### **Online Real Queer Orientation Identity Apparatus:**

**Real Queer?** David A. B. Murray, 2015-12-03 How do I prove I m gay This is the central question for many refugee claimants who are claiming asylum on the basis of sexual orientation persecution But what are the inherent challenges in obtaining this proof How is the system that assesses this predicated upon homonormative frameworks and nervous borders What is the impact of gender race and class What is an authentic sexual or gender identity and how can it be performed Real Queer is an ethnographic examination of the Canadian refugee apparatus analysing the social cultural political and affective dimensions of a legal and bureaucratic process predicated on separating the authentic from the bogus LGBT refugee Through interviews conversations and participant observation with various participants ranging from refugee claimants to their lawyers Refugee Protection Division staff and local support group workers it reveals the ways in which sexuality simultaneously disrupts and is folded into the nation state s dynamic modes of gate keeping citizenship and identity making and the uneven effects of these discourses and practices on this category of transnational migrants **Queer and Trans**

**African Mobilities** B Camminga, John Marnell, 2022-06-16 Winner ASR Best Africa Focused Edited Collection by the African Studies Review Recent years have seen increased scholarly and media interest in the cross border movements of LGBT persons particularly those seeking protection in the Global North While this has helped focus attention on the plight of individuals fleeing homophobic or transphobic persecution it has also reinvigorated racist tropes about the Global South In the case of Africa the expansion of anti LGBT laws and the prevalence of hetero patriarchal discourses are regularly cited as evidence of an inescapable savagery The figure of the LGBT refugee often portrayed as helplessly awaiting rescue reinforces colonial notions about the continent and its peoples Queer and Trans African Mobilities draws on diverse case studies from the length and breadth of Africa offering the first in depth investigation of LGBT migration on and from the continent The collection provides new insights into the drivers and impacts of displacement linked to sexual orientation or gender identity and challenges notions about why LGBT Africans move where they are going and what they experience along the way

**Sexualities, Transnationalism, and Globalisation** Yanqiu Rachel Zhou, Christina Sinding, Donald Goellnicht, 2021-05-05 This innovative book explores the dynamic and contested interactions including the mutually constitutive relationships among sexualities transnationalism and globalisation Bringing together contributors with a variety of disciplinary geographic and theoretical perspectives this text explores new theories and trends in sexuality research including lived experiences of sexuality in this rapidly globalising world changing relationships between sexualities transnationalism and globalisation interventions activism and policy responses to the global challenges of sexual health and relevant reflections on and implications for equity and social justice in the ongoing processes of contemporary globalisation It is comprised of three sections focusing on transnational sexualities transnational sexual politics and transnational sexual activism Sexualities Transnationalism and Globalisation will be of interest to students and scholars from a range of

**Defiant Bodies** Nikoli A. Attai, 2023-07-14 In the Anglophone Caribbean international queer human rights activists strategically located within and outside of the region have dominated interventions seeking to address issues affecting people across the region a trend that is premised on an idea that the Caribbean is extremely homophobic and transphobic resulting in violence and death for people who defy dominant sexual and gender boundaries Human rights activists continue to utilize international financial and political resources to influence these interventions and the region's engagement on issues of homophobia transphobia discrimination and the HIV AIDS epidemic This focus however elides the deeply complex nature of queerness across different spaces and places and fails to fully account for the nuances of queer sexual and gender politics and community making across the Caribbean *Defiant Bodies* Making Queer Community in the Anglophone Caribbean problematizes the neocolonial and homoimperial nature of queer human rights activism in four Anglophone Caribbean nations Barbados Guyana Jamaica and Trinidad and Tobago and thinks critically about the limits of human rights as a tool for seeking queer liberation It also offers critical insight into the ways that queer people negotiate resist and disrupt homophobia transphobia and discrimination by mobilizing on the ground and creating transgressive communities within the region

**Imagining LatinX Intimacies** Edward A. Chamberlain, 2020-08-07 *Imagining Latinx Intimacies* addresses the ways that artists and writers resist the social forces of colonialism displacement and oppression through crafting incisive and inspiring responses to the problems that queer Latinx peoples encounter in both daily lives and representation such as art film poetry popular culture and stories Instead of keeping quiet queer Latinx artists and writers have spoken up as a way of challenging stereotypes prejudice and violence occurring in communities ranging from Puerto Rico to sites within the mainland United States as well as transnational flows of migration Such migrations are explored in several ways including the movement of queer people from Chile to the United States To address these matters artistic thinkers such as Gloria Anzaldúa Frances Negrón Muntaner and Rane Arroyo have challenged such socio political problems by imagining intimate social and intellectual spaces that resist the status quo like homophobic norms laws and policies that hurt families and communities Building on the intellectual thought of researchers such as Jorge Duany Adriana de Souza e Silva and Jos Esteban Muñoz this book explains how the imagined spaces of Latinx LGBTQ peoples are blueprints for addressing our tumultuous present and creating a better future
