Once Upon A Town The Miracle Of The North Platte Canteen:

Once Upon a Town Bob Greene, 2009-03-17 This New York Times bestseller shares the true story of a small Midwest town's hospitality to U S soldiers traveling to the battlefields of World War II In search of the best America there ever was award winning journalist Bob Greene finds it in Nebraska where he discovers the echoes of the most touching love story imaginable a love story between a country and its sons During World War II American soldiers from every city and walk of life rolled through North Platte Nebraska on troop trains en route to their ultimate destinations in Europe and the Pacific The tiny town wanting to offer the servicemen warmth and support transformed its modest railroad depot into the North Platte Canteen Every day of the year every day of the war the Canteen staffed and funded entirely by local volunteers was open from five a m until the last troop train of the day pulled away after midnight Astonishingly this remote plains community of only twelve zero people provided welcoming words friendship and baskets of food and treats to more than six million GIs by the time the war ended In this poignant and heartwarming eyewitness history based on interviews with North Platte residents and the soldiers who once passed through Bob Greene tells a classic lost in the mists of time American story of a grateful country honoring its brave and dedicated sons Bob Greene is a virtuoso of the things that bring journalism alive Tom Wolfe Lovely inspiring uplifting I was moved to tears and you will be too Ann Landers *The Canteen: A Story of Sacrifice, Courage, and Community* Eric Groce, 2022 Starting Christmas Day 1941 when transport trains on the Union Pacific Railroad stopped in North Platte to refill their water tanks the local families of North Platte Nebraska came together to provide love support food and morale to young soldiers involved in World War I The Living Church , 2002-06 **Nebraska Moments** Donald R. Hickey, Susan A. Wunder, John R. Wunder, 2007-01-01 An account of defining Nebraska moments including surviving the Oregon and Mormon trails completing the Union Pacific Railroad and winning national football championships Nobel and Pulitzer prizes and presidential nominations **North Platte's Keith Blackledge** Carol Lomicky, 2021-08-09 Popular culture glorified newspapers in the 1970s creating a kind of mythical community newspaperman like Keith Blackledge longtime editor of the North Platte Telegraph In his editorials and columns he praised scolded cajoled teased and encouraged readers He provided a civic connection while also mostly behind the scenes working to make the town better Blackledge's story resonates today because it's also about the evolution of newspapers The editor's career spanned a time when the industry was hit by a tsunami of change including shrinking circulations and advertising revenues as well as new technologies altering forever the way news is produced delivered and consumed Author Carol Lomicky chronicles the life of this remarkable newspaperman *America's Great Railroad Stations* Roger Straus, Hugh Van Dusen, Ed Breslin, 2011-11-01 An evocative and stunning photographic tribute to America's railroad stations For much of the nineteenth and early twentieth centuries the railroad station or depot was the communal hub of every American town that could boast of train service There citizens gathered before they sent loved ones off to college marriage or war and where they greeted them on their return

Most of these buildings were architectural gems and while many are still in service certain others now house museums banks restaurants and more In fact in cities like Washington D C and Philadelphia renovated stations are destinations unto themselves even for those not boarding the train And in other places whole sections of towns have been remade around these structures restoring their vitality in novel and interesting ways long after the last train has left the station In America's Great Railroad Stations award winning photographer Roger Straus III and two lifelong railroad buffs Ed Breslin and Hugh Van Dusen join forces to tell the astonishing story of these enduring structures and the important role they still play in the country's landscape Journeying from the Pennsylvania Railroad to the Union Pacific to Michigan Central and more readers will be dazzled by the Beaux Arts monuments of New York and the adobe buildings of the Southwest Filled with both new and archival photographs and drawings this volume is a glorious salute to the institution that transformed our nation **Hope**

and Fear in Margaret Chase Smith's America Gregory P. Gallant, 2014-09-24 Hope and Fear in Margaret Chase Smith's America A Continuous Tangle provides a fresh interpretation of the life career and legacy of former United States Senator Margaret Chase Smith the first woman elected to both houses of the U S Congress The book examines the critical connections made by Smith to key policymakers links that allowed her to overcome opposition and prejudice to gain access influence and power in Washington D C Highlighting the tangle of personalities and events in America from 1940 to 1972 the book focuses on Smith's courageous and often solitary efforts on behalf of women during the 1940s and her stand during the McCarthy era which earned her a national reputation for civility in public discourse It also examines her key interactions with the group of U S Senators who were elected with her in 1948 and their work to forge public policy in the aftermath of McCarthyism including domestic and international policy following Sputnik the creation of the Space Program civil rights Vietnam and Medicare Against these events and activities the book demonstrates the impact of the nation's commitment to anticommunism and nuclear weapons which allowed politicians like Margaret Chase Smith to embrace contradictory stances on political dissent military policy and the role of government in American society **America - The Last Best Hope**

happiest game in town In a warm affectionate true life tale New York Times bestselling author Bob Greene When We Get to Surf City Duty Once Upon a Town travels back to a place where when little more than a boy he had the grand good luck to find himself surrounded by a brotherhood and sisterhood of wayward misfits who on the mezzanine of a Midwestern building put out a daily newspaper that didn't even know it had already started to die In some American cities Greene writes famous journalists at mighty and world renowned papers changed the course of history with their reporting But at the Columbus Citizen Journal there was a willful rejection of grandeur these were overworked reporters and snazzy sportswriters nerve frazzled editors and insult spewing photographers who found pure joy in the fact that each morning they awakened to realize I get to go down to the paper again At least that is how it seemed in the eyes of the novice copyboy who saw romance in every grungy pastepot a symphony in the song of every creaking typewriter With current day developments in the American newspaper industry so grim and dreary Late Edition is a Valentine to an era that was gleefully cocky and seemingly free from care a wonderful story as bracing and welcome as the sound of a rolled up paper thumping onto the front stoop just after dawn

