Critical Issues in Feminist Christology

ELISABETH SCHÜSSLER FIORENZA

Second Edition

H. J. O'CONNOR & SONS

Online Jesus Critical Feminist Christology Cornerstones

Lisa Isherwood

Online Jesus Critical Feminist Christology Cornerstones:

Jesus: Miriam's Child, Sophia's Prophet Elisabeth Schüssler Fiorenza, 2015-11-19 In *Jesus Miriam's Child Sophia's Prophet* Elisabeth Schüssler Fiorenza makes a unique contribution to two quite different discussions of Jesus the Christ On the one hand she looks at biblical christology from a critical feminist perspective in the tradition of liberation theology On the other she examines the feasibility of a feminine christology by considering such problems as Christian anti Judaism ideological justification of domination religious exclusivism and the formation of patriarchal identity Re imagining the Jesus movement in a feminist key transcends the boundaries set by history gender and doctrine By assessing various Jesus traditions and interpretations in terms of whether they can engender liberating visions for today Schüssler Fiorenza seeks to challenge and transform a Christianity dominated by masculinity and exclusivist theological frameworks so that it offers a vision of justice and well being for all the central image in which is the reign the coming world of God This Cornerstones edition features a new extended introduction which takes into account the developments in the field since the work was originally published in 1994

Reconstructing the Christ Symbol Maryanne Stevens, 2004-10-15 This book includes essays from a diverse group of female Biblical scholars who each bring a unique perspective to the idea of Jesus as a feminist

White Women's Christ and Black Women's Jesus Jacquelyn Grant, 1989 Christology is especially problematic for feminists Because Jesus was undeniably male and because the Christian church claims him as the unique God bearer feminist christology confronts the dual tasks of explaining the significance of a male God bearer for women and creating a christological model adequate to feminist experience Jacquelyn Grant rehearses the development and challenges of feminist christology and argues that because it has reflected the experience of White women predominantly it fails to speak to the concerns of non white and non western women In response to this failure Grant proposes a womanist theology and christology that emerge from and are adequate to the reality of contemporary Black women

Introducing Feminist Christologies Lisa Isherwood, 2002-03-01 This volume critically engages with the problems traditional Christology raises for feminist theology It also explores the creative engagements of feminist theologians with the person of Jesus

Quilting and Braiding Shannon Schrein, 1998 Drawing imagery from practices that have typically been a part of women's heritage quilting and braiding this work forms a footbridge between tradition and contemporary concerns bringing the study of christology into the lives of people today Quilting and Braiding explores the christologies of pivotal feminist theologians Sallie McFague and Elizabeth A Johnson and examines the impact of feminism on the entire field of theology

Jesus and the Politics of Interpretation Elisabeth Schüssler Fiorenza, 2000-01-01 *Jesus and the Politics of Interpretation* seeks to interrupt the rhetorics and politics of meaning which in the past decade have compelled the proliferation of popular and scholarly books and articles about the historical Jesus and which have turned Jesus into a commodity of neo capitalist western culture In this spirited book Elisabeth Schussler Fiorenza continues her argument begun in *Jesus Miriam's Child*

Sophia's Prophet Continuum 1995 now with a focus on the politics of Jesus scholarship It is no accident she maintains that scholars in the U S and Europe have rediscovered the historical Jesus at a time when feminist scholarship critical theory interreligious dialogue postcolonial criticism and liberation theologies have pointed to the interconnections between knowledge and power at work in positivistic scientific circles It is also no accident that such an explosion of Jesus books has taken place at a time when the media have discovered the angry white male syndrome that fuels neo fascist movements in Europe and the U S The answer to this commodification of Jesus is not a rejection of critical scholarship and Jesus research but a call for their investigation in terms of ideology critique and ethics By claiming to produce knowledge about the real Jesus Schussler Fiorenza points out malestream as well as feminist scholars deny the rhetoricity of their research and refuse to stand accountable for their reconstructive cultural models and theological interests Hence she calls for an ethics of interpretation that can explore such a scholarly politics of meaning rather than continue its ideological discourses on Jesus and Women that are fraught with both anti Judaism and anti feminism

