Online Book Reagan Thorndike Press Biographies Memoirs:

The Search for Reagan Craig Shirley, 2024-02-13 Never before has anyone explored the mind soul and heart of Ronald Reagan The Search for Reagan explores the challenges and controversies in Reagan s life and how he successfully dealt with each depicting a man who was never as conservative as some conservatives wanted him to be but rather as conservative as he was comfortable being a man who wanted to win on his own terms and integrity Ronald Reagan was a singularly unique man and conservative who championed a wildly successful revolution leading to more freedom and less government for the American people and to the fall of communism while boosting American morale which had been his three big goals He was the first president in many years who believed optimism from the Oval Office had a direct bearing on the affairs of the nation As a consequence he left office more popular than when he entered with a whopping 73 percent approval He is beloved even today as his presidential library is visited far more than any other presidential library by more than five million people each year He understood that American conservatism was based upon the individual and not the group He is still regarded as one of the most admired men in America The range of Reagan scholarship by virtue of books sold about him continues to grow In his presidency he solved the mystery of high inflation that had bedeviled his predecessor high interest rates and high gas prices He created over twenty million new jobs and the number of American millionaires grew from 4 414 to 34 944 He quite literally changed our world for the better and is considered by most historians to be one of our four greatest presidents along with George Washington Abraham Lincoln and Franklin Roosevelt

Reagan and Thatcher's Special Relationship Sally-Ann Treharne, 2015-06-03 Drawing on recently declassified documents and elite interviews with key protagonists that reveal candid recollections Sally Ann Treharne highlights the pivotal moments in Reagan and Thatcher s shared history from a new vantage point *American Book Publishing Record* ,2000-07
