Montserrat On My Mind Tales Of Montserrat:

Montserrat on My Mind Dorine O'Garro, 2004-04 Two thirds of Montserrat the author's homeland has been devastated by continuous eruptions of the Soufriere Hills volcanoes Montserrat is a small Island of the Leeward Islands of the Caribbean just forty square miles but it has seven active volcanoes In Montserrat on My Mind the author has included several stories of Montserrat before the eruptions and some during the crisis Some stories have a tint of mystery others a touch of Montserrat's humor but all generally tell tales of Montserrat with a Caribbean flavor There are three poems which relate to the volcano and the author's prayerful hope that Montserrat will rise again from the tons of magma that have buried so many of its picturesque villages including its capital the once thriving Plymouth The author's Village Kinsale exists no more Unfortunately Montserrat was almost anonymous before its volcanic eruptions Now it is an open laboratory for volcanologists a vacation haven for videographers and curiosity seekers They know Montserrat as a gray land drooping under the weight of pyroclastic flow but the author remembers it as The Emerald Isle of the Caribbean where the serrated mountains stood like green giants in the Caribbean scenery

Israel's Poetry of Resistance Hugh Page, 2013-08-01 Noting that Israel's earliest responses to earth shaking changes were cast in the powerfully expressive language of poetry Hugh R Page Jr argues that the careful collection and preservation of these traditions was an act of resistance a communal no to the forces of despair and a yes to the creative power of the Spirit Further Page argues the power of these poems to craft and shape a future for a people who had suffered acute displacement and marginalization offers a rich spiritual repertoire for Africana peoples today and for all who find themselves perennially outside the social or political mainstream
