Moral Issues And Christian Responses:

Moral Issues and Christian Responses Patricia Beattie Jung, L. Shannon Jung, 2012-09-01 Previously published by Cengage Wadsworth this popular anthology for the study of Christian ethics has been a mainstay of undergraduate courses for nearly thirty years Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly yet diverse Christian moral perspectives The anthology intentionally seeks a range of voices to produce a kind of point counterpoint discussion of the ethical issue Among the classic issues considered are sexuality and reproductive rights prejudice biomedical ethics the environment immigration terrorism war and globalization New issues include development ethics personal finance and consumerism workplace ethics health care and citizenship

Discerning Ethics Hak Joon Lee, Tim Dearborn, 2020-02-25 The number of ethical issues that demand a response from Christians today is almost dizzying How can Christians navigate such matters With an unflinching yet irenic approach this volume invites engagement with the biggest ethical issues by drawing on real life experiences and offering a range of responses to some of the most challenging moral questions confronting the church today

Moral Issues and Christian Responses Patricia Beattie Jung, Shannon Jung, 2003 The intention in this book is to provide an introduction to contemporary moral issues an introduction that combines an overview of current events with Christian moral interpretations This text is for undergraduate courses in ethics moral problems church and society and comparative religious ethics The perspectives of both men and women of faith are represented Evangelical Roman Catholic Reformed Lutheran Radical Reformation and other Protestant church perspectives are included Pref

Moral Issues and Christian Response Paul T. Jersild, 1998 The sixth edition of MORAL ISSUES AND CHRISTIAN RESPONSE explores a variety of topics including sexuality economics consumptive life styles reproductive choice the environment and race This popular anthology is unique because it brings a decidedly Christian perspective to a discussion of many social and moral issues of the 1990 s

Sexual Ethics Stanley James Grenz, 1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God s grace to all

The Choice to Exceed Our Christian Education Dr. Clara J. Ushman, 2024-06-03 Christian education is a phrase that is extremely vast Here is a chance to discover Christian education such as its origins histories successes difficulties and continuing challenges The Choice to Exceed Our Christian Education is an adventure into the past present and future of Christian education Where did Christian education come from We travel back into a long ago history lesson How has it changed Has history repeated itself over time For better or for worse What is being done to ensure that Christian education will continue ten fifty or one hundred years

from now All these thought provoking questions and more inside **Christian Ethics in the Protestant Tradition** Waldo Beach,1988-01-01 With Christian Ethics in the Protestant Tradition Waldo Beach provides a basic introductory text on Christian ethics He has designed a challenging work that grapples with the ethical questions surrounding modern day problems from the perspective of Protestant theology and tradition His two part format is especially helpful for study

Faithfulness Gary Tyra,2015-04-15 In response to the moralism and relativism that characterize the present age Gary Tyra presents an evangelical ethic for everyday moral faithfulness arguing that Christians can have confidence in their Christ centered Spirit enabled ability to discern and do the will of God in any moral situation **A Textbook of Christian Ethics** Robin Gill,2006-01-01 A new updated third edition of the most successful and widely used textbook on Christian ethics

Debunking Bertrand Russel: A Christian Response Samuel James,Samuel Inbarjaa wuth ChatGPT, Bertrand Russell remains a towering figure in the annals of modern philosophy logic and critical thinking His contributions span multiple disciplines from mathematics to social advocacy Yet Russell is also well known for his vehement critique of religious beliefs most notably Christianity His work Why I Am Not a Christian stands as an emblem of his skepticism challenging the tenets of Christianity from a logical standpoint But what if Russell s skepticism was subject to its own critique What if his arguments against Christianity failed the very tests of logic coherence and ethical substance that he himself had set This book Debunking Bertrand Russell A Christian Response aims to unravel the multiple dimensions of Russell s skepticism towards Christianity and counter them from a Christian worldview The intention is not to diminish Russell s monumental contributions to human thought but to subject them to the kind of rigorous analysis that Russell himself advocated The Christian response to Russell s skepticism is not an endeavor to propagate dogma but an intellectual exercise in the search for truth Russell advocated for a worldview based on evidence and reason yet his own arguments against Christianity often falter in these very aspects This book seeks to hold Russell s critiques to account dissecting them on their logical merits moral implications and ontological assumptions Each chapter in this book will tackle a significant aspect of Russell s thought dissecting it and offering a counter argument from a Christian perspective From his most famous work Why I Am Not a Christian to his views on morality love and even his contributions to logic and mathematics no stone will be left unturned

Christianity and Ecological Theology E. M. Conradie,2006-10-01 There has been a proliferation of publications in the field of Christian ecological theology over the last three decades or so These include a number of recent edited volumes each covering a range of topics and consolidating many of the emerging insights in ecological theology The call for Christian churches to respond to the environmental crisis has been reiterated numerous times in this vast corpus of literature also in South Africa **Moral Discernment in the Christian Life** James M. Gustafson,Theodoor Adriaan Boer,Paul E.

Capetz,2007-01-01 James M Gustafson has been a leading and formative figure in the field of Christian ethics over the past

fifty years His many contributions to theological ethics have helped to define and shape ethical thinking by Christians who reflect on great moral issues Gustafson's work must be dealt with by all students in this discipline and his perceptive insights have given clarity and guidance to the process of moral discernment The essays collected here are ones that have had a significant impact on discussions and debates over recent decades The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field

Battleground: Religion Daniel L. Smith-Christopher, 2008-12-30 Is there a controversial issue in the contemporary world that does not involve religion Whether it's a debate over the beginning of life or on sexuality and family life or on the stewardship of humans over the environment almost all of the most contentious matters that impact today's society involve people's deeply held religious beliefs *Battleground Religion* helps clarify these complex topics by examining how various religious beliefs and practices impact current political social and cultural debates Each of the approximately 100 entries examines a hot button issue from war and peace to the culture wars and discusses in a balanced and objective way the points of view on these topics from all parts of the religious spectrum Students will come away from *Battleground Religion* with a better understanding of the issues that they will be encountering for years to come Each entry includes a bibliography or resources for further information
