Online Between Men English Literature Homosocial

Anne Greenfield

Online Between Men English Literature Homosocial:

The Rise and Fall of Rape on the English Stage Anne Greenfield, 2024-08-19 This book examines one of the most pervasive and successful dramatic tropes of the Restoration and early eighteenth century sexual violence During this sixty year span there were over fifty tragic and tragi comedic productions that showcased rape and or attempted rape a remarkable number that was unprecedented in English dramatic history Rape was not merely depicted more frequently during the Restoration but it was also placed at the center of more plots given more pathetic emphasis and even staged more centrally Restoration dramatists were the first to revolve routinely entire plots around the rapes of their innocent heroines to give powerful voices to these heroines post rape and to imbue their sexually violent scenes with new and attention getting staging techniques such as discovery scenes As this book argues sexual violence emerged at this time as a highly flexible dramatic trope that could be used to illustrate terrifying political scenarios elicit extreme pathos in audiences and demonstrate the bearing that lost chastity had on social stability It is precisely the rich multi faceted appeal of these productions politically sexually visually and culturally that explains the popularity and significance of this dramatic trope on the English stage This book will be of interest to students and scholars in Restoration eighteenth century studies and theatre and performance studies

Online Child Sexual Victimization May-Chahal, Corinne, Kelly, Emma, 2020-03-25 Focusing on online facilitated child sexual abuse this book takes a rigorous approach to existing literature to address some of the most pressing public and policy questions surrounding the evolution of online child sexual abuse The authors provide an unparalleled examination of which children are most vulnerable to this type of abuse how their vulnerability is made what they are vulnerable to and how resilience both human and technical can be promoted They also consider the changing nature of child sexual abuse in the digital age and the consequences of this for victims and survivors as well as for practitioners and policymakers working in prevention and response

The Ashgate Research Companion to Henry Purcell Dr Rebecca Herissone, 2013-01-28 The Ashgate Research Companion to Henry Purcell provides a comprehensive and authoritative review of current research into Purcell and the environment of Restoration music with contributions from leading experts in the field Seen from the perspective of modern interdisciplinary approaches to scholarship the companion allows the reader to develop a rounded view of the environment in which Purcell lived the people with whom he worked the social conditions that influenced his activities and the ways in which the modern perception of him has been affected by reception of his music after his death In this sense the contributions do not privilege the individual over the environment rather they use the modern reader's familiarity with Purcell's music as a gateway into the broader Restoration world

Fan Fiction and Fan Communities in the Age of the Internet Karen Hellekson, Kristina Busse, 2014-09-17 Fans have been responding to literary works since the days of Homer's *Odyssey* and Euripides' *Medea* More recently a number of science fiction fantasy media and game works have found devoted fan followings The advent of the Internet has brought these groups from

relatively limited face to face enterprises to easily accessible global communities within which fan texts proliferate and are widely read and even more widely commented upon New interactions between readers and writers of fan texts are possible in these new virtual communities From Star Trek to Harry Potter the essays in this volume explore the world of fan fiction its purposes how it is created how the fan experiences it Grouped by subject matter essays cover topics such as genre intersection sexual relationships between characters character construction through narrative and the role of the beta reader in online communities The work also discusses the terminology used by creators of fan artifacts and comments on the effects of technological advancements on fan communities Instructors considering this book for use in a course may request an examination copy here

Where the Boys Are Frances Gateward, Murray Pomerance, 2005-01-18 Using the most current and diverse critical methods Where the Boys Are is a crucial resource for film scholars and students at any level and is the perfect companion to Gateward and Pomerance's Sugar Spice and Everything Nice Cinemas of Girlhood Wayne State University Press 2002

Masculinity and Its Challenges in India Rohit K. Dasgupta, K. Moti Gokulsing, 2014-01-03 This volume of new interdisciplinary essays provides insights into the emerging field of masculinities and the challenges it poses to the Indian male Masculinities research has evolved considerably and demonstrates that men are not an homogenous group but are instead diverse there are many masculinities Manliness can no longer be studied from just a North American or European perspective but from those of every part of the world Covering an array of topics such as the construction of identity and the negotiation of power and sexuality these essays aim to show how masculinities are experienced and embodied within India

