Judge Aaron Jaffe: Reforming Illinois Charles M. Barber,2016-03-19 Judge Aaron Jaffe Reforming Illinois is an oral history of Aaron Jaffes legislative judicial and executive branch careers It is also a story of how the author met Judge Jaffe and gained wisdom from a master politician operating in one of America s most notorious political battlegrounds As legislator Jaffe changed rape laws to reflect victims perspectives Though white he was recruited to the Black Caucus because of a better voting record than other legislators black or white As judge he presided over divorce laws he passed as legislator and in Chancery Court preserved the Auditorium Theatre for Roosevelt University As chair of the Illinois Gaming Board he kept Illinois from adding other episodes to its scandal ridden traditions In mutual appreciation Aaron Jaffe listened to stories of genuine characters in Illinois politics that defy the imagination of fiction writers Their hilarious foibles machinations and insights appear in this volume alongside Judge Jaffe s witty observations about humans as political animals

The Man with the Golden Arm Nelson Algren,2011-01-04 A novel of rare genius The Man with the Golden Arm describes the dissolution of a card dealing WWII veteran named Frankie Machine caught in the act of slowly cutting his own heart into wafer thin slices For Frankie a murder committed may be the least of his problems The literary critic Malcolm Cowley called The Man with the Golden Arm Algren s defense of the individual while Carl Sandburg wrote of its strange midnight dignity A literary tour de force here is a novel unlike any other one in which drug addiction poverty and human failure somehow suggest a defense of human dignity and a reason for hope

The Third City Larry Bennett,2024-05-31 Our traditional image of Chicago as a gritty metropolis

carved into ethnically defined enclaves where the game of machine politics overshadows its ends is such a powerful shaper of the city's identity that many of its closest observers fail to notice that a new Chicago has emerged over the past two decades. Larry Bennett here tackles some of our more commonly held ideas about the Windy City inherited from such icons as Theodore Dreiser, Carl Sandburg, Daniel Burnham, Robert Park, Sara Paretsky, and Mike Royko with the goal of better understanding Chicago as it is now: the third city. Bennett calls contemporary Chicago the third city to distinguish it from its two predecessors: the first city, a sprawling industrial center whose historical arc ran from the Civil War to the Great Depression; and the second city, the Rustbelt exemplar of the period from around 1950 to 1990. The third city features a dramatically revitalized urban core, a shifting population mix that includes new immigrant streams and a growing number of middle-class professionals working in new economy sectors. It is also a city utterly transformed by the top-to-bottom reconstruction of public housing, developments, and the ambitious provision of public works like Millennium Park. It is, according to Bennett, a work in progress spearheaded by Richard M. Daley, a self-consciously innovative mayor whose strategy of neighborhood revitalization and urban renewal is a prototype of city governance for the twenty-first century. The Third City ultimately contends that to understand Chicago under Daley's charge is to understand what metropolitan life across North America may well look like in the coming decades.

Chicago Portraits June Skinner Sawyers, 2012-03-31 The famous, the infamous, and the unjustly forgotten all receive their due in this biographical dictionary of the people who have made Chicago one of the world's great cities. Here are the life stories provided in short, entertaining capsules of Chicago's cultural giants as well as the industrialists, architects, and politicians who literally gave shape to the city: Jane Addams, Al Capone, Willie Dixon, Harriet Monroe, Louis Sullivan, Bill Veeck, Harold Washington, and new additions: Saul Bellow, Harry Caray, Del Close, Ann Landers, Walter Payton, Koko Taylor, and Studs Terkel. **Chicago Portraits** tells you why their names are inseparable from the city they called home.

The Word That Redescribes the World Walter Brueggemann, 2006-02-22 In the last several years, Walter Brueggemann's writings have directly addressed the situation of Christian communities in today's globalized context, with its consumerist lifestyles, vast inequalities, and near-imperial exercises of power. His insights, forged in rugged encounters with the texts of the Old Testament, are sharp, painful, and indispensable. In the people of Israel, Brueggemann finds a model of an alternative community anchored in YHWH, ever exploring new possibilities and prophetically bent against empire.
