Testaments of the Bible man has received divine guidance As Christians it is important to know the differences between the leading on the old and the New Testaments The Word of God is the ultimate divine guidance The ways of being led may have seemed different at varying times and yet central to the guidance is the need for the obedience by those being led Today those principles remain firmly in place Through this book Chuckie Morsi takes the reader through the ultimate guide book of how the Lord leads His children and the consequences and the rewards experienced by His children It is about knowing and understanding the basic principles of enjoying God's lead and guidance The aim is to overcome the myths of the traditions of men which may come dressed up as God's leading and consequently keep the believers in bondage However when the spirit of TRUTH is come he will GUIDE you into ALL TRUTH for he shall not speak of himself but whatsoever he shall hear that shall he speak and he will shew you things to come John 16:13

Mark's Story of Jesus Dewey Mulholland, 1999-05-26 A missionary scholar who has been studying and teaching the Gospel of Mark for over forty years Dr Mulholland is an insightful expounder of its message guiding us through this account of Jesus the mighty miracle worker who is the Messiah of all nations Informed by the best of academic research Mulholland's lucid and detailed study will prove eye opening as well as soul challenging for its readers Dr Vernon C Grounds Chancellor Denver Seminary During his many years of work as a missionary in Brazil the Rev Dewey Mulholland was enabled to strengthen the church there in a most strategic way In the seminary he helped found in Brasilia the capital he made the inductive study of the Bible in Portuguese central for the training of Christian workers He wanted to teach people how to study the Bible for themselves No boring sermons and Bible lessons from these graduates Studying the Bible the way Mulholland taught them they keep coming up with new exciting insights into the inspired meanings of the Bible Learning to comprehend the biblical text for themselves his students often opened Mulholland's eyes to vital insights into the Marcan meaning This English version of his Marcan commentary makes this accumulation of insights available to us in the Euro American world Seeing the significance that Mark has for people in Latin America helps us to be more enlightened world Christians Dr Daniel P Fuller Senior Professor of Hermeneutics Fuller Theological Seminary The author skillfully combines Mark's emphasis upon Jesus as the Messiah whose Kingdom embraces people of all nations with his portrayal of the Servant who reigns through suffering This message is very relevant to the developing nations where many politicians and clergymen use their positions to dominate I recommend this commentary for it enlarges our understanding of the Messiah and calls upon us to fulfill the task Jesus has delegated to us Edouard Kitoko Nsiku Ph D United Bible Societies Moputo Mozambique Africa

Perspectives in Pentecostal Eschatologies Peter Althouse, Robby Waddell, 2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right

The Great Book Stanley Morris, 2011-07-28 The Great Book is

a fresh new translation of the Word of God It reads so smoothly that it doesn't even seem to be a translation though it is painstakingly accurate according to the best Greek manuscripts The true meaning that God intended comes through loud and clear in plain English Because The Great Book communicates so well it can be used effectively in many ways For teaching kids of all ages especially teenagers For teaching English to non native speakers For those who have never read the Bible before For prison ministries For evangelistic outreaches in America For missionary distribution programs around the world The Great Book is written at a 5th grade reading level in order to reach the greatest number of people in the world The original Greek New Testament was Koine common Greek Let's face it we could all use a little help with the most difficult New Testament books such as Romans Galatians Hebrews and Revelation

