More Philosophy of "Silver Birch" Silver Birch (Spirit),1979 *More Philosophy of Silver Birch* ,1979 **An Ordinary Life...?** Andrew Michael Doig,2017-09-04 Andrew's journey began with spiritual healing and led into visiting spiritualist centres in England Wales Scotland and Sweden His experiences sparked a desire to join various circles and experience literally hundreds of sances and hearing those addressed by those in spirit Since his first tentative steps into the world of spiritualism he has witnessed transfiguration physical mediumship and was involved in rescue work He has seen many mediums giving fine examples of mental mediumship and gained awareness of clairvoyance and clairsentience for himself Andrew has also had the wonderful adventure of having spirits use him for psychic art Equipped with his new knowledge Andrew now realises that events in his life have been symbolic and a sign that his spirit guide has been with him throughout his life He now wishes to share the same message of positivity and hope with others An Ordinary Life is an excellent introduction to spiritualism from a personal viewpoint and will provide encouragement for those who have been seeking deeper meaning in their own lives [The Third Path](#) Bud Carroll,2013-08-01 When I finished reading this book all I could say was WOW What a stunning piece of literary work It is concise brilliantly written backed by scientific findings with clear human logic and intelligence If this doesn't awaken the masses to delve into who and what they truly are I can't imagine what will Jerry Issa teacher of metaphysics Trenton Michigan This book will change your life if you let it If we are accidental beings on a remote planet in a vast universe existing for merely a blip in cosmic time what's the point of living at all Until we learn life is too significant to be a short lived brilliance that rises out of nothing and ends in nothing we will continue to live out our lives in what Thoreau saw as quiet desperation We sense the materialistic wall when we ask the question Is that all there is Without resorting to miracles or magic this book provides compelling evidence of life beyond the physical world by logically investigating the limitations of matter in the universe by examining the gaps in scientific theories and by analyzing what the mystics already know about a spiritual existence It takes a dedicated seeker with no preconceived ideas and no intent on arriving to see beyond the materialistic wall This book is intended to expand your awareness of life here and hereafter hopefully providing the spark that will start you on your own personal pilgrimage The mystics tell us we will be guided to the next step along our spiritual path when we are ready Are you ready AWARENESS The following might be the thoughts of those at different levels of awareness as they walk through a rose garden I want I wonder how much I could get for these roses I believe God created roses when He created the world and everything in it I doubt Roses evolved from wild flowering shrubs but most garden varieties are hybrids I seek How could anything as beautiful as a rose happen purely by chance I know Roses like all life on Earth are physical manifestations of spirit *The Routledge Companion to Death and Dying* Christopher Moreman,2017-05-18 Few issues apply universally to people as poignantly as death and dying All religions address concerns with death from the handling of human remains to defining death to suggesting what happens

religiosity The demonstration mediumship gives us that life is eternal that the spirit and the soul are immortal has the purpose of bringing us back to the authentic knowledge of God as Jesus already did But Jesus Christ s teaching has been lost in many of its aspects by churches and by theology themselves The teachings of Spiritualism lead us to understand why each form of mediumship is a sacred gift at God s service always whose purpose is not only to prove us that life is eternal but also to make us aware that everything is in communion with God we are all part of the infinite Spirit of God The book is available with English text and Italian translation *Occult/paranormal Bibliography* Thomas C.
