One Goal ,2016 One Goal Beswick, Bill,2015-11-25 Written by Bill Beswick renowned performance psychologist and mental skills coach with a wealth of experience for elite teams including the English Premier League and high profile teams like Manchester United One Goal is the definitive guide to developing the mindset of a winning soccer team It offers proven methods for producing team cohesion flow and success **180 Days of Social-Emotional Learning for Sixth Grade ebook** Jennifer Edgerton,2021-08-02 An effective sixth grade workbook that provides daily social and emotional learning SEL activities to help students explore emotions actions relationships and decision making The daily activities connect to the CASEL competencies mindfulness and key affective education initiatives This SEL workbook makes at home learning whole class instruction or small group support quick and easy Help students build self awareness analyze relationships discover diverse perspectives and apply what they have learned with engaging lessons The use of fiction and nonfiction text allows for self reflection and growth Parents appreciate the teacher approved activity books that keep their child engaged and learning Great for homeschooling to reinforce learning at school and build connections between home and school Teachers rely on the daily practice workbooks to save them valuable time The ready to implement activities are perfect to introduce SEL topics for discussion One Goal Bill Beswick,2015 **Whirlwind** Aubrey Malone,2012-12-20 Jimmy Whirlwind White is Britain s best loved snooker player A one time ragamuffin straight out of the pages of Charles Dickens he has enthralled audiences worldwide for three decades with his electrifying brilliance winning ten world ranking events although heartbreakingly he has lost six Crucible World Championship finals In this in depth warts and all biography die hard fan Aubrey Malone examines White s background his illiteracy drinking and tempestuous relationship with his wife Maureen set against his incredible rise to the top in snooker s halcyon days of the 1980s There are tales of Jimmy using a walking stick to make a century break at his local snooker hall his battles with the twin demons of drink and the yips and how he nearly lost the world trophy despite never having won it But in the end it is White s obsession with winning and his astonishing ability on the baize often against all the odds that shines through *It Pays to Win on Offense* James Jordan,2015-05-27 Named to US Youth Soccer s Recommended Reading List in September 2015 and updated with ALL NEW GRAPHICS AND DIAGRAMS *It Pays to Win on Offense* is a book for soccer coaches who are looking for the most effective way to engage all of their players all of the time in order to teach them attacking soccer concepts The book provides an all encompassing Game based Soccer framework for instilling a relentless attacking mindset in players By combining educational theory and making everything a competition coaches can maximize their practice time and teach that attacking concepts are not just limited to certain players or limited to specific positions on the field Let s be honest there are a lot of soccer coaching books out there Why would you choose to read this one For parents of soccer players *It Pays to Win on Offense* gives you insight into what might motivate your own child at soccer practice While this is really a coaches book you may find it interesting to learn about

offensive principles of play and the guided discovery questions allow you to ask good questions about the defensive side of the game For players *It Pays to Win on Offense* allows you to see where your coach might be coming from when he or she is teaching you defensive concepts Each coach will have their own style of delivery but most if not all of the general concepts in this book will hold true Also if your learning style is more book oriented you will be able to gain deeper understanding of defense and defending on your own time so you will be more comfortable in practices and games having already been exposed to the ideas For inexperienced coaches *It Pays to Win on Offense* provides you with a very detailed easy to understand set of games that can be applied to ANY setting This is primarily why the book is organized by the number of big goals you have available ALL of the games and activities contained in this book have been field tested and they work Game based Soccer gives you a framework for practices that will transfer to match days Because GBS is by definition game oriented it allows you to observe your players more without feeling that you have to jump in and be a coach this is the number one mistake I see inexperienced coaches make spending too much time talking with the players standing around getting bored For coaches who have some experience *It Pays to Win on Offense* allows you to stay fresh and keep your players energized especially true when you have been coaching the same group of players for an extended period of time This framework may be useful as it challenges some schools of soccer thought with which you may be more familiar The package of activities questions and progressions can be used wholesale or picked apart depending on your comfort interest level For experienced coaches *It Pays to Win on Offense* provides you with some new perspectives and games with which to tweak your own coaching philosophy and practice implementation Some experienced coaches have told me that they use some of the games here as they hadn't come across them before Others have said that they really like the guided discovery questions because it gives them a new approach to try with their players Others still have told me that they started with one game in the book and then it morphed evolved into a different one This is what experienced coaches do they take something new and apply it to their own setting to get what they need from their players All in all I think anyone who has an interest in soccer specifically the offensive side of the game can get something from this book I hope you enjoy *It Pays to Win on Offense* and I welcome dialogue about Game based Soccer
