### **Mosbys Review Cards For The Nclex Rn examination 3e:**

*Mosby's Tour Guide to Nursing School* Melodie Chenevert, 2011 Encouraging user friendly and altogether unique Mosby's Tour Guide to Nursing School encourages you to not only survive nursing school but excel in whichever program you select. Throughout the book Dr Chenevert compares your journey through nursing school to a road trip and she offers advice to increase your understanding help you successfully navigate obstacles and make your journey more enjoyable. You'll learn how to prepare for the NCLEX R and your nursing career how to get good grades how to deal with failure how to improve oral and written reports and much more. A must have for every nursing student. Endorsed by the National Student Nurses Association NSNA. Written by a nationally known motivational speaker and nurse the book's down to earth approach uses humor and clever analogies to clearly teach the information you need to know. Uses the analogy of a cross country road trip to help you see the relationships between different aspects of nursing school as well as give you a finite view of its duration and end result. Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. The appendix lists numerous diverse resources you'll find useful before during and after nursing school. Electronic Age Information covers distance learning online courses and podcasts facilitating your success both in today's electronic classroom and with the advancing technology in nursing. A special NCLEX R chapter Chapter 29 Are We There Yet Almost provides you with the tools you need to prepare for and pass the NCLEX R. Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school. Three chapters are devoted to diversity in today's workforce and the non traditional student. Thorough coverage of ADN BSN and RN BSN programs program prerequisites differences and more helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real world advice. Mosby's Review Cards for the NCLEX-RN® Examination Martin S. Manno, 2010-02-26 With more review cards than any other product on the market you'll have the perfect tool for study groups or on the go review and with a new chapter focusing on pharmacology you'll be more prepared than ever before. This edition features over 1 200 questions with alternate item format and integrated content questions organized by clinical area and body system. These cards contain several practice questions on the front with answers rationales for correct and incorrect options cognitive levels nursing process steps and NCLEX test plan categories on the back. You'll also receive an overview of the latest NCLEX RN test plan and valuable test taking tips. UNIQUE Provides more practice questions than any other card set with over 1 200 review questions on portable cards. An introductory section on test taking offers helpful strategies for improving your test taking skills and managing test anxiety. Questions are logically organized by body system within each clinical area section. Plenty of alternate item format questions including multiple response fill in the blank and illustrated questions offer valuable preparation for the newer question

formats appearing on the NCLEX RN examination Each question is classified by cognitive level nursing process step and NCLEX test plan client needs area to help you identify areas where more review may be required A section on integrated concepts includes questions on leadership management of patient care cultural competence and community based practice addressing the integrated concepts covered in the NCLEX RN examination UNIQUE A separate section on pharmacology reflects the increased focus on this subject in the NCLEX examination and enables you to concentrate on the most frequently tested content Rationales for incorrect options are now included to help you understand the faulty thought processes that lead to selecting the wrong answers Double the number of alternate item questions and the new chart exhibit format ensure you have ample practice with the newest question formats A convenient plastic sleeve makes it easy to take a small number of cards with you to study on the go *Subject Guide to Books in Print* ,1991 **The Software Encyclopedia 2000**
