April 2023

A NOTE FROM THE OFFICE:

Spring is here!

We have enjoyed so many fun and exciting celebrations in the past few months. There have been many birthdays, both staff and students, as well as holiday parties and parades.

As we look forward into the upcoming months, we are eagerly anticipating many more events to share!

our Spring Concert is only a few weeks away! The children are so excited to perform Seussical Jr. in front of a live audience for the first time in 4 years! We have been practicing every day so that we are ready to show all of you. School will close at 2pm on the day of the show so that we can get the theater ready. Our performance will begin at 5pm on May 17th. Tickets are \$18 each. We hope to see you all there!

We are also looking forward to the end of the academic school year. Graduation for our Pre-Elementary students will be on June 23rd. They have worked hard all year and we are so proud of all of their accomplishments!

Graduation day also signals the start of our summer program. This year we are taking a trip through time and plan to learn about many different eras and what activities made them unique.

It is hard to believe that this school year is already coming to a close, but we are sure going to make the most of these next few months.

"You're off to great places! Today is your day! Your mountain is waiting, so get on your way! - Dr. Seuss

Mrs. Dodd and Ms Melissa

UPCOMING DATES:

May 1-5: Teacher Appreciation Week

May 17: Spring Concert 5pm
School closes at 2pm

May 29: Memorial Day- NO SCHOOL

June 23: Graduation

June 26: Summer School starts

Montessori Angeline Stoll Lillard, 2017 Angeline Stoll Lillard here shows that science has finally caught up with Maria Montessori Lillard presents the research behind eight principles that provide the foundation for Montessori education and describes how each principle is applied in the Montessori classroom *Alternative Schools in British Columbia 1960-1975* Harley Rothstein, 2024-07-18 The tumultuous 1960s was an era of the counterculture political activism and resistance to authority Conventions and values were challenged and new approaches to education captured the imaginations of parents teachers and students Reacting against the one size fits all nature of the traditional public school system groups of parents and teachers in Canada and the United States established alternative schools or free schools based on the Progressive child centred philosophy of John Dewey and the Romantic ideas of Summerhill founder A S Neill In *Alternative Schools in British Columbia 1960 1975* Harley Rothstein tells the story of ten such schools that arose in the province of British Columbia Drawing on 350 self conducted interviews newspaper articles personal journals and school records Dr Rothstein invites readers to experience the early days of alternative schools He describes the educational philosophy curriculum and governance of these institutions and introduces readers to the people who were at the heart of alternative communities Tracing the evolution successes and challenges of each school he presents the day to day experience and brings to life the ethos of the 1960s era Historians educators and all curious readers will become immersed in this engaging account of a group of educational pioneers on Canada s west coast and how they inspired the liberalization of the public school system that would come in the 1970s *Resources in Education* ,2001 *Newsletters Directory* ,1987 *Diverse Families, Desirable Schools* Mira Debs, 2021-03-09 In *Diverse Families Desirable Schools* Mira Debs offers a richly detailed study of public Montessori schools which make up the largest group of progressive schools in the public sector As public Montessori schools expand rapidly as alternatives to traditional public schools the story of these schools Debs points out is a microcosm of the broader conflicts around public school choice Drawing on historical research interviews with public Montessori educators and ethnographic case studies Debs explores the forces that pull intentionally diverse progressive schools toward elitism At the heart of Debs s book is a thoughtful analysis of the notion of fit between parents and schools an idea that is central to school choice which is often marketed as an opportunity for parents to find the perfect fit for their kids By exploring parents varied motivations in choosing these schools and observing how families experience or fail to experience a good fit after having chosen a particular school Debs makes an original contribution to the literature on school choice and sheds light on the dilemmas entailed in maintaining diversity in progressive charter and magnet schools *Oxbridge Directory of Newsletters* ,2004 **Head Start Newsletter** Project Head Start (U.S.), 1967-06 **50 Fantastic Ideas for Children with EAL** Natasha Wood, 2019-01-10 The 50 Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0 5 Each activity features step by step guidance a list of

