One Church Under God His Rule Over Your Ministry:

One Church Under God Tony Evans, 2014-07-17 The church has been established as that place where the values of eternity operate in history. It is a place where weary people can go to find truth, acceptance, freedom, forgiveness, and hope. Operating in the world while being a model for the world, it offers an alternative to the world God has so positioned and postured this unique body of Christ as a community of individuals spiritually linked together with the primary purpose of reflecting and legislating the values of His kingdom. In *One Church Under God*, Dr. Tony Evans explores the purpose, Person, presence, people, power, and proclamation of the church in order to equip believers to fully live out the great commission of Christ. This booklet is a part of the *Life under God* series, a 5-book series adapted from the 5 sections found in *The Kingdom Agenda*, the legacy work of Dr. Tony Evans. This booklet is based on the *One Church under God* section. *The Sacred Us* Justin Kendrick, 2022-09-06 For every person who has felt lonely or isolated, *The Sacred Us* explores a new way of living through the practice of biblical community. In a world that celebrates individuality and autonomy, too many of us struggle to form deep, meaningful relationships. Loneliness is the norm; rich friendships are rare, and the church is no exception. We long for real community but often don't know how to get there. What will it take to develop healthy friendships? The Bible gives us a compelling blueprint for community, but it must be built on more than shared interests or Sunday morning smiles. This book explores the substance of biblical community through seven principles: Proximity that provides opportunity, Vulnerability that creates connection, Discipleship that sets direction, Fun that amplifies grace, Mission that drives adventure, Sacrifice that matures love, and Boundaries that sustain growth. These principles seek to guide the reader beyond loneliness and isolation into a life of rootedness and connection. Revive Your Mainline Congregation Robert D. Schieler, 2010-04-01 Why are mainline churches in such dire straits? Schieler meets that it is because most churches are doing the same things in the same ways they were doing them 35 to 50 years ago, and a lack of change has caused declines in mainline churches. For example, the United Church of Christ has lost more than 700,000 members and more than 1,000 churches since 1965. Schieler delineates distinguishing characteristics of living versus dying churches and shares what needs to be done to turn churches around and how mainline churches are surviving in this current age. He also contends that there are some basic biblical theological understandings of the nature and mission of the church, many things that churches have ignored or rebelled against, and reviews the following areas: authority, which mission church devalues, worship, new discipleship, Christian education, pastoral congregational care, wider rotation, and building and property. **Leaves of Healing**, 1925 **The Works of T. Broadwater, 2008-10 When it comes to having a desire to see things change it is obvious that most Christians are ready for it The problem is that churches have tried every program available and yet they still feel that there is something missing from their ministry This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation by not realizing how desperately we need for God's Spirit to set us on fire Take a journey through the Bible and discover for yourself how God's fire is present when God is on the move Discover how God's fire reveals his character as well as our calling to be transformed into the image of Christ You will also discover how being one of God's Fire Starters can be one of the most exciting adventures of anyone's life Donald A Broadwater was born in Roanoke Virginia and spent most of his early life growing up around the Blue Ridge Mountains He graduated from Covenant College and Westminster Theological Seminary and for the past three decades Don and his family have been on an adventure that has taken them from America to Australia He is married to Gloria and has two grown children from their 37 year marriage God has unfolded a unique ministry of discipleship that has sought to encourage people to take their next step on a Journey in Jesus This ministry is needed because our journeys are as unique as God who is fashioning them for us He has also spoken for church camps and seminars which have included the international conference Fire on the Mountain on Mt Tambourine in Queensland Australia Contact him at www.journeyinjesus.com for additional information or for scheduling seminars for your ministry A Paraphrase on the New Testament, with Notes Doctrinal and Practical ...
