One More Shot Hometown Players:

One More Shot Victoria Denault, 2025-05-01 A spicy second chance hockey romance perfect for fans of Elle Kennedy
Drafted by the NHL at eighteen Jordan Garrison was headed for fame and there was only one person he wanted to share it with Jessie Caplan He was crazy in love with her and had finally told her so They shared an amazing night and then everything fell apart Jessie tries not to think about the night she gave herself to Jordan or how he broke her heart She tries not to think about it but she does Especially now when she s staring into his sky blue eyes for the first time in six years After so much time and torment she can t tell if she loves him or hates him But Jordan has learned enough to know a connection like theirs is rare He was lucky to find Jessie once No way will he lose her again On the Line Victoria Denault, 2016-09-06
He had total control of his game until she changed all the rules As one of the best players in the NHL and the golden boy of the league Avery Westwood knows he has to keep his cool on and off the ice His whole life is a carefully constructed image of perfection for the media and his brand sponsors Of course that means he can never let his true feelings show But when it comes to the sexy sister of his former teammate Avery might be willing to make an exception even if it means breaking all his own rules As far as Stephanie Deveau is concerned having a thing for Avery is the equivalent of psychological napalm Tres bad idea Then he moves in next door all sexy smiles and a deliciously hot body that she can t resist Something s happening between them it s intense a little a lot out of control and real Only Avery doesn t know everything about Stephanie s past And the one exception to his rule might just be the one girl who could destroy his career Crew Victoria Denault, 2025-05-19
Liv Garrison needs a shoulder to cry on I m giving her that and a whole lot more The media the fans my teammates my coaches all expect more from me than they do other hockey players That s what happens when you re Crew Westwood the son of hockey s beloved golden boy I was pretty good at handling the pressure until my wife blew up our marriage and I responded by almost blowing up my house Not my finest hour but I ve never been an emotionless robot like my twin brother Now I have it all under control I m happy with who I am and my single carefree life Until a trip to Vegas and the best one night stand of my life changes everything Turns out my sexy stranger is actually the cousin of my teammate and best friend Tate always told me Liv Garrison was the one who steered clear of all things hockey He said she was a shy innocent virgin Well not anymore If Tate finds out about my steamy night with Liv I m screwed But what has me even more terrified is that fact that I can t stop thinking about her She s the most beautiful authentic kind hilarious and accidentally sexy woman I ve ever met Liv s also got secrets she doesn t want to talk about just like me I can t fall in love again I m not cut out to handle that level of emotions I have to stay away my brain keeps sending that memo but my heart and the rest of my body refuse to listen Conner Victoria Denault, 2025-05-18
My name is Conner Garrison and I m a failure The men in my family are some of the most successful hockey players of all time and I m about to get dropped from the entire league How do I face them Avoiding my large well meaning but invasive family is how I end up face to face with my childhood crush at midnight And I

happen to be as naked as the day I was born Mackenzie Mac Larue is five years older than me gorgeous and about to become a doctor She s also dealing with a crushed ego thanks to a bad ex boyfriend Finally something I can fix I might not be able to save my career but I can help this incredible woman rebuild her confidence As a friend She sees me as a work project nothing else But the more time we spend together the more I start to believe that if I can earn back my career maybe I can earn her heart her too Game On Victoria Denault,2018-03-27 I don t break hearts I break headboards When it comes to scoring in the pro hockey league Alex Larue is crushing it with the hot puck bunnies He s the life of the party the guy with all the jokes and the one whose Party Guy mask keeps the real him well hidden The last thing he needs is anyone finding out about his troubled past or the nightmares that haunt him still Brie Bennett is less than impressed by Alex from the moment she meets him And even though he insists on volunteering at the charity she runs she doesn t trust him He s hiding something but so is she She s not just the rich privileged New York princess he thinks she is The animosity between them is undeniably addictive and as their worlds keep colliding it becomes supercharged with something else attraction But if they stop playing games and let each other in they both might lose Nash Victoria Denault,2025-05-19 She s gorgeous smart and the bane of my existence She s also my wife Tenley Garrison and I hate each other Sure she s a leggy blonde with a gorgeous smile and the bluest eyes I ve ever seen but she lives to push my buttons One night in Vegas I decide to push hers right back Biggest mistake of my life Somehow after too many margaritas and too many dares we wake up in the same bed with a hazy memory of a wedding chapel No surprise we both want an annulment Tenley is busy launching her career as a documentary filmmaker and I m busy with hockey playoffs Neither of us wants a partner we like let alone one we can t stand But when the media finds out Tenley s producers tell her they won t make her sports documentary unless we re in it together And my team makes it clear a divorce during playoffs is off the table So we re forced to shack up and fake a happy marriage When no one is looking we re pranking each other insulting each other and making each other squirm I refuse to turn down her ridiculous dares If I did Tenley would think she s won and I m Nash Westwood I never lose Except when the dares turn sexy sparks fly shocking us both Maybe there really is a fine line between love and hate But there s no way I m crossing that line with Tenley Garrison am I Oh crap The Final Move Victoria Denault,2015-12-08 Hockey legend Devin Garrison thought he blew his shot But his relationship with Callie Caplan just went into overtime Sexy rich and one of the biggest stars in the NHL Devin Garrison has always been the one who had it all That is until his marriage falls apart and he realizes he has to start over If he s honest there has only been one woman who ever really excited him Callie Caplan They shared a night that was hotter than the late summer sun but in an instant Callie was gone pretending it never happened Callie Caplan isn t the wild child people think she is It s true she s avoided relationships but only because she s seen how crazy love can be And her messy imperfect life is crazy enough without opening her heart to a man even one as picture perfect as Devin But when fate brings them back together just as they need each other most Devin is determined to convince Callie that what she s