The Ministry of the Word, Vol. 21, No. 10 Various Authors, 2017-10-01 This issue of The Ministry of the Word contains the final nine messages given during the spring 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Mending Ministry of John The overall subject of John's writings which include his Gospel his Epistles and Revelation is that the Triune God wants to dispense Himself into His chosen people as their life and life supply to make them divine so that they may express Him in full and for eternity In Revelation John presents the consummate vision in the Bible and the ultimate fulfillment of God's eternal economy the New Jerusalem The mending ministry of John carried out in the divine and mystical realm of the consummated Spirit is for the living out and the working out of the New Jerusalem The New Jerusalem is lived out by the believers becoming the New Jerusalem and the New Jerusalem is worked out by the believers building the New Jerusalem The New Jerusalem is the ultimate answer to the Lord's prayer in John 17 for the glorification of the Triune God through the oneness of the believers built into the Triune God This city is the City of Jehovah the city of life the holy city and the city of glory Even in the Old Testament the prophets describe this city as a person that is one with Jehovah Isaiah says They will call you the City of Jehovah 60:14 and Ezekiel concludes his prophecy by declaring that the name of the city from that day shall be Jehovah Is There 48:35 The City of Jehovah means that Jehovah is in His redeemed regenerated transformed and glorified tripartite people and that they are in Him Jehovah Is There refers to the presence of Jehovah Himself who will be united mingled and incorporated with His people to be one entity the great corporate God man The New Jerusalem is also the city of life The Christ ministered by John is for the dispensing of the Triune God as life into man's tripartite being Out of such a ministered Christ the children of God are brought forth by receiving the eternal life They then partake of the fellowship of the eternal life by abiding in the Lord and walking in the light They are taught by the anointing to enjoy the virtues of the divine birth with the divine seed As a result they become the testimony of Jesus the lampstands as the expression of the Triune God to be the firstfruits and the harvest as the expression of life and the bride of the Lamb as His increase and satisfaction Moreover

the New Jerusalem is the holy city God's living word His breathing out as the divine breath into the believers works within them to separate them from the world and to saturate them with the divine nature to make them a holy city the corporate and ultimate Holy of Holies as the reality of Zion To live out and work out the New Jerusalem the believers partake of the divine nature of the Father by exercising their spirit to enjoy God as Spirit the nature of God's person and by remaining in the divine fellowship to enjoy God as love the nature of God's essence and as light the nature of God's expression

Furthermore the New Jerusalem is the city of glory The Lord wants to occupy every room in our being and He desires that we would be filled with His riches unto the fullness of God so that there would be glory to God in the church The Father will be glorified when His many sons are thus filled with the Triune God To be filled with the Triune God of glory for His corporate expression the believers must cooperate with the Spirit who is daily operating in them by their allowing the Spirit to infuse and transmit all the riches of the Triune God into them All believers need to be open to this Spirit to allow the Triune God to fill them to flow through them and to overflow out of them so that there would be the full expression of the Triune God in the church as the reality of the Body of Christ This Body will in turn consummate in the New Jerusalem as the ultimate expression of the consummated Triune God in and through man The New Jerusalem is the church as the reality of the Body of Christ in its ultimate state and consummation To live out the New Jerusalem is to grow up into Christ the Head by the mingling of God with man and to work out the New Jerusalem is to function out from the Head for the building up of the Body of Christ Only the Body of Christ will remain forever as the unique mutual abode of God and man so that God as the Spirit and man as the bride becoming a married couple are mingled and incorporated together to be one entity a great corporate God man Thus the issue of John's mending ministry is the accomplishing of the goal of God's economy which is to obtain the enlarged universal divine human incorporation of the consummated Triune God with the regenerated believers the New Jerusalem in eternity Imagine Paul G. Roger Greene, 2024-10-17 Can the real Paul the apostle live again in a postmodern technological age Paul's ministry stood at the very headwaters of the Christian gospel surrounding Jesus of Nazareth His letters are the earliest documents contained in the New Testament The current work calls upon the reader to actively engage Paul in his context rather than to affirm the assumed theological Paul of later Christian orthodoxy The reader is thus invited to walk with a more real Paul as he may be imagined from the sources we have to think Paul's thoughts with him through his letters and to more fully experience the gospel of God that Paul knew and proclaimed Paul was a man in Christ directly called by God to announce the gospel of God to both Jew and gentile in the midst of a world ruled by Rome He did so through two major campaigns rather than three missionary journeys He wrote pastoral letters to real first century churches The real Paul did not write theology but he rather proclaimed a gospel to a world in search of a soul **Ellicott's Commentary on the Whole Bible Volume VII** Charles J. Ellicott, 2015-03-31 ELLICOTT'S COMMENTARY ON THE WHOLE BIBLE is a practical and ideal commentary for Sunday school teachers Christian workers Bible students libraries and ministers Each of the
