Jones,2012-08-09 Too frequently believers give up on the possibility of understanding the Old Testament Distance from the culture ignorance of the literary forms and failure to see the structure of each book combine to create a daunting task in sorting out the content Without the ability to compass the content application becomes difficult Further too many people labor under the mistaken notion that the Old Testament is no longer relevant In reality it is impossible to truly understand and apply the New Testament correctly without a working knowledge of the Old Testament Every believer can be an active student of the Old Testament A Biblical-Theological Introduction to the Old Testament Miles V. Van Pelt,2016-05-31 The

Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ **A Catholic Introduction to the Bible** John Bergsma,Brant Pitre,2018-09-04

Although many Catholics are familiar with the four Gospels and other writings of the New Testament for most reading the Old Testament is like walking into a foreign land Who wrote these forty six books When were they written Why were they written What are we to make of their laws stories histories and prophecies Should the Old Testament be read by itself or in light of the New Testament John Bergsma and Brant Pitre offer readable in depth answers to these questions as they introduce each book of the Old Testament They not only examine the literature from a historical and cultural perspective but also interpret it theologically drawing on the New Testament and the faith of the Catholic Church Unique among introductions this volume places the Old Testament in its liturgical context showing how its passages are employed in the current Lectionary used at Mass Accessible to nonexperts this thorough and up to date introduction to the Old Testament can serve as an idea textbook for biblical studies Its unique approach along with its maps illustrations and other reference materials makes it a valuable resource for seminarians priests Scripture scholars theologians and catechists as well as anyone seeking a deeper understanding of the Bible *Zeitgeist: The Movie Exposed* Joel McDurmon,2008 *The Jethro*

Ministry J. Dale Roach, 2015-08-28 Exhaustion and burnout are nothing new It is not uncommon to hear of someone simply throwing in the towel and walking away from what looked like a good situation Why does this happen The answer to this question can be found in the advice that Jethro gave to Moses Regardless of our role and responsibility as a leader team member and church member the Creator never intended for any person to carry the load of life work or responsibilities by him or herself Jethro knew this One of the most interesting bits of advice that Jethro gave to Moses was when he told Moses If you continue to do this you will surely wear yourself and these people out Exodus 18:18 A major call of any good leader is to seek out the talents of those they are leading This search for talent was the advice of Jethro to Moses When we seek out the skills of other people it will not always be easy It will call us to take the time to find those who have untapped abilities and put them to work It will encourage us to pace ourselves as leaders and not become frustrated when it takes a little more time to find help Here is the key principle of The Jethro Ministry You cannot do it by yourself *The Throne Motif in the Book of Revelation* Laszlo Gallusz, 2013-12-05 This book argues that the throne motif constitutes the major interpretive key to the complex structure and theology of the book of Revelation In the first part of the book Gallusz examines the throne motif in the Old Testament Jewish literature and Graeco Roman sources He moves on to devote significant attention to the throne of God texts of Revelation and particularly to the analysis of the throne room vision chs 4-5 which is foundational for the development of the throne motif Gallusz reveals how Revelation utilizes the throne motif as the central principle for conveying a theological message since it appears as the focus of the author from the outset to the climax of the drama The book concludes with an investigation into the rhetorical impact of the motif and its contribution to the theology of Revelation Gallusz finally shows that the throne what it actually represents is of critical significance both to Revelation's theism and to God's dealing with the problem of evil in the course of human history Fire on the Mountain Discovery Guide Ray Vander Laan, 2015-09-15 Discover how God teaches the Israelites what it means to be part of a community that loves him and what that means for us today When the Israelites left Egypt they were finally free Free from persecution free from oppression and free to worship their God But with that freedom comes a new challenge learning how to live together the way God intends In this ninth volume of the That The World May Know series take a tour through the land of the Bible and discover how the land and culture of the Hebrew people shaped their story This discovery guide includes passages of Scripture explored in the DVD sold separately questions for discussion and personal reflection personal Bible studies to help you deepen your learning experience between sessions as well as sidebars maps photos and other study tools Lessons include The Lord Who Heals You Filmed at the Red Sea and Sinai Not By Bread Alone Filmed in Sinai Their Blood Cried Out Filmed at Serabit al Khadim The Mountain of God Filmed at Jebel Katarina I Led You Like a Bride Filmed at Jebel Katarina The Whisper of God Filmed at Jebel Katarina Designed for use with the Fire on the Mountain Video Study sold separately _____ THAT THE WORLD MAY KNOW Join renowned teacher and historian Ray Vander Laan as he guides you through the land of the Bible In each lesson