feeling is real And this final play may be their chance at forever **Winning It All** Victoria Denault,2024-09-24 From the bestselling author of the San Francisco Thunder series a sexy romance between a determined hockey player and the woman he won't let get away As his team's enforcer on the ice Sebastian Deveau is America's favorite fighting Frenchman But he's just as likely to get into trouble off the ice especially when it comes to women Shayne Beckford is so over hockey It ruined her parents marriage It spoiled her brother's dreams And let's not even talk about her college boyfriend So when Sebastian Deveau walks into her brother's gym she has no idea who he is All she knows is that he's one gorgeous man with the sexiest accent she's ever heard And since she never has to see him again she lets him give her the best orgasm of her life right on top of the gym's dryer But Sebastian isn't going to let this one night stand get away so easily He fights for what he wants even if it takes fighting a little dirty **Making a Play** Victoria Denault,2015-09-08 He'll do whatever it takes to win on and off the ice Luc Richard is the hottest player in the NHL and it has nothing to do with hockey His racy relationship with his supermodel ex set the tabloids on fire but nearly put his career on ice To avoid being traded Luc agrees to take a break from the spotlight and from women and spend the off season at home in Silver Bay Maine It's the perfect plan until he reconnects with Rose Rose Caplan is tired of being shy sweet and safe She's ready for passion romance and Luc Having loved him longer than she can remember she's finally ready to prove she's not the same innocent little girl he once knew Off the ice Luc doesn't do games but this new Rose makes him feel like playing a little dirty If he's really got a shot at her heart then he's not just playing to win He's playing for keeps **Tate** Victoria Denault,2025-05-19 She's always been off limits but when she shows up with my baby it's a game changer I'm the only son of one of the best forwards in the history of hockey I play for a team on the brink of winning the Cup and I'm about to break one of my dad's league records Life is absolutely golden Until Mallory Echolls comes to my game in Los Angeles with a baby She says the little guy is mine and as soon as I see his green eyes and the dimple in his pudgy chin I know she's not lying The tragic twist He's not Mallory's baby An awful accident on the other side of the world took his birth mom and now I'm all he's got Well me and my ninety seven relatives once I find the guts to tell them Mallory offers to stay in L A and help with the baby until I can wrap my head and my life around him She's amazing with my son She always knows what to do and what to say and was she always this gorgeous Our families back home hate each other so just being friends with her was always a risk Now the stakes are higher than ever My son needs her And I can't stop the feelings I have from growing stronger I always take my shot on the ice but do I dare take this one Tate is a standalone single dad enemies to lovers hockey romance by award winning author Victoria Denault **Now or Never** Victoria Denault,2019-01-15 Get ready for all the feels in this sexy emotionally charged Library Journal romance about a bad boy hockey player who wants a second chance to win the heart of his high school crush All Winnie Braddock wants is a quiet place to be alone and time to heal her battered heart But the refuge she'd hoped for in her family's summer cottage is destroyed when she gets there to find Holden Hendricks literally camped out in the driveway He made her life hell when they

You miss 100 percent of the shots you never take. Holden knows that hockey saying all too well. After all, he could have gone pro if he hadn't messed up so much as a kid. But now he's desperate to prove he's changed for the better, especially to Winnie Braddock. But if anyone ever catches them together, she'll lose her job faster than any slapshot. Eli Casco is on the brink of having everything he ever wanted. He's finally been called up from the minor leagues to play on a championship team. And he just had the most mind-blowing night with the woman of his dreams. But now that he's an official Thunder player, Dixie is determined to keep her distance. None of the fame and fortune means anything to him without her to share it.
