McPherson, 2003-01-01 In Navajo Land Navajo and outside the Din community Culture Robert S McPherson presents an intimate history of the Din or Navajo people of southeastern Utah Moving beyond standard history by incorporating Native voices the author shows how the Dine's culture and economy have both persisted and changed during the twentieth century As the dominant white culture increasingly affected their worldview these Navajos adjusted to change took what they perceived as beneficial and shaped or filtered outside influences to preserve traditional values With guidance from Navajo elders McPherson describes varied experiences ranging from traditional deer hunting to livestock reduction from bartering at a trading post to acting in John Ford movies and from the coming of the automobile to the burgeoning of the tourist industry Clearly written and richly detailed this book offers new perspectives on a people who have adapted to new conditions while shaping their own destiny Tales from Wide Ruins Jean Cousins, 1996 Recounts the experiences of two Indian traders during the 1930s and 1940s describing the hardships endured by them and the Native Americans with whom they dealt **Hubbell Trading Post** Erica Cottam, 2015-09-22 For more than a century trading posts in the American Southwest tied the U S economy and culture to those of American Indian peoples and in this capacity Hubbell Trading Post founded in 1878 in Ganado Arizona had no parallel This book tells the story of the Hubbell family its

Navajo neighbors and clients and what the changing relationship between them reveals about the history of Navajo trading Drawing on extensive archival material and secondary literature historian Erica Cottam begins with an account of John Lorenzo Hubbell who was part Hispanic part Anglo and wholly brilliant and charismatic She examines his trading practices and the strategies he used to meet the challenges of Navajo exchange customs and a seasonal trading cycle Tracing the trading post s affairs through the upheavals of the twentieth century Cottam explores the growth of tourism the development of Navajo weaving the automobile's advent and the Hubbells relationship with the Fred Harvey Company She also describes the Hubbell family s role in providing Navajo and Hopi demonstrators for world s fairs and other events and in supplying museums with Native artifacts Acknowledging the criticism aimed at the Hubbell family for taking advantage of Navajo clients Cottam shows the family s strengths their integrity as business operators and the warm friendships they developed with customers and with the artists writers archaeologists politicians and tourists attracted to Navajo country by its unparalleled landscapes and fascinating peoples Cottam traces the preservation efforts of Hubbell's daughter in law after the Great Depression and World War II fundamentally altered the trading post business and concludes with the post s transition to its present status as a National Park Service historic site Southwest Weaving Stefani Salkeld, San Diego Museum of Man, 1996 A catalog for a traveling exhibition of Native American folk art presents and describes hand woven textiles from the Pueblo Navajo and New Mexico Hispanic village cultures Collecting the Weaver's Art Laurie D. National Park Service. Southwest Region. Public Affairs The Grove Encyclopedia of Decorative Arts: Labhardt to Zwischengoldglas; Index Gordon Office.1977 Campbell, 2006 Contains information drawn from Grove Art Online and new material written by G Campbell Cf Preface Patterns of Exchange Teresa J. Wilkins, 2013-03-15 The Navajo rugs and textiles that people admire and buy today are the result of many historical influences particularly the interaction between Navajo weavers and the traders who guided their production and controlled their sale John Lorenzo Hubbell and other late nineteenth century traders were convinced they

knew which patterns and colors would appeal to Anglo American buyers and so they heavily encouraged those designs In Patterns of Exchange Teresa I Wilkins traces how the relationships between generations of Navajo weavers and traders affected Navajo weaving The Navajos valued their relationships with Hubbell and others who operated trading posts on their reservation As a result they did not always see themselves as exploited victims of a capitalist system Rather because of Navajo cultural traditions of gift giving and helping others the artists slowly adapted some of the patterns and colors the traders requested into their own designs By the 1890s Hubbell and others commissioned paintings depicting particular weaving styles and encouraged Navajo weavers to copy them reinforcing public perceptions of traditional Navajo weaving Even the Navajos came to revere certain designs as the weaving of the ancestors Enhanced by numerous illustrations including eight color plates this volume traces the intricate play of cultural and economic pressures and personal relationships between artists and traders that guided Navajo weavers to produce textiles that are today emblems of the Native American Southwest Winner Multi cultural Subject New Mexico Book Awards **Explorer's Guide The Four Corners Region** Sara J.