Transformative Encounters Ingrid R Kitzberger, 2021-10-01 This composite post colonial and multi dimensional volume contains sixteen original essays by distinguished Jewish and Christian Scripture scholars on a wide range of perspectives on the relation between Jesus and women as portrayed in the New Testament Gospels as historically reconstructed in the context of Second Temple Judaism and of Mediterranean society as well as in present actualizations The contributions reflect the different social locations of interpreters from all continents and testify to the richness of methods employed in biblical interpretation at the end of the 20th century ranging from literary approaches narrative criticism reader response criticism intertextuality historical critical methods archaeology and social scientific interpretation to cultural studies and film theory By addressing new questions and searching for answers on untrodden paths the vital scholarship on Jesus and women will be reviewed enriched and challenged

Jesus and the Feminists? Margaret Elizabeth Köstenberger, 2008-10-17 This resource provides a detailed survey and critique of various feminist interpretations of Jesus and offers a biblical view of men and women in the church and home The feminist movement has affected every aspect of political and social America and Christians are becoming increasingly aware of how this movement has impacted the church The feminist movement has changed the way evangelicals view not only themselves but also the very Word of God Jesus and the Feminists begins by offering a brief survey of the feminist movement revealing the radical misunderstanding of Jesus that has resulted from this movement Köstenberger then critiques the relevant works of well known feminist scholars and the ways they interpret certain passages of Scripture related to Jesus and his approach to women This practical resource points the way to a better understanding of the biblical message regarding Jesus' stance toward women and offers both men and women a biblical view of their roles in the church and the home

Humanity Has Been a Holy Thing Ellen K. Wondra, 1994 This book explores the development of Christology by major white North American feminist theologians placing the Christologies of Rosemary Radford Ruether

Carter Heyward Patricia Wilson Kastner and Marjorie Suchocki within the context of their overall theologies Wondra further examines the meaning and importance of women's experience in feminist theology This work is self consciously located at the juncture of contemporary theology and contemporary feminist theory and uses a conversational method to examine proposals in Christology that are aspects of more comprehensive systematic feminist constructive theologies Contents Preface Introduction PART I THE FEMINIST CHRISTOLOGICAL PROBLEM Toward an Adequate Feminist Christology Methodology PART II THE RELATION OF WOMEN'S EXPERIENCE TO CHRISTOLOGY The Construction of Women's Experience in Feminist Theory and Theology Resistance and Transformation as Religious Experience The Relation of Women's Experience to Christology PART III TOWARD CONTEMPORARY FEMINIST CHRISTOLOGY The Paradigmatic and Prophetic Christ The Decisive Representation of Self Giving Love The Revelation of God to Us Christ Mutuality and Justice Wisdom Logos Christology in Feminist Perspective The Representation of Renaissance and Transformation Bibliography Index **Faith, Feminism, and the Christ** Patricia Wilson-Kastner,1983 *The Maleness of Jesus* Neil H. Williams,2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity's task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women

Towards a Feminist Christology Julie M. Hopkins,1995 *Towards a Feminist Christology* Julie M. Hopkins,1995 The Red Badge of Courage The Scarlet Letter Ethan Frome Adventures of Huckleberry Finn and The Turn of the Screw 5 vols

The Strength of Her Witness Johnson, Elizabeth A.,2016-06-08 The Gospel of John recounts the story of an encounter between Jesus and a Samaritan woman at the well After their conversation she goes out to tell her neighbors about the mysterious stranger and many of them believed on the strength of her witness These essays drawn from around the world reveal the many ways that women have reflected on and borne witness to the person teaching and praxis of Jesus Christ in light of their own varied contexts These contexts include their struggles for life amidst wrenching poverty racism and violence their experience of being female in male dominated structures in the church and society and their commitment to promote justice in view of the human dignity of women all done in tandem with their faith relationship with the living God

