*Mortal Remains* Henry Scammell, 1991      *Mortal Remains* Henry Scammell, 1991      *Cults Uncovered* Emily G. Thompson, 2020-02-04 The shocking truth about some of the most disturbing criminal cults that have ever existed How did Charles Manson inspire his family to launch a campaign of murder What twisted ideology lay behind horrific events like the Waco Siege the Aum Shinrikyo's poison gas attack on the Tokyo metro and the mass suicides and murders of Jonestown Why did the suicidal members of Heaven's Gate believe doomsday was at hand How did the idealistic commune of Rajneeshpuram collapse into shocking controversies involving biological terrorism and attempted murder *Cults Uncovered* explores these and many more strange and disturbing factions and sects from all over the world to expose terrifying stories of manipulation coercion abuse and murder      *Using Murder* Philip Jenkins, In the last decade serial murder has become a source of major concern for law enforcement agencies while the serial killer has attracted widespread interest as a villain in popular culture There is no doubt however that popular fears and stereotypes have vastly exaggerated the actual scale of multiple homicide activity In assessing the concern and the interest Jenkins has produced an innovative synthesis of approaches to social problem construction It includes an historical and social scientific estimate of the objective scale of serial murder a rhetorical analysis of the construction of the phenomenon in public debate and a cultural studies oriented analysis of the portrayal of serial murder in contemporary literature film and the mass media *Using Murder* suggests that a problem of this sort can only be understood in the context of its political and rhetorical dimension that fears of crime and violence are valuable for particular constituencies and interest groups which put them to their own uses In part these agendas are bureaucratic in the sense that exaggerated concern about the offense generates support for criminal justice agencies But other forces are at work in the culture at large where serial murder has become an invaluable rhetorical weapon in public debates over issues like gender race and sexual orientation Serial murder is worthy of study not so much for its intrinsic significance but rather for what it suggests about the concerns needs and fears of the society that has come to portray it as an ultimate evil *Using Murder* is a highly original study of a powerful contemporary mythology by a criminologist and historian versed in the constructionist literature on the origins of moral panics      *True Crime Narratives* Ben Harrison, 1997 Takes the reader on an exploration of this genre from the mid nineteenth century through 1993      *AMERICAN JOURNAL OF PHYSICAL ANTHROPOLOGY: JANUARY 1992, VOLUME 87, NO. 1*, 1992      **Jim Kobak's Kirkus Reviews**, 1991      **Crime Beat**, 1993      *The publishers weekly*, 1991      *The New York Times Book Review*, 1991-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback      **American Book Publishing Record**, 1991      **Anthropology Newsletter**, 1992      *AB Bookman's Weekly*, 1994      **Books in Print**, 1991      **The Cumulative Book Index**, 1992 A world list of books in the English language      **The Armchair Detective**, 1992      **Library Journal**, 1991      *Arts & Humanities*

*Citation Index* ,1992      Hypatia Silvia Ronchey,2023-09-18 This study reconstructs Hypatia s existential and intellectual life and her modern Nachleben through a reception oriented and interdisciplinary approach Unlike previous publications on the subject Hypatia explores all available ancient and medieval sources as well as the history of the reception of the figure of Hypatia in later history literature and arts in order to illuminate the ideological transformations deformations of her story throughout the centuries and recover the true story The intentionally provocative title relates to the contemporary historiographical notion of false or fake history as does the overall conceptual and methodological treatment Through this reception oriented approach this study suggests a new reading of the ancient sources that demonstrates the intrinsically political nature of the murder of Hypatia caused by the phthonos violent envy of the Christian bishop Cyril of Alexandria This is the first comprehensive treatment of the figure of Hypatia addressed to both academic readers in Classics Religious Studies and Reception Studies and a learned non specialist readership Revised edition in paperback      *Subject Guide to Books in Print* ,1975
