Moses A Plague Be Upon You Pharaoh Memnet Book 2:

Moses Trisha Lindsey, Ronin Schtihl Daire, 2005-01-31 Moses A Plague Be Upon You is the second book in the Pharaoh Memnet Series Re edited from its original format Book One Pharaoh Memnet introduced you to Memnet the son of Ramesses and Nefer tari joint Pharaohs of Egypt during the time of the Hebrew Exodus God s hand is upon the land read about this time from the view of the Egyptians and read the truth of what happened to Tutankhamen known to the world as King Tut Amazon 5 Star Review by All That Jazz Readers May 11 2014 I went back and read some of Genesis so I wouldn t get lost but it wasn t necessary she takes the words straight from scripture I like how close this family is The way she writes them you see them as people not just names in history books How hard it would be to come to our time from the past I loved how Pharaoh Memnet sucked the internet into his brain what a easy way to catch up Good Series good characters good writing once again

personal testimony scripture and the nature of God The author shows how seemingly trivial or isolated events combine with sad or challenging circumstances over a period of years or even decades to work together for good according to Romans 8 28 These same events may be key factors necessary for us to experience in order to fulfill the plans and purposes God has for nations or individuals as described in Jeremiah 29 11 The book addresses issues which are either unclear or unmentioned in the Bible These include the fate of infants or small children who die before having faith or being baptized what happens to friends relatives or others we love who may have gone through life without knowing Christ as their personal savior and entire populations who have never heard of Christ over many centuries The book identifies the unpardonable sin in a manner that removes all doubts and questions The book also confronts serious misinterpretation of scripture in what the author calls God's Greatest Truth or Satan's Greatest Deception Finally the author compares the Commentary on Habakkuk uncovered in the Dead Sea Scrolls to events in modern history showing that this prophecy of things which were destined for the last generation have been fulfilled Additionally he describes in detail another archeological discovery yet to be revealed which can be verified scientifically and will be incontrovertible proof to Jews and gentiles alike that God is real and Jesus is Lord and Savior
