

# ONE DAY IN DECEMBER

CELIA  
SÁNCHEZ  
AND THE  
CUBAN  
REVOLUTION

"I love this book... an insightful,  
nuanced, and sometimes droll  
exploration of a profoundly  
liberated, adventurous,  
and driven personality."

# One Day In December Celia Sanchez And The Cuban Revolution

**Rafael E. Tarragó**

## **One Day In December Celia Sanchez And The Cuban Revolution:**

*One Day in December* Nancy Stout, 2013-04-01 Celia Sanchez is the missing actor of the Cuban Revolution Although not as well known in the English speaking world as Fidel Castro and Che Guevara Sanchez played a pivotal role in launching the revolution and administering the revolutionary state She joined the clandestine 26th of July Movement and went on to choose the landing site of the Granma and fight with the rebels in the Sierra Maestra She collected the documents that would form the official archives of the revolution and after its victory launched numerous projects that enriched the lives of many Cubans from parks to literacy programs to helping develop the Cohiba cigar brand All the while she maintained a close relationship with Fidel Castro that lasted until her death in 1980 The product of ten years of original research this biography draws on interviews with Sanchez's friends family and comrades in the rebel army along with countless letters and documents Biographer Nancy Stout was initially barred from the official archives but in a remarkable twist was granted access by Fidel Castro himself impressed as he was with Stout's project and aware that Sanchez deserved a worthy biography This is the extraordinary story of an extraordinary woman who exemplified the very best values of the Cuban Revolution selfless dedication to the people courage in the face of grave danger and the desire to transform society

**Young Castro** Jonathan M. Hansen, 2020-06-30 This intimate revisionist portrait of Fidel Castro showing how an unlikely young Cuban led his country in revolution and transfixed the world is sure to become the standard on Castro's early life Publishers Weekly Until now biographers have treated Castro's life like prosecutors scouring his past for evidence to convict a person they don't like or don't understand Young Castro challenges us to put aside the caricature of a bearded cigar munching anti American hothead to discover how Castro became the dictator who acted as a thorn in the side of US presidents for nearly half a century In this gripping and edifying narrative Hansen brings imposing research and notable erudition Booklist to Castro's early life showing Castro getting his toughness from a father who survived Spain's class system and colonial wars to become one of the most successful independent plantation owners in Cuba We see a boy running around that plantation more comfortable playing with the children of his father's laborers than his own classmates at elite boarding schools in Santiago de Cuba and Havana We discover a young man who writes flowery love letters from prison and contemplates the meaning of life a gregarious soul attentive to the needs of strangers but often indifferent to the needs of his own family These pages show a liberal democrat who admires FDR's New Deal policies and is skeptical of communism but is also hostile to American imperialism They show an audacious militant who stages a reckless attack on a military barracks but is canny about building an army of resisters In short Young Castro reveals a complex man The first American historian in a generation to gain access to the Castro archives in Havana Jonathan Hansen was able to secure cooperation from Castro's family and closest confidants He gained access to hundreds of never before seen letters and interviewed people he was the first to ask for their impressions of the man The result is a nuanced and penetrating portrait of a man at once brilliant arrogant bold vulnerable

and all too human a man who having grown up on an island that felt like a colonial cage was compelled to lead his country to independence **Cuba (Winner of the Pulitzer Prize)** Ada Ferrer, 2022-06-28 Proporcionado por el ed In 1961 at the height of the Cold War the United States severed diplomatic relations with Cuba where a momentous revolution had taken power three years earlier For more than half a century the stand off continued through the tenure of ten American presidents and the fifty year rule of Fidel Castro His death in 2016 and the retirement of his brother and successor Ra l Castro in 2021 have spurred questions about the country s future Meanwhile politics in Washington Barack Obama s opening to the island Donald Trump s reversal of that policy and the election of Joe Biden have made the relationship between the two nations a subject of debate once more Now award winning historian Ada Ferrer delivers an ambitious chronicle written for an era that demands a new reckoning with the island s past Spanning more than five centuries Cuba An American History reveals the evolution of the modern nation with its dramatic record of conquest and colonization of slavery and freedom of independence and revolutions made and unmade Along the way Ferrer explores the influence of the United States on Cuba and the many ways the island has been a recurring presence in US affairs This is a story that will give Americans unexpected insights into the history of their own nation and in so doing help them imagine a new relationship with Cuba Filled with rousing stories and characters and drawing on more than thirty years of research in Cuba Spain and the United States as well as the author s own extensive travel to the island over the same period this is a stunning and monumental account like no other