Being Ugly Monica Carol Miller, 2017-05-08 In the South one notion of being ugly implies inappropriate or coarse behavior that transgresses social norms of courtesy While popular stereotypes of the region often highlight southern belles as the epitome of feminine power women writers from the South frequently stray from this convention and invest their fiction with female protagonists described as ugly or chastised for behaving that way Through this divergence ugly can be a force for challenging the strictures of normative southern gender roles and marriage economies In Being Ugly Southern Women Writers and Social Rebellion Monica Carol Miller reveals how authors from Margaret Mitchell to Monique Truong employ ugly characters to upend the expectations of patriarchy and open up more possibilities for southern female identity Previous scholarship often conflates ugliness with such categories as the grotesque plain or abject but Miller disassociates these negative descriptors from a group of characters created by southern women writers Focusing on how such characters appear prone to rebellious and socially inappropriate behavior Miller argues that ugliness subverts assumptions about gender by identifying those who are unsuitable for the expected roles of marriage and motherhood As opposed to familiar courtship and marriage plots Miller locates in fiction by southern women writers an alternative genealogy the ugly plot This narrative tradition highlights female characters whose rebellion offers a space for reimagining alternative lives and households in opposition to the status quo Reading works by canonical writers like Zora Neale

Hurston Flannery O Connor and Eudora Welty along with recent texts by contemporary authors like Helen Ellis Lee Smith and Jesmyn Ward *Being Ugly* offers an important new perspective on how southern women writers confront regressive ideologies that insist upon limited roles for women

The Oxford Handbook of Theology, Sexuality, and Gender Adrian Thatcher, 2015 The Oxford Handbook of Theology Sexuality and Gender presents an unrivalled overview of the theological study of sexuality and gender These topics are not merely contentious and pervasive they have escalated in importance within theology Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each Featuring 41 newly commissioned essays written by some of the foremost scholars in the discipline this authoritative collection presents and develops the latest thinking in these areas Divided into eight thematic sections the Handbook explores methodological approaches contributions from neighbouring disciplines sexuality and gender in the Bible and in the Christian tradition controversies within the churches and within four of the non Christian faiths and key concepts and issues The final extended section considers theology in relation to married people and families gay and lesbian people bisexual people intersex and transgender people disabled people and to friends This volume is an essential reference for students and scholars which will also stimulate further research

The Big Smallness Michelle Ann Abate, 2016-02-12 This book is the first full length critical study to explore the rapidly growing cadre of amateur authored independently published and niche market picture books that have been released during the opening decades of the twenty first century Emerging from a powerful combination of the ease and affordability of desktop publishing software the promotional marketing and distribution possibilities allowed by the Internet and the tremendous national divisiveness over contentious socio political issues these texts embody a shift in how narratives for young people are being creatively conceived materially constructed and socially consumed in the United States Abate explores how titles such as *My Parents Open Carry* about gun laws *It's Just a Plant* about marijuana policy and *My Beautiful Mommy* about the plastic surgery industry occupy important battle stations in ongoing partisan conflicts while they are simultaneously changing the landscape of American children's literature The book demonstrates how texts like *Little Zizi* and *Me Tarzan You Jane* mark the advent of not simply a new commercial strategy in texts for young readers they embody a paradigm shift in the way that narratives are being conceived constructed and consumed Niche market picture books can be seen as a telling barometer about public perceptions concerning children and the social construction of childhood as well as the function of narratives for young readers in the twenty first century At the same time these texts reveal compelling new insights about the complex interaction among American print culture children's reading practices and consumer capitalism Amateur authored self published and specialty subject titles reveal the way in which children's childhood and children's literature are both highly political and heavily politicized in the United States The book will be of interest to scholars and students in the fields of American Studies children's literature childhood studies popular culture political science microeconomics psychology advertising book history education

and gender studies Home Movies Claire Jenkins, 2015-04-06 The American family has long been at the centre of the typical Hollywood narrative But the depiction of the nuclear family within contemporary mainstream US cinema has not yet been closely studied Home Movies addresses this oversight by assessing recent cinematic representations of the family in terms of cultural politics and representations of gender sexuality race and class Focusing on a diverse range of popular films from Meet the Parents to The Incredibles Claire Jenkins analyses the father daughter relationship within sequels and series Meryl Streep's embodiment of the mother the superhero family and extraordinary manifestations of the ordinary family disaster films which depict the president as father mom coms and Hollywood's representations of the non traditional family She combines film studies gender studies and family history to demonstrate the complexities of Hollywood's family values

