One More Chance Abbi Glines, 2014-09-02 The unforgettable story of Grant and Harlow from *Take a Chance* continues in this brand new novel in the Rosemary Beach series from 1 New York Times bestselling author Abbi Glines. She was it. His only. Then he made the mistake of letting her go. After fighting his way into Harlow Manning's heart and revealing a side of himself no one had ever seen before, Grant Carter destroyed his own heart by giving in to his greatest fears and doubts. Months later, he's stuck in a miserable routine. Work relentlessly. Beg his best friend Rush for news about Harlow. Avoid all other friends. Leave nightly voicemails for Harlow pleading with her to come back to Rosemary Beach. Fall asleep alone. Repeat. Miles away on her brother's Texas ranch, Harlow can't bring herself to listen to Grant's voicemails. Though she wants to be with him and knows he regrets letting her go, she doesn't know if she can trust him. When he discovered the truth behind her sheltered upbringing, it shattered their relationship, but the secret she carries now has far greater consequences. Can she risk giving Grant one more chance, or will the gamble ultimately destroy her? **One More Chance** Abbi

Glines, 2014-09-02 Grant Carter did everything in his power to convince Harlow Manning that he was a good guy. More than a smooth talker and someone she could trust. He had to overcome his reputation as a playboy and his history with Harlow's half sister Nan, a woman with a reputation of her own. Harlow had taken the chance, falling hard and fast for the guy who thrilled her with his all-consuming desire. After a lifetime of avoiding bad boys like Grant, she had opened herself to the possibilities of love. But a life-changing secret has torn them apart, and now Grant and Harlow must decide if they have enough fight to make it work, or if the pain of betrayal has permanently destroyed their future. *One More Chance* Abbi Glines, 2014-09

Anglophone Fiction Armelle Parey, 2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction: novel expansion, when the plot and characters from a finished novel are retrieved to be developed in new adventures set before, after, or during the narrative time of the source text. If autographic and allographic sequels are almost as old as literature, prequels that imagine the anteriority of a narrative and coquels that develop secondary characters in the same story time as the source text are more recent. The overall trend for novel expansion spread in the mid 1980s and 1990s and has since shown no sign of abating. This volume is organised following three types of relationships to the source texts, even if these occasionally combine to produce a more complex structure. This book comprises 11 essays preceded by an

introduction that examine narrative strategies aesthetic ethical and political tendencies underlying these novel expansions Following the overview provided in the introduction the reader will find case studies of prequels coquels and sequels before a final chapter that encompasses them all and more
