Monogamy Tertullian, 2018-08-19 As for what pertains to antiquity what more ancient formal type can be brought forward than the very original fount of the human race One female did God fashion for the male culling one rib of his and of course one out of a plurality But moreover in the introductory speech which preceded the work itself He said It is not good for the man that he be alone let us make a help meet for him For He would have said helpers if He had destined him to have more wives than one He added too a law concerning the future if that is the words And two shall be made into one flesh not three nor more else they would be no more two if there were more were prophetically uttered The law stood firm In short the unity of marriage lasted to the very end in the case of the authors of our race not because there were no other women but because the reason why there were none was that the first fruits of the race might not be contaminated by a double marriage Otherwise had God so willed there could withal have been others at all events he might have taken from the abundance of his own daughters having no less an Eve taken out of his own bones and flesh if piety had allowed it to be done But where the first crime is found homicide inaugurated in fratricide no crime was so worthy of the second place as a double marriage For it makes no difference whether a man have had two wives singly or whether individuals taken at the same time have made two The number of the individuals conjoined and separate is the same Still God s institution after once for all suffering violence through Lamech remained firm to the very end of that race Second Lamech there arose none in the way of being husband to two wives What Scripture does not note it denies Other iniquities provoke the deluge iniquities once for all
