so many years of serving the Lord and trusting His written Word      **The Little Sparrows** Al Lacy,Joanna Lacy,2008-12-24  
Kearney Cheyenne Rawlins Reno Sacramento San Francisco At each train station a few lucky orphans from the crowded streets of New York City receive the fulfillment of their dreams a home and family This orphan train is the vision of Charles Loring Brace founder of the Children s Aid Society who cannot bear to see innocent children abandoned in the overpopulated cities of the mid nineteenth century Yet it is not just the orphans whose lives need mending follow the train along and watch God s hand restore love and laughter to the right family at the right time      **Beloved Physician** Al Lacy,Joanna Lacy,2009-02-04 They say I do and only death shall part them Back from their honeymoon Dr Dane and Tharyn Logan eagerly assume the reins of the medical practice in a small Colorado mining community Dane s selfless heroism quickly earns him a fine reputation among the townsfolk But the hardship and danger of the West strike home when a band of renegade Utes captures Thayrn s dear friend Melinda Will hope survive after Melinda s friends and fianc have given her up for dead Story Behind the Book When the challenge of the Western frontier began luring men and women westward from the eastern northern southern and midwestern states in the mid nineteenth century they found a land that was beyond what they had imagined Wherever they settled from the wide Missouri River to the white foamed shores of the Pacific Ocean they clung to the hope of a bright new beginning for their lives Often their hopes were dashed by fierce opposition from the Indians who had inhabited the land long before them At times there was also struggle for survival against the hard winters and the loneliness of the vast frontier      *The Forbidden Hills* Al Lacy,Joanna Lacy,2010-04-21 Gold Glimmers and the Rush Is On An expedition led by George Custer in the 1870s confirms that the rumor of gold is true and now its glimmer beckons from the Black Hills of Dakota Territory And the rush is on in spite of the threat of war with the Indians No one seems to desire to strike it rich more than Jim Bannon a farmer who seeks Alyssa McGuire s hand in marriage Her father is the owner of the Bank of Cheyenne and refuses to let her marry below her class So Jim boldly departs his Wyoming farm in hot pursuit of the wealth that is his ticket to the love of his life But conflict between miners and Indians heats up and Jim returns home unsuccessful How will he ever make Alyssa his bride book two Dreams of Gold Trilogy When gold was discovered out West during the nineteenth century men rushed from all parts of the globe to stake their claims Fortunes were made and lost families uprooted and a continent shaped by men driven by dreams of gold end series header Gold Discovered in the Black Hills 1875 Jim Bannon is a young farmer a fine Christian man in love with Alyssa Rose McGuire the daughter of a wealthy banker in Cheyenne Her father Frank wants her to marry a Christian of course but a wealthy Christian So when the Black Hills of the Dakota Territory and Sioux country are opened for gold prospecting Jim stakes a claim hoping to strike it rich enough to win Alyssa s hand with her father s approval Thousands of people converge on the Black Hills seeking gold for everything from medical bills to oil investments Jim realizes he s in a mission field among the prospectors and even the Sioux Indians But will he ever find enough gold to satisfy Frank McGuire and marry his beloved Alyssa Rose Story Behind the Book

We read books on the history of North America and found ourselves captivated with the three big gold rushes in the nineteenth century the California Gold Rush of 1849 the Dakota Territory Black Hills Gold Rush of 1874 and the Yukon Gold Rush in Canada of 1896 Some gold seekers embraced success delight and happiness but others faced failure tragedy and sorrow In the Dreams of Gold series we captivate our readers imaginations as well as touch their hearts with both types of results in the gold seekers experiences good and bad Al and JoAnna Lacy **Cherokee Rose** Al Lacy,Joanna

Lacy,2009-09-16 The Brutal Road West It s late summer 1838 President Martin Van Buren issues an order that the fifteen thousand Cherokee Indians living in the Smoky Mountains of North Carolina are to be evicted from their homeland Forced to migrate to Indian Territory the Cherokees begin their tragic one thousand mile journey westward Most of the seven thousand soldiers escorting them along the way are brutally cruel But Cherokee Rose an eighteen year old Indian girl finds one soldier Lieutenant Britt Claiborne willing to stand up for them Both Christians Cherokee Rose discovers that Britt is also a quarter Cherokee himself It s upon the Trail of Tears that they fall in love dreaming of one day marrying and finding a place to call home together They found each other in the midst of tragedy But is their love enough to keep them together Cherokee Rose has endured more than any eighteen year old girl should Though accepted by her tribe being both mixed blood and a Christian set her apart Then fifteen thousand Cherokee Indians are evicted from their homes in the Smoky Mountains of North Carolina Broken and angry Cherokee Rose joins her people on the thousand mile trek westward to Indian Territory The journey holds many trials not the least of which is the cruelty of the soldiers escorting them But Cherokee Rose is determined these men will not break her Lieutenant Britt Claiborne is devoted to serving his country but he detests the way his fellow soldiers treat the Indians He not only refuses to join in but does all he can to stop the abuse To the soldiers he is a traitor To those he helps a champion But Britt knows he s only doing what he must not just because he s a Christian but for a reason he s reluctant to reveal Thrown together in the face of brutality these two find themselves falling in love They dream of marrying and finding a place to call home But can their love survive the Trail of Tears Cherokee Rose is a good story and a great way to learn about a historical event we would rather sweep under the rug Lauraine Snelling bestselling author of Amethyst Story Behind the Book Long captivated with the study of American history Al and JoAnna Lacy eagerly researched the time in the 1800s when the five civilized tribes were forced by the U S government to make a one thousand mile journey to Indian Territory now the state of Oklahoma The tribes were the Cherokee the Chickasaw the Choctaw the Creek and the Seminole Repeatedly forced to surrender their lands the people of the Cherokee Nation as well as those of the other four tribes were hoping to find in Indian Territory a place to call home **The Golden Stairs** Al Lacy,Joanna Lacy,2010-05-12 Climb to Unexpected Treasures News that gold has been discovered in Canada s Yukon Territory is rapidly spreading through the United States and its territories And the route that gets you there from Alaska is the Golden Stairs In the spring of 1898 nineteen year old Livia Bray and her mother Martha set out to find their missing father and husband Weldon who left six