**Revolutions and Revolutionary Movements** James DeFronzo, 2021-09-30 With crucial insights and indispensable information concerning modern day political upheavals the sixth edition of Revolutions and Revolutionary Movements provides a representative cross section of many of the most significant revolutions of the modern era Students can trace the historical development of eleven revolutions using a five factor analytical framework Attention is devoted to clearly explaining all relevant concepts and events the roles of key leaders and the interrelation of each revolutionary movement with international economic and political developments and conflicts New to this edition Expanded coverage of women and revolution with profiles of individual women revolutionaries Coverage of the recent student movement in Hong Kong as well as economic developments in China Chinese international influence and international economic development projects and trade relations with the US during the Trump administration Changes in US policy toward Cuba during the Trump administration Examination of the cancellation of the Iran nuclear agreement by the Trump administration Trump administration policies towards Iran the impacts on Iran and Iranian reactions and Iranian and Saudi Arabian involvement in Yemen Coverage of the near extinction of geographic ISIS caliphate terrorist attacks and the implications of US policy on Palestinians and Middle Eastern countries during the Trump administration Examination of persisting economic inequality corruption and recent South African political developments and government actions Analysis of revolutionary movements in Venezuela and Bolivia and coverage of major political developments and events in both countries Trump administration

policy toward authoritarian states in the Middle East and implications for the possibility of pro democracy movements in Middle Eastern countries Updated student resources include multiple orienting maps summary and analysis sections chronologies and documentary resources     Three Revolutions Simon Hall,2025-07-01 A salve for our current reactionary times ANDREW HARTMAN The gripping untold story of how six epic journeys launched the three communist revolutions that changed world history forever From the streets of Petrograd during the heady autumn of 1917 to Mao s stunning victory in October 1949 and Fidel s triumphant arrival in Havana in January 1959 the history of the twentieth century was transformed in dramatic and profound ways by the Russian Chinese and Cuban revolutions In *Three Revolutions* the stories of these epoch defining events are told together for the first time At the heart of each revolution was an epic journey Lenin s 1917 return to Russia from exile in Switzerland Mao s Long March of 1934 35 covering some 6 000 miles across China and Fidel Castro s return to Cuba in 1956 following his exile in Mexico Told in tandem with these are the corresponding journeys of three extraordinary journalists John Reed Edgar Snow and Herbert L Matthews whose electric testimony from the frontlines of each revolution would make a decisive contribution to how these revolutions were understood in the wider world Here in Simon Hall s masterful retelling these six remarkable journeys are brought vividly to life Featuring a stellar cast extraordinary drama and an epic sweep *Three Revolutions* raises fundamental questions about the nature of political power the limits of idealism and the role of the journalist questions that remain of utmost urgency today     **Contemporary Latin American Revolutions** Marc Becker,2022-01-11 Revolutions are a commonly studied but only vaguely understood historical phenomenon Now updated to include the perspectives of grassroots revolutionary movements and biographies of often marginalized voices this clear and concise text extends our understanding with a critical narrative analysis of key case studies the 1910 1920 Mexican Revolution the 1944 1954 Guatemalan Spring the 1952 1964 MNR led revolution in Bolivia the Cuban Revolution that triumphed in 1959 the 1970 1973 Chilean path to socialism the leftist Sandinistas in Nicaragua in power from 1979 1990 failed guerrilla movements in Colombia El Salvador and Peru and the Bolivarian Revolution in Venezuela after Hugo Ch vez s election in 1998 Historian Marc Becker opens with a theoretical introduction to revolutionary movements including a definition of what revolution means and an examination of factors necessary for a revolution to succeed He analyzes revolutions through the lens of those who participated and explores the sociopolitical conditions that led to a revolutionary situation the differing responses to those conditions and the outcomes of those political changes Each case study provides an interpretive explanation of the historical context in which each movement emerged its main goals and achievements its shortcomings its outcome and its legacy The book concludes with an analysis of how elected leftist governments in the twenty first century continue to struggle with issues that revolutionaries confronted throughout the twentieth century     I Never Left Home Margaret Randall,2020-03-13 In 1969 poet and revolutionary Margaret Randall was forced underground when the Mexican government cracked down on all those who took part in the 1968 student movement

