*A Witchmas Carol* Amanda M. Lee, 2017-09-06 Christmas is here but the Winchester witches aren't exactly teeming with good cheer. Well, they are, but it's not the sort of Christmas cheer Aunt Tillie wants waiting for her under this year's tree. When Aunt Tillie finds out her great nieces want to separate for Christmas Day, forgoing the family's annual tradition, she decides to teach them a little lesson. Of course, since she's Aunt Tillie, her dose of retribution comes in the form of her favorite holiday Christmas stories. For Bay and Landon, that means they're shoved into *A Witchmas Carol*, one of Aunt Tillie's favorite tales. That should mean hugs and happiness, right? Yeah, try toil and trouble instead. Bay and Landon have to work their way through memories of the past, guilt over the present, and absolute terror when facing their future if they expect to come out the other side. To escape, they have to figure out exactly what Aunt Tillie wants, and she's got a few tricks up her sleeve. So it's that time of the year. Things are about to get merry and maybe a little messy for the Winchesters. There's no better time to hitch a ride on the mayhem sleigh.

*White Witchmas* Amanda M. Lee, 2023-11-04 Chestnuts are roasting, jingle bells are rocking. The halls are about to be decked. In other words, Christmas is about to hit Hemlock Cove Hard. There's just one little problem, or maybe two. Okay, there are three big problems plaguing Bay Winchester before she can enjoy the holidays. The first is that the warden who lost his job thanks to a prison break weeks before is determined to stalk Bay until she magically fixes his life. He keeps showing up in the oddest of places and making the sort of demands she can't fulfill. The second involves Aunt Tillie, who has decided to gift her nemesis Margaret Little a special spell rather than a lump of coal this holiday season. It involves her Christmas decorations taking on a life and voice of their own. The spell, however, isn't nearly as contained as it was supposed to be. When a body shows up at the local private school, that means it's one problem too many for Bay. And she doesn't know which problem to solve first. The headmistress of the school was involved in a convoluted affair with the father of one of her students. The list of suspects who wanted her dead was long and sundry, however. All Bay wants is to surprise her husband with a dog for Christmas and to eat her weight in cookies. She has to save the day first, though. Murder, mayhem, and mistletoe are on the menu. Death might not be far behind. Buckle up, because the Santa decorations are coming to town.

*The Christmas Witch* Carla Caruso, 2019-11-12 Misfiring spells. A gorgeous new boss. Looks like this Christmas will be magic. The festive season isn't Mina Rosso's favourite time of year. It reminds her that as a descendant of La Befana, Italy's Christmas witch, she's cursed to forever be unlucky in love. Her plan this Christmastime is to lie low, keeping her secret identity under wraps as usual, and do what comes naturally: spread goodwill. Unfortunately, the arrival of her boss's son, Jadon Eder, puts a spanner in the works. Fresh from working in Milan, Jadon's full of big-city arrogance and plans to overhaul the antique shop. Mina loves Pity; he's also sinfully attractive. Despite her best intentions, and even though he's human, a no-no in

the witchy world Mina finds herself falling for him Then she finds out some bad news Some of the spells she s sold online have backfired horribly While she s critical of the dark witches in her neighbourhood is she really the good witch she thinks she is A fresh funny story of love and the chaos and joy Christmas can bring from the ever popular Carla Caruso **Ghastly Bright** Juliann Whicker,2020-11-23 Witch Vs Mage The battle continues Once upon a time there was a gingerbread cottage in the middle of the woods The Big Bad Wolf had built it for his Wicked Witch a place where they could have their Happily Ever After But life isn t a fairy tale And there are no Happily Ever Afters for witches whose mother and aunt in law are coming for tea and procreational advice on Tuesday When Drake stands her up one time too many Penny runs away to Darkside and the games really begin Witch Vs Mage Winner takes all **The Witch's Christmas** Norman Bridwell,1986-10-01 Two children are surprised by the unique way their witch friend celebrates Christmas *A Witch For Mr. Winter* Deanna Chase,2021-12-18 Lily Paddington has a gift but to her it s more of a curse Three years ago she walked into her husband s dream and found out he d been lying to her for months Now she s divorced and doing whatever she can to make ends meet while raising her son on her own After being unlucky in love she has a hard time trusting anyone But when she finds herself stranded in a small town overnight with Chase Garland her walls start to crumble Chase Garland lost his wife in a traffic car accident over a year ago and has moved to Christmas Grove to start over He s content with his new job making magical edible chocolates at Love Potions and even though he s told himself he ll never love again there s a charming co worker he can t seem to stop thinking about After a night in a remote skiing town it s time for him to make a choice allow himself to open his heart or give in to the fear of losing in love again **Christmas Witch, the Gift of the Angels** Theresa Pelegano,2018-08-30 Jessica Winters is an awkward teen She always seems to be in the wrong place at the wrong time and bad things happen Bullied by other kids for her appearance she clings to the few friends she has Nick Claus has always been protective of Jessica Since she arrived on campus and Nick s archenemy started to pick on her Nick had her back There was something else that tied these two together They quickly discovered the reason they were at Breyerton Academy together may be more than just a coincidence When evil arrives at the school the truth is revealed Forget everything you think you know about Santa Claus this changes everything The wicked witch of Woodlands : a Christmas pantomine Alan Austin,19?? **We Witch You a Merry Christmas** Louisa West,2021 *The Witch Who Hated Christmas* Anne Knight,2010-01 **Christmas Witch** Katusha, **The Witch who Saved Christmas** Katie Penryn,2022-03-25 It s Christmas Eve but there s a hold on the delivery of Christmas gifts A vile and evil monster is scaring Santa s reindeers away from their job Time is of the essence if the world s children are to wake up happy on Christmas morning So once again Penzi Munro and her shapeshifting bodyguard Felix are called upon in the fight of good against evil Penzi s reluctant to get involved at first She wants to stay home and share in the French tradition of a midnight family dinner but Felix reminds her that a witch has to do what a witch has to do Of course Penzi accepts the task and does her best with the help of the High

Council of the Guild of White Witches This story was written in December 2016 to earn royalties to be donated to UNICEF for the children of Syria for a year It is not a who dunnit like the other stories in the series but is rather a tale of how to do it to a nasty monster Although part of the series it is a stand alone novella and is a story suitable for reading to or with children However the vocabulary is set at an adult level so children may need some simplification which leads to fun between parent and child at Christmastime
