One Child Do We Have A Right To More:

One Child Sarah Conly, 2016 The problem The right to a family The right to control your body Sanctions The future Unexpected consequences When One Child Sarah Conly, 2015-11-04 Sarah Conly argues that at present we do not have the right to have more than one child We do not need to have more than one to live a good life and having more than one when we are at risk of depleting our environmental resources is simply too dangerous to others **One Child** Sarah Conly, 2015 Sarah Conly argues that at present we do not have the right to have more than one child We do not need to have more than one to live a good life and having more than one when we are at risk of depleting our environmental resources is simply too dangerous to others *Toward a Small Family Ethic* Travis N. Rieder, 2016-06-23 This thought provoking treatise argues that current human fertility rates are fueling a public health crisis that is at once local and global Its analysis and data summarize the ecological costs of having children presenting ethical dilemmas for prospective parents in an era of competition for scarce resources huge disparities of wealth and poverty and unsustainable practices putting irreparable stress on the planet Questions of individual responsibility and integrity as well as personal moral and procreative issues are examined carefully against larger and more long range concerns The author's assertion that even modest efforts toward reducing global fertility rates would help curb carbon emissions slow rising global temperatures and forestall large scale climate disaster is well reasoned and more than plausible Among the topics covered The multiplier effect food water energy and climate The role of population in mitigating climate change The carbon legacy of procreation Obligations to our possible children Rights what is right and the right to do wrong The moral burden to have small families *Toward a Small Family Ethic* sounds a clarion call for bioethics students and working bioethicists This brief thought rich volume steers readers toward challenges that need to be met and consequences that will need to be addressed if they are not The Oxford Handbook of Intergenerational Ethics Stephen M. Gardiner, 2025 This volume of new essays focuses on the increasing relevance of intergenerational ethics to key challenges of the 21st century such as climate change rapid technological change the expanding human population and threats of extinction It features philosophers and political theorists of international standing providing a cutting edge perspective on these issues *Children Bill* Great Britain: Parliament: Joint Committee on Human Rights, 2004 The Committee's report examines the Children Bill as introduced into the Commons in July 2004 HCB 144 ISBN 0215704479 following Lords amendments In particular the report focuses on the parts of the Bill relating to the creation of the post of Children's Commissioner for England strengthening the legal framework of co operation between agencies delivering children's services as well as clause 49 of the Bill on the corporal punishment of children and the restriction of the defence of reasonable chastisement in light of the UK's obligations under the UN Convention on the Rights of the Child and the European Convention on Human Rights Conclusions reached include i support for the creation of an independent rights based office of Children's Commissioner and ii that the continuing availability of the defence of

reasonable chastisement is incompatible with the UK's obligations under the UN Convention and other international agreements