Needing to leave the country she sent her four young children alone to Cuba while she scrambled to find safe passage out of Mexico In *I Never Left Home* Randall recounts her harrowing escape and the other extraordinary stories from her life and career From living among New York's abstract expressionists in the mid 1950s as a young woman to working in the Nicaraguan Ministry of Culture to instill revolutionary values in the media during the Sandinista movement the story of Randall's life reads like a Hollywood production Along the way she edited a bilingual literary journal in Mexico City befriended Cuban revolutionaries raised a family came out as a lesbian taught college and wrote over 150 books Throughout it all Randall never wavered from her devotion to social justice When she returned to the United States in 1984 after living in Latin America for twenty three years the U S Immigration and Naturalization Service ordered her to be deported for her subversive writing Over the next five years and with the support of writers entertainers and ordinary people across the country Randall fought to regain her citizenship which she won in court in 1989 As much as *I Never Left Home* is Randall's story it is also the story of the communities of artists writers and radicals she belonged to Randall brings to life scores of creative and courageous people on the front lines of creating a more just world She also weaves political and social analyses and poetry into the narrative of her life Moving captivating and astonishing *I Never Left Home* is a remarkable story of a remarkable woman

Haydée Santamaría, Cuban Revolutionary Margaret Randall, 2015-09-02 Taking part in the Cuban Revolution's first armed action in 1953 enduring the torture and killings of her brother and fiancé assuming a leadership role in the underground movement and smuggling weapons into Cuba Haydée Santamaría was the only woman to participate in every phase of the Revolution Virtually unknown outside of Cuba Santamaría was a trusted member of Fidel Castro's inner circle and friend of Che Guevara Following the Revolution's victory Santamaría founded and ran the cultural and arts institution Casa de las Américas which attracted cutting edge artists exposed Cubans to some of the world's greatest creative minds and protected queer black and feminist artists from state repression Santamaría's suicide in 1980 caused confusion and discomfort throughout Cuba despite her commitment to the Revolution communist orthodoxy's disapproval of suicide prevented the Cuban leadership from mourning and celebrating her in the Plaza of the Revolution In this impressionistic portrait of her friend Haydée Santamaría Margaret Randall shows how one woman can help change the course of history

**Women and the Cuban Insurrection** Lorraine Bayard de Volo, 2018-02-01 Using gender analysis and focusing on previously unexamined testimonies of women rebels political scientist Lorraine Bayard de Volo shatters the prevailing masculine narrative of the Cuban Revolution Contrary to the Cuban War story's mythology of an insurrection single handedly won by bearded guerrillas Bayard de Volo shows that revolutions are not won and lost only by bullets and battlefield heroics Focusing on women's multiple forms of participation in the insurrection especially those that occurred off the battlefield such as smuggling messages hiding weapons and distributing propaganda Bayard de Volo explores how gender both masculinity and femininity were deployed as tactics in the important though largely unexamined battle for the hearts and minds of the

Cuban people Drawing on extensive rarely examined archives including interviews and oral histories this author offers an entirely new interpretation of one of the Cold War s most significant events **Heroes, Martyrs, and Political Messiahs in Revolutionary Cuba, 1946-1958** Lillian Guerra,2018-04-24 A leading scholar sheds light on the experiences of ordinary Cubans in the unseating of the dictator Fulgencio Batista In this important and timely volume one of today s foremost experts on Cuban history and politics fills a significant gap in the literature illuminating how Cuba s electoral democracy underwent a tumultuous transformation into a military dictatorship Lillian Guerra draws on her years of research in newly opened archives and on personal interviews to shed light on the men and women of Cuba who participated in mass mobilization and civic activism to establish social movements in their quest for social and racial justice and for more accountable leadership Driven by a sense of duty toward la patria the fatherland and their dedication to heroism and martyrdom these citizens built a powerful underground revolutionary culture that shaped and witnessed the overthrow of Batista in the late 1950s

Beautifully illustrated with archival photographs this volume is a stunning addition to Latin American history and politics

**Making War on Bodies** Catherine Baker,2020-03-02 No detailed description available for Making War on Bodies

**Hiding in Plain Sight** Christian P. Potholm,2021-10-22 Hiding in Plain Sight Women Warriors throughout Time and Space takes the many long standing dimensions of military history including the various modalities of warfare across cultures and periods and integrates them with the more recent and very substantial contributions of social history women s history black history feminist theory LGBTQ community and other perspectives By providing an extensive annotated bibliography of the new findings the work provides the reader with an exciting compilation of new knowledge placed within a longstanding military historical framework one which provides a broader study and understanding of warfare into which to put the very recent disparate findings culled from many disciplines The book reaffirms that women have long been deeply embedded in the practice of warfare not simply as victims or minor curiosities but as important actors tactically strategically in combat and directing warfare from afar just as their male counterparts The concomitant amalgam also shows that certain types and patterns of warfare such as the defense of castles and fortresses commanding a ship or a fleet revolutionary warfare and today s drone and cyber forms of warfare have been more conducive to female activity than other forms of warfare even as women are also present in a wider variety of other broader temporal and geographical dimensions of the history of warfare Hiding in Plain Sight is the only extensive annotated bibliography currently available which provides such a holistic overview of recent scholarship by grounding that scholarship in the existing military canon and history **The ^AOxford Handbook**

**of Communist Visual Cultures** Aga Skrodzka,Xiaoning Lu,Katarzyna Marciniak,2020-06-04 Looking at monuments murals computer games recycling campaigns children s books and other visual artifacts The Oxford Handbook of Communist Visual Cultures reassesses communism s historical and cultural legacy **Cuba's Revolutionary World** Jonathan C.

