*The Monsters Know What They're Doing* Keith Ammann,2019-10-29 From the creator of the popular blog The Monsters Know What They're Doing comes a compilation of villainous battle plans for Dungeon Masters In the course of a Dungeons Dragons game a Dungeon Master has to make one decision after another in response to player behavior and the better the players the more unpredictable their behavior It's easy for even an experienced DM to get bogged down in on the spot decision making or to let combat devolve into a boring slugfest with enemies running directly at the player characters and biting bashing and slashing away In The Monsters Know What They're Doing Keith Ammann lightens the DM's burden by helping you understand your monsters abilities and develop battle plans before your fifth edition D D game session begins Just as soldiers don't whip out their field manuals for the first time when they're already under fire a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance fight and retreat Easy to read and apply The Monsters Know What They're Doing is essential reading for every DM
