Manga's Cultural Crossroads Jaqueline Berndt, Bettina Kümmerling-Meibauer, 2014-03-14 Focusing on the art and literary form of manga this volume examines the intercultural exchanges that have shaped manga during the twentieth century and how manga's culturalization is related to its globalization Through contributions from leading scholars in the fields of comics and Japanese culture it describes manga culture in two ways as a fundamentally hybrid culture comprised of both subcultures and transcultures and as an aesthetic culture which has eluded modernist notions of art originality and authorship The latter is demonstrated in a special focus on the best selling manga franchise NARUTO

Mangaddicts: French Teenagers and Manga Reading Christine Détrez, Olivier Vanhée, 2023-05-25 Just pronounce the word manga and conflicted representations of media reception emerge either passive teenagers immersed in Japanese fictional worlds or hyperactive fans To understand what drives a variety of teenagers to read manga we conducted empirical research among French readers enrolled in secondary schools Manga is part of a whole constellation of interests including music and digital technology It is also the object of analytical ethical or concrete appropriations Reading then becomes a way to deal with past experiences and to connect with others to learn how to express emotions and to assert or contest age and gender norms

Scaled for Success Philip Hayward, 2018-07-26 Emerging from the confluence of Greco Roman mythology and regional folklore the mermaid has been an enduring motif in Western culture since the medieval period It has also been disseminated more widely initially through Western trade and colonisation and more recently through the increasing globalisation of media products and outlets Scaled for Success offers the first detailed overview of the mermaids dispersal outside Europe Complementing previous studies of the interrelationship between the mermaid and Mami Wata spirit in West Africa this volume addresses the mermaids presence in a range of Middle Eastern Asian Australian Latin American and North American contexts Individual chapters identify the manner in which the mermaid has been variously syncretised and or resignified in contexts as diverse as Indian public statuary Thai cinema and Coney Islands annual Mermaid Parade Rather than lingering as a relic of a bygone age the mermaid emerges as a versatile dynamic and above all polyvalent figure Her prominence exemplifies the manner in which contemporary media lore has extended the currency of established folkloric figures in new and often surprising ways Analysing aspects of religious symbolism visual art literature and contemporary popular culture this copiously illustrated volume profiles an intriguing and highly diverse phenomenon Philip Hayward is editor of the journal Shima and holds adjunct professor positions at the University of Technology Sydney and at Southern Cross University His previous volume Making a Splash Mermaids and Mermen in 20th and 21st Century Audiovisual Media was published by John Libbey Publishing Indiana University Press in 2017
