One Minute To Midnight On Gods Clock:

One Minute to Midnight on God's Clock Henderson Ward, 2009-11 To examine the precise fulfillment of prophecy is to appreciate the awesomeness of God and to acknowledge that he has shown his omniscience in the past by a multitude of fulfilled prophecies gives assurance that all of the prophecies still to be fulfilled will take place precisely as foretold In *One Minute to Midnight on God's Clock* Dr Henderson Ward takes readers through an in depth and detailed analysis of the faithfulness and wonders that God has and will exhibit to believers in the days to come Embarking into the difficult territory of the book of Revelation Henderson's ability to bring logical insight to God's mysteries allows today's reader to see the intricacy and detail to which God has attested in his Word Henderson takes readers from the first principles of humanity's origin philosophies on the nature of the universe and the spiritual aspect of mankind to the wisdom of God and his immovable promises of the future that he has revealed in the Bible Readers will receive a deeper understanding of the church's purpose and will more clearly see the road to the blessed hope Christ's return It is *One Minute to Midnight on God's Clock* and the second coming of Christ is imminent

Apocalyptic Politics Martyn Whittock, 2022-11-03 Apocalyptic end times beliefs are found across different religious cultures and time periods especially those influenced by the Abrahamic faiths These apocalyptic beliefs are often associated with radicalized politics and what we would today often describe as populist movements and leaders What are the roots of such beliefs How have they developed over time In what ways do they impact the modern world In a series of case studies ranging over different faiths time periods and global locations this book explores how and why these beliefs have become so often the driver of radicalized politics

Time Clocks of God Grace Scoville McClain, 2020-12-16 *Time Clocks of God* takes the reader from the beginning of time to the end of time and demonstrates that God has always had a plan not only for kings and kingdoms but for us individually She demonstrates that God is in control no matter what is happening so we can relax and trust in Him

God's Worldwide Fellowship James A Child, 2016-10-10 This book attempts to answer the big questions Inevitably the spiritual journey of the author is explored by way of answering these seemingly imponderable questions which are What is the secret of life Who is God Who are you What happens at physical death Where is heaven God Why are there endless wars and conflicts How do we reconcile scientific fact with the above questions in the twenty first century There is enough to be going on with I am sure you will agree The author is therefore defined by the reasoning behind the conclusions he has reached which is the substance of this book So enjoy the read

Prophets beyond Activism Julia M. O'Brien, 2024-08-27 *Prophets beyond Activism* insightfully challenges the common progressive narrative that the prophets of ancient Israel were primarily concerned with social justice Instead it daringly offers more life giving ways of engaging the prophetic books for the causes of justice The assumption that the prophets of ancient Israel were primarily concerned with social justice so permeates the thinking and the discourse of progressive Christianity that it might be considered an interpretive orthodoxy For example progressives characterize

prophets as those who speak truth to power and prophetic preaching as social critique Yet they often do so without explanation or consideration of alternative views In this volume Julia O'Brien challenges the notion that the prophets were solely concerned with the same issues as contemporary social justice movements Reading prophetic texts with an eye to their historical dimensions when they were written how they were edited complicates any definitive statement about the role of prophets in the past Reading alongside readers from diverse racial gender and other social locations in the present raises hard questions about whose justice these books actually promote Despite its self presentation as a scholarly and scientific viewpoint the prophets as social activists orthodoxy was constructed in a particular time and place and in its usage today perpetuates many of the problematic ideologies of its origins In response to these concerns O'Brien offers alternative readings of the prophets for the sake of justice Chapters explore the value of Amos and Micah for contemporary economic ethics the dynamics of inclusivity and exclusivity in Isaiah opportunities for reading Jeremiah as the voice of a community rather than a solitary figure and the limits of Second Isaiah's creation theology for addressing the climate crisis This is a wide ranging volume interweaving careful readings of biblical texts within their literary and historical contexts the history of prophetic interpretation and attentiveness to feminist womanist and postcolonial voices including engagement with contemporary thought such as trauma theory and intersectional analysis of the climate crisis Prophets beyond Activism calls readers to a more honest and humbler activism speaking in their own voices about the demands and possibilities of justice

The Rapture Exposed Barbara R. Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible's Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture Exposed Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God's healing love for the world The Rapture Exposed reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God's beloved community

Zapped by the God of Absurdity Paul Krassner, 2019-03-26 This is a curated collection of Krassner's satirical writing and reporting that serves both as a look back on his career and as a memoir One of his most infamous works The Parts That Were Left Out of the Kennedy Book made outrageous claims that some people thought were true He reports from a swingers event and a conspiracy convention and from the trial of Dan White for the murders of San Francisco Mayor George Moscone and Supervisor Harvey Milk during which Krassner coined the term the Twinkie defense He also includes anecdotes about encountering celebrities such as Lenny Bruce Johnnie Cochran Ram Dass Larry Flynt Squeaky Fromme Dick Gregory Charles Manson and Robin Williams and that time he took an acid trip with Groucho Marx
