One Spring Day Knowing God Book 1:

God, Who Are You? Ann Morgan Miesner, 2008-06 Miesner shows how to experience the depths of God's love and explains how His love manifests in believers' lives **I LOVE GOD, NOW WHAT? Book I Days 1 - 91** Steve Haines, 2025-08-21 Like any professional, Pastors can be busy people. Often the demands upon their time are myriad. The time when I first came to accept Christ as my Lord was wonderful beyond measure. Although my Pastor was eager to introduce me to Christ, he was not as intimately available to guide me in the aftermath of that wonderful moment. You see, having accepted Christ as Savior guarantees the blessing of eternity with Christ, but the new believer still has the rest of his or her life to negotiate. There are lots of things to learn, but in big churches, people can get lost in the crowd and fall through the cracks, and in small churches, well, there is only so much a small staff can do. So I stumbled around for a long time, very gradually figuring out how to navigate the world and still hold to my faith in Christ. I remember thinking, "There has to be a better way than this." These discussions are part commentary, part history, part blessing, and part questioning. There's a little bit of everything. I've put considerable thought into writing these things, and I want you to get some benefit, some blessing from them. Think about what you read. You might be provoked to irritation or to curiosity or to laughter. Try to apply the thoughts to your life. But the bottom line is if you don't read, you won't benefit. This first book that you are holding tries to answer some basic questions: Why should I fear God? Why should I trust Him? Who am I in Christ? What is the nature of sin? Following books talk about the Jewish Festivals and their profound meaning about God's Constitution. Matthew chapters 5-7 about God's manifested love, what it means to be Grafted In to God's family, how to know Jesus, and what it means to abide in Christ. I hope you stick around to the end. Every life has its ups and downs, and after several cycles of this, I was fed up and began to look for answers. I found this crazy new church which was meeting in a hotel conference room. I remember people all around me speaking in these strange, indecipherable ways, people falling down on the floor and generally acting nuts. I remember thinking, "Why am I here? God had a plan, but I was not awake to it. But I stayed out of curiosity, if nothing else, and eventually God began to draw me in. Since then, God has led me on a wonderful journey. Where once I had a sort of vague notion of God, He used personal struggle to draw me closer to him. Where once I looked at everything from a performance-oriented point of view, He taught me the true value of the love of Christ. Where once I had to be doing things for Christ, He taught me the value of resting in the presence of Christ. I want people to understand these things. I want everyone to experience the intimate presence of Christ in their lives. I want everyone to see real-time answers to prayer as I have. I want people to understand that humble submission to God is the answer to every struggle, every problem, and every stress." *The One Year Book of Healing* Reggie Anderson, 2016-09-01 This year, experience deep healing and refreshment. We're all sick, and we're all hurting. Whether it's a broken arm or a broken heart, a chronic illness or wounds from our past, the fact remains: We are all in desperate need of God's healing. In our pain, it can be easy to believe God has forgotten about us, to believe that he doesn't

even care Dr Reggie Anderson author of the acclaimed memoir *Appointments with Heaven* knows it can't be predicted how God's healing work will come to pass in our lives and hearts only that it will As a country doctor who has had remarkable experiences attending people in pain Reggie wants you to see what he sees every day that whatever your sickness whatever your hurt God is alive and active in your life He wants you to be truly well even if that looks different than you might expect Rich in story and inspiration *The One Year Book of Healing* will reveal the many ways our Savior heals and intervenes in the lives of the sick and the hurting giving you the faith hope and patience to believe that God can do the same in your life

Knowing God Elliot N. Dorff, 1996-05-01 Contemporary Jews often find meaning in Judaism's family and communal orientation its beautiful rituals its enriching culture its sense of ethnic rootedness and its moral values For the classical Jewish tradition however all of these features of Judaism depend on a belief in God Since many modern Jews do not know what to make of that belief it is often ignored They may be inspired by Judaism's high regard for education and its passion for justice but their belief in God rests on childhood images of the Almighty They are often embarrassed and uneasy for they sense that their attachment to Judaism may be based upon intellectual quicksand *The Bible's Writings* David J.