resources and a detailed explanation of the skills children will learn Creative simple and highly effective this series is a must have for every Early Years setting Every year an increasing number of children enter the Early Years setting either new to English or with English as an additional language EAL which can be daunting not just for the child but for the practitioner too How can Early Years practitioners ensure that the right support is in place for the child and themselves What practical ideas can be used successfully to enrich an EAL child s understanding of a new language while at the same time allowing that child to bond with their peers 50 Fantastic Ideas for Children with EAL is an invaluable resource to help integrate children with EAL into the classroom with fresh exciting and engaging activities that are easy to resource require little preparation and are fun to carry out The activities include simple speak and repeat games visual ideas to support learning new words and phrases and activities that evoke feelings of being at home allowing the children to feel welcomed and part of the school s diverse community Traditional games are also featured to help children with EAL play with their peers as well as feel that they can contribute to the learning of others Perfect for promoting inclusion and self esteem 50 Fantastic Ideas for Children with EAL is ideal for supporting children as they navigate the ups and downs of having English as an additional language

Newsletters in Print ,2002 **Bringing Montessori to America** Gerald L. Gutek,Patricia A. Gutek,2016-04 Bringing Montessori to America tells the little known story of the collaboration and clash between the indomitable educator Maria Montessori and the American publisher S S McClure over the launch of Montessori education in the United States

Educational Media and Technology Yearbook 2006 Robert Maribe Branch,Michael Orey,V. J. McClendon,2006-03-30 The 2006 volume of the 31 year old Educational Media and Technology Yearbook series continues the legacy of its predecessors It highlights the major trends of the previous year noting both renewed interest in multicultural perspectives and the ever growing interest in online learning It discusses advances in the school and library media worlds which continue to reel from budget cuts and hiring freezes It profiles two outstanding individuals Michael Molenda Associate Professor Instructional Systems Technology Indiana University Bloomington and Ron Oliver Foundation Professor of Interactive Multimedia Edith Cowan University Perth Western Australia It also identifies instructional technology related organizations and graduate programs in North America The book concludes with a mediagraphy of journals books ERIC documents journal articles and nonprint resources As a repository of so much valuable data and information it is quite simply a volume no self respecting media and technology professional should be without *Trauma-Informed Practice in Montessori Classrooms* Bernadette Phillips,Catriona O'Toole,Sinéad McGilloway,Stephen Phillips,2024-12-12 Trauma Informed Practice in Montessori Classrooms provides important historical and contemporary evidence of the potential for Montessori schools to act as healing environments for children and young people Drawing upon fascinating archival evidence and contemporary trauma theory it shows how authentic Montessori schools already have the infrastructure to promote and embed trauma informed practice TIP in their classrooms The book provides cutting edge interdisciplinary knowledge on trauma and

highlights its potential to negatively impact the emotional social and cognitive functioning of children and young people It explains clearly and precisely the principles of TIP and how historically these were woven into the fabric of the early Montessori schools resulting in their reputation as Case della Salute or Health Homes The book shows how this almost forgotten healing element of Montessori schools can be revived harnessed and promoted in ways that would benefit the overall health and well being of children and young people This timely book is highly informative hugely practical and reader friendly It includes features such as boxed chapter objectives learner outcomes vignettes chapter summaries and questions for group discussion It provides an invaluable guide for Montessori teachers and students for home educators using the Montessori approach and for non Montessori educators and parents **Simple Elegance** Daniel Lewis,2000-07-25 My idea for the front cover is I submit the sketch as an example for the cover I see the book as a journal and would like the cover to appear like a journal cover I thought the sketch might be used as a wrap around cover for the book either as is or with water color washes of the sky ocean beach and van or Perhaps the sketch would fit as a 4x6 or 2x3 insert on that journal cover

New Schools Exchange Newsletter New Schools Exchange, inc,1975 **International Handbook of Early Childhood Education** Marilyn Flier,Bert van Oers,2017-10-10 This international handbook gives a comprehensive overview of findings from longstanding and contemporary research theory and practices in early childhood education in the Northern and Southern hemispheres The first volume of the handbook addresses theory methodology and the research activities and research needs of particular regions The second volume examines in detail innovations and longstanding programs curriculum and assessment and conceptions and research into child family and communities The two volumes of this handbook address the current theory methodologies and research needs of specific countries and provide insight into existing global similarities in early childhood practices By paying special attention to what is happening in the larger world contexts the volumes provide a representative overview of early childhood education practices and research and redress the current North South imbalance of published work on the subject **The Conger Confabs Quarterly Newsletters,**