The Forgotten Generation Lisa L. Ossian, 2011-05-23 Two days after the attack on Pearl Harbor President Roosevelt addressed the nation by radio saying We are all in it all the way Every single man woman and child is a partner in the most tremendous undertaking of our American history So began a continuing theme of the World War II years the challenges of wartime would not be borne by adults alone Men women and children would all be involved in the work of war The struggles endured by American civilians during the Second World War are well documented but accounts of the war years have mostly deliberated on the grown ups sacrifices In *The Forgotten Generation American Children and World War II* Lisa L Ossian explores the war's full implications for the lives of children In thematic chapters the author delves into children's experiences of family school play work and home uncovering the range of effects the war had on youths of various ethnicities and backgrounds Since the larger U S culture so fervently supported the war effort adults rarely sheltered children from the realities of the war and the trials of life on the home front Children listened for news of battles over the radio labored in munitions factories and saved money for war bonds They watched enlisted men their fathers uncles and brothers leave for duty and worried about the safety of soldiers overseas They prayed during the D Day invasion mourned President Roosevelt's death and celebrated on V J Day all at an age when such sharp events are so difficult to understand Ossian draws from a multitude of sources including the writings of 1940s children to demonstrate the great extent of these young people's participation in the wartime culture World War II transformed a generation of youths as no other experience of the twentieth

century would but somehow the children at home during the war compressed between the Greatest Generation and the Baby Boomers slipped into the margins of U S history The Forgotten Generation American Children and World War II remembers these children and their engagement in the most tremendous undertaking that the war effort came to be By bringing the depth of those experiences to light Ossian makes a compelling contribution to the literature on American childhood and the research on this remarkable period of U S history *From the Garden Club* Charlotte Hogg,2006-11-01 A multidisciplinary study of rural women specifically how literary practices of older rural women lead to powerful work in their community

Colorado Women in World War II Gail M. Beaton,2020-08-24 Four months before the attack on Pearl Harbor on December 7 1941 Mildred McClellan Melville a member of the Denver Woman s Press Club predicted that war would come for the United States and that its long arm would reach into the lives of all Americans And reach it did Colorado women from every corner of the state enlisted in the military joined the workforce and volunteered on the home front As military women they served as nurses and in hundreds of noncombat positions In defense plants they riveted steel made bullets inspected bombs operated cranes and stored projectiles They hosted USO canteens nursed in civilian hospitals donated blood drove Red Cross vehicles and led scrap drives and they processed hundreds of thousands of forms and reports Whether or not they worked outside the home they wholeheartedly participated in a kaleidoscope of activities to support the war effort In *Colorado Women in World War II* Gail M Beaton interweaves nearly eighty oral histories including interviews historical studies newspaper accounts and organizational records and historical photographs many from the interviewees themselves to shed light on women s participation in the war exploring the dangers and triumphs they felt the nature of their work and the lasting ways in which the war influenced their lives Beaton offers a new perspective on World War II views from field hospitals small steel companies ammunition plants college classrooms and sugar beet fields giving a rare look at how the war profoundly transformed the women of this state and will be a compelling new resource for readers scholars and students interested in Colorado history and women s roles in World War II *Most Honorable Son* Gregg Jones,2024-07-23 The first comprehensive biography of unjustly forgotten war hero Ben Kuroki a Japanese American farm boy from Nebraska who flew fifty eight combat missions fighting the Axis powers during World War II and battled racism injustice and prejudice on the home front Ben Kuroki was a twenty four year old Japanese American farm boy whose heritage was never a problem in remote Nebraska until Pearl Harbor Among the millions of Americans who flocked to military stations to enlist Ben wanted to avenge the attack reclaim his family honor and prove his patriotism But as anti Japanese sentiment soared Ben had to fight to be allowed to fight for America And fight he did As a gunner on Army Air Forces bombers Ben flew fifty eight missions spanning three combat theaters Europe North America and the Pacific including the climactic B 29 firebombing campaign against Japan that culminated with the atomic bombing of Hiroshima and Nagasaki He flew some of the war s boldest and bloodiest air missions and lived to tell about it In between his tours in Europe and the Pacific he challenged FDR s shameful

incarceration of more than one hundred thousand people of Japanese ancestry in America and he would be credited by some with setting in motion the debate that reversed a grave national dishonor In the euphoric wake of America s victory the decorated war hero used his national platform to carry out what he called his fifty ninth mission urging his fellow Americans to do more to eliminate bigotry and racism at home Told in full for the first time and long overdue Ben s extraordinary story is a quintessentially American one of patriotism principle perseverance and courage It s about being in the vanguard of history the bonding of a band of brothers united in a just cause a timeless and unflinching account of racial bigotry and one man s transcendent sense of belonging in war in peace abroad and at home **When We Get to Surf City** Bob
