Why Johnny Still Can't Read or Write or Understand Math Andrew Bernstein, 2022-08-23 Stephen King A piker no horror story is as harrowing as Andrew Bernstein s must read Why Johnny Still Can t Read or Write or Understand Math Bernstein tears the genteel cover off the educational system and reveals the truly shocking extent of the destruction that has been wrought by fashionable Leftist educational theories the con men quacks and psychopaths who have gained control of

American public education over the last few decades and the public educational system's addiction to taxpayer funding and the latest societal trends no matter how damaging they are to children. But Bernstein doesn't just leave us screaming; he also offers a practical, readily applicable program for taking back the educational system and saving our children from these lunatics. If you have children in school, this is essential reading. And even if you don't, but care about the future of society, you must not miss this all-important book. Robert Spencer, bestselling author of *The History of Jihad: Did Muhammad Exist?* and *The Critical Qur'an*, is coming out of the COVID-19 pandemic, parents across the nation grapple with a new and horrifying understanding of just how bad our educational system has become. It all adds up to a system that seems hopelessly terribly and irrevocably broken. But as an educator and author, Andrew Bernstein reminds us that American education in the nineteenth through early twentieth century was superb. This nation once knew how to turn out the brightest, most resourceful and independent thinking people the world had ever seen. We can do it again. *The Scottish Educational Journal*, 1924

The Montessori System Examined William Heard Kilpatrick, 2012-08-01. Unlike some other reproductions of classic texts: 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. *MONTESORI SYSTEM EXAMINED*
