Moonshiner Goes West:

Oregon Moonshine Mr. Bruce Haney, 2023-03-20 Moonshining is deep rooted in the history of Oregon In 1844 when it was still Oregon Territory one of the first moonshiners James Conner challenged a lawman to a duel for busting his illegal operation The McKenzie River Bandits had better luck hiding from the law and produced bootleg booze for nearly five years before their arrest It wouldn't be the last time they were caught Over the years outlaw moonshiners engaged in car chases shootouts and even attempted an assassination to protect their hidden distilleries and way of life Join author Bruce Haney as he chronicles the intoxicating history of Oregon Moonshine *Moonshiner Goes West* Edward E. Robbins, Flora J. Robbins, 2011 Moonshiner Goes West offers readers a chance to share in the experiences of a boy born in the early 1920s in the back hills of Virginia whose parents were moonshiners Starting at an early age he experiences trials heartache and death including the loss of his father He is forced to grow up fast and struggles to take care of his family Despite the challenges he has hope determination and the belief that he is meant to have a better life As a young man he hoboed on the rails to Idaho spends time in the penitentiary and serves in the army in World War II all of which help him see and experience more of the world He searches for meaning in life and finds that God truly exists This is a story of triumphs amid struggle and poverty For readers who hunger for something more this book captures the yearning to live a better life This is an eye opening deeply affecting story of a brave young man searching for meaning in a world filled with tragedies and contradictions Amazing inspiring and heartwarming it shows how a young man with faith and inspiration tackles the crises he faces **Moonshine Promises** John Van Rys, 2021-07-22 Traditional romantic comedies end with a wedding Not so in Moonshine Promises Instead this tale begins with an elopement as teenagers Evan and Mae run off to avoid a shotgun wedding a decision that initiates decades of marital adventures and misadventures Narrated from Evan's perspective these stories navigate his fears and loves as he makes his bewildered way through life And it's about everything furnishing that life from a teapot cottage in a jelly cupboard to a snow globe containing a horse drawn sleigh carrying a miniature family through a forest **The Edison Kinetogram**, 1913 **Spurrier with the Wildcats and Moonshiners** T. P. Crutcher, 1892 **Mississippi Moonshine Politics** Janice Branch Tracy, 2017-07-24 A Mississippi historian chronicles the rise and fall of The Magnolia State's moonshine empire in this revealing true crime history For most states the repeal of prohibition meant a return to legally drunken normalcy but not so in Mississippi The state had gone dry more than a decade before the rest of the nation In that time a lucrative black market for moonshine and bonded liquor became a way of life for many Mississippians By the time Prohibition was lifted bootleggers and state politicians were unwilling to give up their hold on the sale of alcohol For nearly sixty years Mississippi was known as the wettest dry state in the country Until statewide prohibition was finally repealed in 1966 illegal booze fueled a corrupt political machine that intimidated journalists who dared to speak against it and fixed juries that threatened its interests Author and native Mississippian Janice Branch Tracy offers an intimate and authoritative
