knows what we're missing by being so interruption avoidant In this very personal account of opportunities lost and lessons learned popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God even when He's going against your grain

The Elephant Gospel Deborah Ann Saint, 2017-01-16 The Gospel is more powerful more redeeming and greater than we live I have been deeper in sin than most like Paul the woman at the well and Peter after his denial I have missed God lived as an outcast sinner and denied God's presence and power in my life Yet God has shown me His New Covenant of hope the secret of hope I live by and love If you or someone you love has an ugly seemingly unforgivable past like mine you too can know by evidence from the Bible that you can be forgiven You can learn to live forgiven with a clear conscience The relief from all guilt and shame is a pivotal gift of the Gospel that we get the privilege of offering in turn to others Are you or someone you care about down trodden Forgotten Guilt ridden This book is for you If you've had an abortion if you're gender questioning if you've been abused or addicted it's for you It is for those society has given up on it's for the worst of us and the best of us It's for those who think they are good enough and not sinners All people everywhere can turn look at Christ's love receive His forgiveness and know His salvation He forgives murder His grace changes everything Uniquely conveying truths through a series of four elephant parables this book seeks to reveal the magnitude of what is at stake when we live true to the real Gospel and what happens when we understand and herald the Gospel in the power Christ entrusted to us May we use it for His glory to advance His kingdom for He came to save not condemn

Flourishing Together Lynn E. Swaner, Andy Wolfe, 2021-11-16 How do students educators and schools flourish together especially in an era of increasing pressure from standardized testing growing challenges to student mental health and well being and frequent educator burnout Many schools strive toward academic achievement as their primary marker of success but this well meaning approach can lead to a reductionist view in which students are too often seen as statistics rather than whole human beings Teachers school leaders parents and of course students know that flourishing is a much broader and more holistic aim for education But what is to be done The goal of this book is to call Christian educators back to a better vision of flourishing within a robust theological framework with the practical guidance necessary for implementation To accomplish this Lynn Swaner and Andy Wolfe take readers through an exploration of five essential domains identified through extensive empirical research purpose relationships learning resources and well being An ideal resource for professional development and strategic planning Flourishing Together persistently adheres to the principle that anything that is worth building cannot be built alone Thus the vision for flourishing here is one in which the school community is understood as an interconnected ecosystem in which each one's flourishing is dependent on their flourishing together Accordingly teachers and administrators will be inspired and equipped to reshape their schools as places where they alongside their students can flourish together in a community of abundant life

Enoch's Journey Earl A. Jones,2018-12-26 Enoch s Journey will shed light on Enoch s walk with God as well as your own The book discusses Enoch s three hundred year walk including some of the issues that he would face along the way problems that would come to hinder and impede his close fellowship with God It also discusses the more clearly defined journeys of Joseph and Job If you have read their stories in the Bible you know that both faced plenty of challenges fraught with peril and trial However there was a purpose to reshape them so that they could be transported into the next phase of their lives ready to fulfill the larger calling that God had always intended for them Many other biblical figures are also discussed in this book generally in a lighthearted manner Rest assured that there is always a higher purpose to every trial and challenge that we face in life Reading this book

will encourage us to continue to walk with God and keep up the pace so we can see the end of the journey as well as the beginning and we can know how to thrive in God's true purpose for our lives

Wisdom For The Journey Odella Glenn, 2012-06-26 Wisdom for the Journey culminates years of periodic miscellaneous writing My desire to write spills over from my love for reading Between reading fascinating books and creating writing projects I began to say Someday I'll write a book Someday dragged on into years I finally chose a book title and began to write Pages of dated manuscript filed away in folders attest to my periodic bouts of writing Years go by without a completed manuscript It seems like the write a book dream had faded Then one day when I least expect it the write a book dream returns resuscitated and stronger than ever I hear a voice in my spirit say You have a book books to write before you sleep You must begin to write now Immediately I am moved to start over again and to forget the manuscript I had toyed around with for so long Wisdom for the Journey is the title that erupts from that voice With it comes a mandate Go all the way this time on to a published book Suddenly my self talk is activated and I say to myself Here I go again back to the writing track How many times have I been here before I must not allow history to repeat itself again When the self talk stops I realize that I need some way to ensure that I stay on course keep procrastination away and finish the book this time The idea floods my mind that making a writing vow to God would give me assurance I search the Bible for wisdom on making vows Many people of the Bible have made them Some of their vows have been foolishly made and produced unfavorable consequences The eleventh chapter of Judges records such a vow Jephthah a great warrior made a vow that results in the death of his only child Not wanting to make a mistake I search the scriptures for more wisdom Scriptures teach that vows are voluntary but very serious carry as much force as a written contract and are unbreakable Deut 23:21-23 Wisdom's bottom line is If you make a vow to God you must pay it The Lord demands it There are no excuses and no exceptions I carefully consider the biblical cautions and warnings about making a vow I prayerfully conclude that for me a vow is the assurance I need for getting the book finished So I make this vow to God Every day that you

allow me to live I will write for at least one hour The writing sessions will continue daily until I have a completed manuscript ready for publishing Making that vow is the beginning of Wisdom for the Journey A few months into the writing sessions painful arthritis and carpal tunnel pain attack my hands and wrists I begin to think that its okay to quit now But I recognize that voice as Satan with a buyout package My response to him is Get behind me Satan You must have lost your mind to suggest that I break my vow to God I recite biblical scriptures for strength and courage Galatians 6 9 reminds me that in due season we shall reap if we faint not In the meantime wearing arthritic gloves and carpal tunnel wrist braces I continue to write as I seek more wisdom I apply Romans 4 17 to the situation that says Call those things which be not as though they were And the wisdom of Job 22 28 that says Thou shall also decree a thing and it shall be established unto thee So believing and trusting God I pray Then I declare and decree that As I continue to write the manuscript my hands are healed and strengthened and I am anointed and empowered to finish writing the book The daily writing sessions continue as planned the manifestation takes place as decreed and Wisdom for the Journey is completed fulfilling the writing vow I made to God
