

THE WORLD WAR TWO SERIES

MOSSINGDENE, 1944

The image is a composite. In the foreground, a dark silhouette of a man in a military-style uniform is riding a horse. They are positioned on a dark, grassy hill. The man is looking upwards towards the sky. The background is a bright blue sky with scattered white clouds. Several large, multi-engine bombers, likely B-24 Liberators, are flying in formation across the sky. One bomber is in the upper left, another in the center, and a third in the upper right. The bombers have distinctive red and white striped markings on their tails.