Brown,2017-04-24 As Castro s democratic reform movement veered off course a revolution that seemed to signal the death

knell of dictatorship in Latin America brought about its tragic opposite Jonathan C Brown examines in forensic detail how the turmoil that rocked a small Caribbean nation in the 1950s became one of the century's most transformative events **100**

**Places in Cuba Every Woman Should Go** Conner Gorry, 2018-07-31 The secret is out Cuba is the world's sexiest most magnetic travel destination What isn't a secret is that folks from around the corner and around the globe have been exploring and falling in love with the largest Caribbean island for decades Now you can too with 100 Places in Cuba Every Woman Should Go written from the unique perspective of a New Yorker who has called Havana home for more than 15 years The 100 places profiled in this book are the result of decades of travel research and living in Cuba by a US journalist with uncommon access ensuring travelers incomparable experiences Much more than a prescriptive list these narratives incorporate adventures and mishaps insider opinion slang gossip and conversations with Cubans during a historic shift which saw Soviet support evaporate Fidel Castro take his final bow economic reforms whiffing suspiciously of capitalism and quasi normalization with the United States From exclusive interviews with prestigious Cubans to tales from intrepid travelers these stories decipher the mysteries of Cuba while describing the country's most alluring sites sounds and off the beaten track locales Author Conner Gorry has spent decades writing guidebooks for Lonely Planet Cuba included reporting from post disaster situations and covering Cuban life from the inside for a variety of international publications Her expertise in parsing Cuban machismo and gender politics analyzing the role and impact of Cuban women and ferreting out the best places for women traveling solo or with children enriches the book She first visited Cuba in 1993 and has been permanently based in Havana since 2002 where she reports on everything from clinical trials to questionable fashion She has written several books about Cuba and founded the island's only English language bookstore Cuba Libro in 2013 most of her explorations for 100 Places in Cuba Every Woman Should Go were made on a 1946 Harley Davidson leading one observer to say Conner's Cuba is where Shakespeare and Company meets Easy Rider [The Revolution from Within](#) Michael J. Bustamante, Jennifer L. Lambe, 2019-02-14 What does the Cuban Revolution look like from within This volume proposes that scholars and observers of Cuba have too long looked elsewhere from the United States to the Soviet Union to write the island's post 1959 history Drawing on previously unexamined archives the contributors explore the dynamics of sociopolitical inclusion and exclusion during the Revolution's first two decades They foreground the experiences of Cubans of all walks of life from ordinary citizens and bureaucrats to artists and political leaders in their interactions with and contributions to the emerging revolutionary state In essays on agrarian reform the environment dance fashion and more contributors enrich our understanding of the period beginning with the utopic mobilizations of the early 1960s and ending with the 1980 Mariel boatlift In so doing they offer new perspectives on the Revolution that are fundamentally driven by developments on the island Bringing together new historical research with comparative and methodological reflections on the challenges of writing about the Revolution The Revolution from Within highlights the political stakes attached to Cuban history after 1959

Contributors Michael J Bustamante Mar a A Cabrera Ar s Mar a del Pilar D az Casta n Ada Ferrer Alejandro de la Fuente Reinaldo Funes Monzote Lillian Guerra Jennifer L Lambe Jorge Macle Cruz Christabelle Peters Rafael Rojas Elizabeth Schwall Abel Sierra Madero

**The Politics of Che Guevara** Samuel Farber,2016-05-18 This reexamination of Ernesto Che Guevara s thoughts on socialism democracy and revolution is a must read for today s activists or anyone longing to fight for a better world Fifty years after his death Guevara remains a symbol to legions of young rebels and revolutionaries This unique book provides a way to critically engage with Guevara s economic views his ideas about revolutionary agency and his conduct as guerrilla commander and government administrator in Cuba Samuel Farber was born and raised in Cuba He has written extensively on Cuba and the Cuban Revolution and is author of Cuba Since the Revolution of 1959
