Defending Innocence Danielle Stewart,2018-07-25 Vera will be a lawyer Nothing will stop her Not even the fact that she s from sleepy old Edenville North Carolina or the fact that her single father s small business hardly keeps them fed A lifetime

of hard work and perseverance has propelled her to the destiny she's dreamed of. An internship with Edenville's top lawyer Michael Cooper might not be glamorous but staying in the city for the summer wasn't an option. Like always she'll turn lemons into lemonade. That's easier said than done when Jay shows up to steal her thunder. Jay has a one-track mind. He's driven to succeed not out of pride but desperation. Justice is all he has in mind when he fights his way through law school. Falling for hot-headed Vera is a distraction he can't afford. When the two collide seemingly on similar paths they realize they have nothing in common but their chosen professional goals. When a cut and dry conviction becomes their summer project Jay and Vera need each other if they plan to win. Even more if they want to stay alive. **Just for a Heartbeat** Danielle Stewart, 2016-11-04

Every photograph was at one point a moment intended to be remembered. Ruby Constantine works tirelessly to give old film new life salvaging forgotten and discarded rolls. There is a gamble to the process she may end up with a priceless treasure or a stack of meaningless photographs. The job provides a level of excitement the rest of Ruby's life lacks. That is until a particularly unique set turns out to have captured a grisly crime that Ruby knows the local police on Bolton Bluff Island off the coast of Maine are not equipped to solve. Patrick Sullivan has given up his job as an investigative reporter in Boston in order to write articles about bumble bees and pizza crusts for a tiny newspaper in Maine. Why? Because no one dies as a result of something he's written anymore. Though his goal is to keep his head down and mind his own business a call from Ruby changes everything. She holds a special place in his heart and helping is a pull he can't resist. Success seems impossible when their hunt for a killer becomes more dangerous than anything they could have imagined. Ruby and Patrick must decide if their lives are worth more than the truth. *Let It Burn* Ruth Cardello, 2017-01-17
