**Pentecostal Insight in a Segregated US City** Frederick Klaitz, Michael Richbart, LaShekia Chatman, 2022-06-16 In Pentecostal Insight in a Segregated U S City Frederick Klaitz compares how members of one majority white and two African American churches in Buffalo New York receive knowledge from God about their own and others life circumstances In the Pentecostal Christian faith believers say that they acquire divinely inspired insights by developing a relationship with God But what makes these insights appear necessary This book offers a novel approach to this question arguing that the inspirations believers receive from God lead them to take critical stances on what they regard as ordinary understandings of space time care and personal value Using a shared Pentecostal language believers occupying different positions within racial class and gender formations reflect in divergent ways on God s designs In the process they engage critically with late liberal imaginaries of eventfulness and vitality to envision possibilities of life in a highly unequal society This text incorporates commentaries on Klaitz ethnography by LaShekia Chatman and Michael Richbart junior scholars who have also studied and been part of Pentecostal communities in Buffalo Religious Resistance to Neoliberalism Keri Day, 2016-04-29 Religious Resistance to Neoliberalism offers compelling and intersectional religious critiques of neoliberalism Neoliberalism is the normative rationality of contemporary global capitalism that orders people to live by the generalized principle of competition in all social spheres of life Keri Day asserts that neoliberalism and its moral orientations consequently breed radical distrust lovelessness disconnection and alienation within society She argues that engaging black feminist and womanist religious perspectives with Jewish and Christian discourses offers more robust critiques of a neoliberal economy Employing womanist and black feminist religious perspectives this book provides six theoretical theologically constructive arguments to challenge the moral fragmentation associated with global markets It strives to envision a pragmatic politics of hope **Gender Politics in Turkey and Russia** Gökten Huriye Dogangün, 2019-12-26 Both Russia and Turkey were pioneering examples of feminism in the early 20th Century when the Bolshevik and Republican states embraced an ideology of women s equality Yet now these countries have drifted towards authoritarianism and the concept of gender is being invoked to reinforce tradition nationalism and to oppose Western culture G kten Dogang n s book explores the relationship between the state and gender equality in Russia and Turkey covering the Bolshevik Revolution of 1917 and the Republican Revolution of 1923 and highlighting the very different gender climates that have emerged under the leaderships of Putin and Erdogan The research is based on analysis of legal documents statistical data and reports as well as in depth interviews with experts activists and public officials Dogang n identifies a climate of neo traditionalism in contemporary Russia and neo conservatism in contemporary Turkey and examines how Putin and Erdogan s ambitions to ensure political stability security and legitimacy are achieved by promoting commonly held family values grounded in religion and tradition The book reveals what it means to be a woman in Turkey and Russia today and covers key topics such as hostility towards feminism women s employment

domestic violence motherhood and abortion Dogang n provides the first comparative study that seeks to understand the escalation of patriarchy and the decline of democracy which is being witnessed across the world **Sociological Abstracts** Leo P. Chall,2001 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **Book Review Index - 2009 Cumulation** Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year The End of Religion Kathleen McPhillips,Naomi Goldenberg,2020-10-22 Feminist theory has enhanced and expanded the agency influence status and contributions of women throughout the globe However feminist critical analysis has not yet examined how the assumption that religion is natural timeless universal and omnipresent supports sexist and race based oppression This book proposes radical new thinking about religion in order to better comprehend and confront the systematic disempowerment of women and marginalized groups Utilising feminist and post colonial analysis of access equity and violence contributors draw on recent critical theory to collapse accepted boundaries between religion and secularity with the aim of understanding that religion is a technology of governance in its function meaning and history The volume includes case studies focusing on how the category of religion is deployed to perpetuate male hegemony and racist inequities in Australia Mexico the United States Britain and Canada This trenchant feminist critique and academic analysis will be of key interest to scholars and students of Religion Sociology Political Science and Gender Studies Remembering Conquest Nantawan B Lewis,2014-01-02 Remembering Conquest Feminist Womanist Perspectives on Religion Colonization and Sexual Violence addresses the issue of sexual violence against women from feminist and womanist theological perspectives Taken from proceedings of a panel discussion at the 1998 annual meeting of the American Academy of Religion this informative book offers sociologists clergy and women an examination of how negative stereotypes in society are derived from Christian perspectives and other religions Exploring abuse against Native American African American Filipino and Thai women Remembering Conquest will help you recognize the combination of issues that lead to violence against women Thorough and compelling this valuable book will urge you to advocate for change in how religious groups interpret women so that religion can provide a moral and ethical source of equality for women instead of a social barrier This intelligent book will help you understand the changes that need to be made as you read about numerous atrocities including the history of violence experienced by American Indian

women during colonization and realizing that prior to this time sexual violence did not exist in American Indian societies how the United States colonization of Thailand is directly related to sexual violence today against women which is expressed in the form of the booming sex industry as well as the AIDS epidemic how poverty in the Philippines has made women and children second class citizens who must make the ultimate sacrifice and sell their bodies and their souls to survive

**Remembering Conquest** provides you with a unique religious perspective on the subject of violence against women to enlighten you as to how religion can unknowingly help or hinder a woman's healing You will discover how to assist religious communities in rediscovering new interpretations of their faith traditions and become a moral and ethical source of liberation for women such as holding perpetrators of abuse responsible for their actions and not insinuating that the abuse victim needs to be helped by religion in some way

**Compelling and Informative Remembering Conquest** provides you with ideas to help bring healing and power to women who are suffering injustices by reinterpreting faith traditions

**Making a Way Out of No Way** Monica A. Coleman, 2008-08-29 In her new book Monica A Coleman articulates the African American expression of making a way out of no way for today's context of globalization religious pluralism and sexual diversity Drawing on womanist religious scholarship and process thought Coleman describes the symbiotic relationship among God the ancestors and humanity that helps to change the world into the just society it ought to be **Making a Way Out of No Way** shows us a way of living for justice with God and proposes a communal theology that presents a dynamic way forward for black churches African traditional religions and grassroots organizations
