Looking into the Revelation Dr. Boyd O. Gray,2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In *Looking into the Revelation* a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God s Word is the truth a message he hopes will motivate sinners to heed the Lord s gracious call to salvation *Looking into the Revelation* shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ

Naming the Antichrist Robert C. Fuller,1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination

throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In Naming the Antichrist Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of The Late Great Planet Earth with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life

A One World Religion is Coming Part 2 Leslie Dutcher, 2024-05-17 Bible prophecies say that in the end time all religions will become one Revelation 13 8 And all that dwell upon the earth shall worship him whose names are not written in the book of life of the Lamb slain from the foundation of the world KJV It says clearly that everyone will worship the Antichrist and his one world religious system except for those whose names are written in the Lamb s Book of Life The Bible goes on to teach us that there are penalties for those who do not submit to the Antichrist by worshiping him and his one world religious system This is a continuation of the explanation of the coming one world religion **Rise Of The Anti-Christ Vol. I** Gyeorgos Ceres Hatonn, 1998 *Arrival Of Morning Star* , **Green Sabbath and the Last Vista of Hope, The** Chinedu Daniel Obasi, Chinedu Daniel Obasi s latest literary contribution The Green Sabbath and the Last Vista of Hope is the result of a careful examination of numerous newsworthy occurrences transpiring on the world stage and their apocalyptic implications Readers will be soberly intrigued by how intertwined these occurrences are and how they crystalize

and verify the predictions made by Daniel the apostle John and other Bible prophets Obasi begins by highlighting several environmental and ecological developments and their parallels to what Jesus called the early birth pangs of end time unfolding From here he points to the responses from political and ecclesiastical leaders regarding these developments and how this is all laying the foundation for the diminishing of religious and civil liberty as foretold in Revelation 13 While this well researched book discusses many topics including global warming Catholicism the old and new covenants and Islam the author skillfully ties everything together to alert as many as possible to the solemn times in which we live and the need to increase awareness and preparedness However his greatest emphasis is on the One who is truly in charge of the past present and future the One in whom we can place our confidence

The Truth About Islam Steve Urick, 2014-07-25 Islam which began fourteen hundred years ago in Arabia claims to be the one true religion given to mankind by the one true God Allah and his lone messenger Muhammad It has since grown to almost 1.5 billion followers today and is quickly growing Islam claims to be a peaceful religion but is often known to be violent and threatens the freedom of the entire world What are the teachings of Islam and how does it compare to the Bible The Truth About Islam examines the Quran Koran the God of Islam its pagan origin the Jesus of Islam its salvation plan Sharia law and slavery and its violent ideology of Jihad against all infidels non Muslims in light of the Bible and world history This concise and easy to read book will not only teach you what Islam basically believes but also equip you to confidently reach out to Muslims with the gospel of Christ and refute many of Islam's errors It also clearly presents the gospel of grace to any Muslim who is searching for the truth and desires to know how to have assurance of eternal life

Marks of the Beast Glenn W. Shuck, 2005 The Left Behind series by Tim LaHaye and Jerry B. Jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date These novels written by two well known evangelical Christians depict the experiences of those left behind in the aftermath of the Rapture when Christ removes true believers leaving everyone else to suffer seven years of Tribulation under Satan's proxy Antichrist In Marks of the Beast Shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey's 1970 blockbuster The Late Great Planet Earth It also explores what we can learn from them about evangelical Christianity in America Shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that enact rather than engage their fears Most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds

Revelation Terrell E. Lewis, 2016-12-22 I don't believe God meant for any part of the Bible to be confusing All scripture is given by inspiration of God 1 Tim 3:16 Everyone should benefit from understanding what happens during the tribulation period or where will the people of God live eternally I hope to give clarity to the book of Revelation and incite interest in readers to study the exciting conclusion of the Bible
