**Number Woman** Hilary H. Carter, 2015-03-27 11 11 555 222 333 Have you noticed that repeated digits and number patterns keep appearing in your everyday life? Do you find yourself glancing at the clock at 3:33 or 4:44 and wonder what made you look at that exact time? Some people believe that these numbers are the angels talking to us, but if that is so, what are they trying to tell us? In a unique real-life experiment, yoga teacher Hilary Carter decided to use the numbers as signs and follow them to try and discover whether their appearance was just random or whether they did indeed carry hidden messages. In *Number Woman*, Hilary tells the story of part of her journey, demonstrating in a practical way how she uses the numbers to guide her, how she interprets signs and synchronicities, and how she finds the messages that are hidden within the numbers. Are number signs just random and coincidental? Read Hilary's incredible true story and decide for yourself.