A Companion to Translation Studies Sandra Bermann, Catherine Porter, 2014-01-22 This companion offers a wide ranging introduction to the rapidly expanding field of translation studies bringing together some of the best recent scholarship to present its most important current themes Features new work from well known scholars Includes a broad range of geo linguistic and theoretical perspectives Offers an up to date overview of an expanding field A thorough introduction to translation studies for both undergraduates and graduates Multi disciplinary relevance for students with diverse career goals

Sherlock Holmes for the 21st Century Lynnette Porter, 2012-08-08 The 21st century is a good time to be Sherlock Holmes He stars in the Guy Ritchie films with Robert Downey Jr an internationally popular BBC television series featuring Benedict Cumberbatch a novel sanctioned by the Arthur Conan Doyle Estate and dozens of additional novels and short stories including two by Neil Gaiman Add to this the videogames comic books and fan created works plus a potent Internet and social media presence Holmes London has become a prime destination for cinematic tourists The evidence is clearly laid out in this collection of 14 new essays Holmes and Watson are more popular than ever The detective has been portrayed as hero and antihero He's tech savvy and scientifically detached even psychologically aberrant He has been romantically linked to The Woman and bromantically to Watson Whether Victorian or modern he continues to fascinate These essays explain why he is destined to be with us for years to come Instructors considering this book for use in a course may request an examination copy here

Governance of Life in Chinese Moral Experience Everett Zhang, Arthur Kleinman, Weiming Tu, 2010-12-20 China has experienced a tremendous turn around over the past three decades from the ethos of sacrificing life to the emergent appeal for valuing life This book takes an interdisciplinary look at China during these decades of transformation through the defining theme of governance of life With an emphasis on how to achieve an adequate life the contributors integrate a whole range of life related domains including the death of Sun Zhigang the peril caused by rising tobacco consumption the emerging suicide intervention the turning points in the fight against AIDS the intensely evolving birth policy the emerging biological citizenship and so on In doing so they explore how biological life has been governed differently to enhance the wellbeing of the population instead of promoting ideological goals This change dubbed

the deepening in governmentality is one of the most important driving forces for China's rise and will have huge bearings on how the Chinese will achieve an adequate life in the 21st century This book presents works by a number of internationally known scholars and will be of interest to students and scholars of anthropology sociology political science history Chinese philosophy law and public health New Masculinities in Contemporary German Literature Frauke Matthes,2023-05-13 The complex nexus between masculinity and national identity has long troubled but also fascinated the German cultural imagination This has become apparent again since the fall of the Iron Curtain and the turn of the millennium when transnational developments have noticeably shaped Germany's self perception as a nation This book examines the social and political impact of transnationalism with reference to current discourses of masculinity in novels by five contemporary male German language authors Specifically it analyses how conceptions of the masculine interact with those of nationality ethnicity and otherness in the selected texts and assesses the new masculinities that result from those interactions Exploring how local discourses of masculinity become part of transnational contexts in contemporary writing the book moves a consideration of masculinities from a native into a transnational sphere **Masculinity in Male-Authored Fiction, 1950-2000** A. Ferrebe,2005-12-15 Tracing the influence of masculinity on fictional form and theme through an era of dizzying social change this timely new book conducts a close analysis of English novels selected for contrasting definitions of the male gender from the allegedly Angry Young Men to the contemporary confessions of Nick Hornby The literary period since 1950 is interpreted as one of intense political and stylistic negotiation by male authors with the gendered subject positions both of fictional characters and those who read about them **Contemporary British Musicals: 'Out of the Darkness'** Clare Chandler,Gus Gowland,2024-02-08 The shortest runs can have the longest legacies for too long scholarship surrounding British musical theatre has coalesced around the biggest names ignoring important works that have not had the critical engagement they deserve Through academic interrogation and industry insight this unique collection of essays recognizes these works shining a light on their creative achievements and legacies With each chapter focusing on a different significant musical a selection of shows spanning 2010s are analysed and the development and evolution of the genre is explored Touching on key hit shows such as SIX Matilda Everybody's Talking About Jamie The Grinning Man and Bend it Like Beckham each chapter discusses different theatrical elements from dramaturgy and musicology to reception and also includes an interview with a practitioner related to each musical providing in depth understanding and invaluable practical and industry knowledge Identifying the intersectionality between industry insight and academic analysis Contemporary British Musicals Out of the Darkness challenges the narrative that the British musical is dead creating a new historiography of the British musical that celebrates the work being created while providing a manifesto for the future Fanfiction as Queer Healing Alice M. Chapman-Kelly,2024-10-31 Exploring the phenomenon of Femslash fanfiction fan narratives that bring together heterosexual female characters from mainstream media and fiction this book analyses fan authored works as