Three Jesus Certitudes Leonard J. Swidler,2018-07-25 The Jesus of the four Gospels and we have no knowledge of any other appears mainly as a healer and a teacher that is as a healer of the soul Three of the historically most certain facts about him were 1 his pacifism 2 his feminism and 3 that his women followers were the true founders of Christianity The proof of these astounding claims you will find in the book **Meeting God on the Cross** Arnfridur Gudmundsdottir,2010

Gudmundsdottir argues that a feminist theology of the cross serves a dual purpose in feminist Christology it discloses the

patriarchal distortion of traditional christology and can also reveal lost dimensions in the understanding of the person and work of Jesus Christ

Jesus Feminist Sarah Bessey, 2013-11-05 Written with poetic rhythm a prophetic voice and a deeply biblical foundation this loving yet fearless book urges today's church to move beyond man made restrictions and fully welcome women's diverse voices and experiences A freedom song for the church Sarah Bessey didn't ask for Jesus to come in and mess up all her ideas about a woman's place in the world and in the church But patriarchy she came to learn was not God's dream for humanity Bessey engages critically with Scripture in this gentle and provocative love letter to the Church Written with poetic rhythm a prophetic voice and a deeply biblical foundation this loving yet fearless book urges today's church to move beyond man made restrictions and fully welcome women's diverse voices and experiences It's at once a call to find freedom in the fullness hope glory and work of Christ and a very personal and moving story of how Jesus made a feminist out of her

Sex, Race, and God Susan Thistlethwaite, 2009-04-01 Sex Race and God is the impassioned manifesto of a white feminist's reckoning with the meaning of race including her own whiteness in doing theology We should be discussing and acting on many of Thistlethwaite's insights for quite some time She has made a vital contribution to the feminist theological enterprise and to the critical relationship between black and white women in it Carter Heyward Sex Race and God is a sincere attempt to listen to and learn from African American women a serious and largely successful effort to create a method that addresses differences rather than proposing wishful commonalities Many women of color will find it promising a basis for dialogue The Women's Review of Books This pivotal book illuminates a significant ongoing debate at the intersection of two fields contemporary theology and feminist studies Choice Thistlethwaite does what so few white feminists have done genuinely interact with and learn from the strong differences in experience and perspective between African American women and European American women The Other Side

Jesus Was a Feminist Leonard Swidler, 2007-10-17 The most up to date and comprehensive case for the feminist interpretation of Jesus and Christianity ever published The fruit of decades of research and commitment Swidler analyzes the role of women in each of the Gospels asserts that women were involved in the writing of 2

Jesus and Women Niamh Middleton, 2022-01-01 In Jesus and Women Niamh Middleton combines insights from evolutionary biology feminism and the MeToo movement to highlight the revolutionary attitude of Jesus towards women Her careful exegesis comparing the treatment and depiction of women in the Old and New Testaments illuminates the way forward for the treatment of women by Church and society More importantly however it holds the potential to greatly enrich our understanding of Jesus divinity Middleton's bold approach encourages Christian women to reclaim their religion as a tool for empowerment correcting the regressive course that Christianity has taken in this regard since Roman times She also cites the remarkable life and untimely death of Western heroine Diana Princess of Wales as an archetypal example of why Christianity must be reclaimed by its female members Above all she powerfully argues that while political feminism can tackle the symptoms of the perennial battle of the sexes only a revolution of grace can bring about a

full restoration of the harmony between the sexes described in Genesis

Embracing the Song of Appearance: An Emotional Symphony within **Online Jesus Critical Feminist Christology Cornerstones**

In a global used by displays and the ceaseless chatter of instantaneous conversation, the melodic beauty and mental symphony produced by the written term usually disappear into the background, eclipsed by the persistent sound and disturbances that permeate our lives. However, set within the pages of **Online Jesus Critical Feminist Christology Cornerstones** a wonderful literary value overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that fascinating masterpiece conducts readers on a mental trip, skillfully unraveling the hidden tunes and profound affect resonating within each carefully constructed phrase. Within the depths with this touching evaluation, we will explore the book is key harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
