More shocking still, campaign staffer Tara Weber claims the president fathered her newborn son while the First Lady was undergoing secret cancer treatment. When a high profile murder case hits Sam's desk, she's shocked to uncover a connection to the presidential scandal. With the department caught up in its own internal scandals and the chief's job hanging by a thread, Sam questions who she can trust as her team uncovers information that clouds an already murky case. And with calls for the president to resign getting louder by the minute, Sam needs to close this case before she finds herself living at 1600 Pennsylvania Avenue. A prominent member of the D.C. community has been murdered, pulling Lieutenant Sam Holland into yet another high stakes homicide investigation that has her trying to connect the dots between a dead woman and the friends and family who'd turned against her right before her untimely death. With numerous scandals still fresh within the department's ranks, Sam is under more than the usual amount of pressure on the job. All the while, Sam's husband Vice President Nick Cappuano faces mounting calls to declare his intention to run for president in the coming election, leaving the second couple feeling the strain at home and on the job as the family endures the first holidays without their beloved patriarch Skip Holland. As always, when things become too hot to handle on the job, Sam and Nick turn to each other for solace in the storm.

**Fatal Chaos (Fatal Series, Book 12)** Marie Force, 2021-10-15 First the calm. Then the storm. Escaping D.C. during the dog days of summer is one of the smartest moves Washington Metro Police Lieutenant Sam Holland ever made. Beach walks aren't quite as romantic with the Secret Service in tow, but Sam and her husband Vice President Nick Cappuano cherish the chance to recharge and reconnect, especially with a scandal swirling around the administration. No sooner are they back home than a fatal drive-by shooting sets the city on edge. The teenage victim is barely older than Sam and Nick's son, Scotty. As more deaths follow, Sam and her team play beat the clock to stop the ruthless killers. With Nick facing his greatest challenge, one that could drastically change all their lives and even end Sam's career, will the mounting pressure deepen or damage their bond?