forms of literature worthy of studying at length It examines the anti racist feminist sapphic fan works produced in response to white supremacist heteronormative queerbaiting mainstream fantasy and argues that they represent a significant site of queer healing for marginalised audience members Focusing on the Swan Queen fandom where fans pair the white trash heroine Emma Swan and the villainous Latina Evil Queen Regina Mills from ABC s hit show Once Upon a Time Alice Kelly redresses the widespread academic neglect of queer female fandoms and responds to urgent calls to diversify fan and fantasy scholarship With reference to complex theoretical subjects such as ethnography sociology psychology and decolonial queer film and media studies the book also delves into the alternative timescales on which queer female and genderqueer fan authorship runs offers intriguing insights into fanfiction narrative structures and tackles the issues of broader fandom representation and contextualization Making the case that fan texts deserve attention in the academy Kelly shows how some of the most prolific fan works have the ability to enact colour reparation and a reclamation of memory fantasy romance maternity childhood parenting and magic These fictions serve fan communities as a whole through intersectional challenges to the power dynamics of the source text and within the fandom itself and as the book demonstrates offer attendant validation to fantasy fans who have been repeatedly told that the genre is not for them

A Companion to Lesbian, Gay, Bisexual, Transgender, and Queer Studies George E. Haggerty, Molly McGarry, 2008-04-15 A Companion to Lesbian Gay Bisexual Transgender and Queer Studies is the first single volume survey of current discussions taking place in this rapidly developing area of study Recognizing the multidisciplinary nature of the field the editors gather new essays by an international team of established and emerging scholars Addresses the politics economics history and cultural impact of sexuality Engages the future of queer studies by asking what sexuality stands for what work it does and how it continues to structure discussions in various academic disciplines as well as contemporary politics

Routledge Handbook of Physical Cultural Studies Michael L. Silk, David L. Andrews, Holly Thorpe, 2017-02-10 Physical cultural studies PCS is a dynamic and rapidly developing field of study This handbook offers the first definitive account of the state of the art in PCS showcasing the latest research and methodological approaches It examines the boundaries preoccupations theories and politics of PCS drawing on transdisciplinary expertise from areas as diverse as sport studies sociology history cultural studies performance studies and anthropology Featuring chapters written by world leading scholars this handbook examines the most important themes and issues within PCS exploring the active body through the lens of class age gender sexuality race ethnicity disability medicine religion space and culture Each chapter provides an overview of the state of knowledge in a particular subject area while also considering possibilities for developing future research Representing a landmark contribution to physical cultural studies and allied fields the Routledge Handbook of Physical Cultural Studies is an essential text for any undergraduate or postgraduate course on physical culture sports studies leisure studies the sociology of sport the body or sport and social theory

Queer Theory and the Jewish Question Daniel Boyarin, Daniel Itzkovitz, Ann

Pellegrini, 2003-12-10 The essays in this volume boldly map the historically resonant intersections between Jewishness and queerness between homophobia and anti-Semitism and between queer theory and theorizations of Jewishness With important essays by such well known figures in queer and gender studies as Judith Butler Daniel Boyarin Marjorie Garber Michael Moon and Eve Sedgwick this book is not so much interested in revealing outing queer Jews as it is in exploring the complex social arrangements and processes through which modern Jewish and homosexual identities emerged as traces of each other during the last two hundred years
