of the American West from the earliest days of westward expansion to the twentieth century

Mormonism The Story Of A New Religious Tradition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Mormonism The Story Of A New Religious Tradition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Mormonism The Story Of A New Religious Tradition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Mormonism The Story Of A New Religious Tradition free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Mormonism The Story Of A New Religious Tradition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Mormonism The Story Of A New Religious Tradition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Mormonism The Story Of A New Religious Tradition Books

1. Where can I buy Mormonism The Story Of A New Religious Tradition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Mormonism The Story Of A New Religious Tradition book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Mormonism The Story Of A New Religious Tradition books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Mormonism The Story Of A New Religious Tradition audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Mormonism The Story Of A New Religious Tradition books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
