Online Book British General Election 2015

Philip Cowley

Online Book British General Election 2015:

The British General Election of 2017 Philip Cowley, Dennis Kavanagh, 2018-09-27 The British General Election of 2017 is the definitive and authoritative account of one of the most dramatic elections in British history Throwing aside her natural caution Theresa May called a snap election and was widely expected to crush Jeremy Corbyn's Labour Party Her gamble backfired spectacularly as the Conservatives lost their Commons majority to a resurgent Labour led by one of the most unconventional politicians to lead a major British political party Drawing on hundreds of interviews with unparalleled access to all the key players The British General Election of 2017 offers a revelatory guide to what really happened The 20th edition in this prestigious series of books dating back to 1945 it is designed to appeal to everyone from Westminster insiders and politics students to the wider general public

The Prime Ministerial Court R. A. W. Rhodes, 2024-10-25 Court politics is about who in British government did what to whom when how why and with what consequences In The Prime Ministerial Court Rod Rhodes provides a thorough depiction of the court politics of the Conservative governments of the twenty first century namely the courts of David Cameron Theresa May and Boris Johnson Exploring specific topics including the courtiers the prime minister's craft reshuffles resignations and leadership challenges and the political games and feuds in the court between ministers advisers and civil servants Rhodes concludes that the British government has a new Establishment in which the skills of knavery abound He finds evidence of betrayal revenge lying scandals and bullying with such machinations oiled by gossip humour and alcohol Analysing the everyday practice of the dark arts by the British political and administrative elite each chapter includes a short case study of the court in action covering the education wars the 2018 election and the Covid 19 crisis Each case illustrates the personal electoral and governmental consequences of court politics Rhodes warns that there are more and more knaves decency is in decline and British government needs rules for rulers Above all he cautions citizens beware here be dragons

Cross-Party Politics in Britain, 1945-2019 Alan Wager, 2024-01-21 British politics has long been conceived of as fundamentally a majoritarian two party game The coalition government and years of politicians working across party lines on Brexit were both thought of as deviations from the norm Yet since the Second World War and the new party system that came with it this kind of co operation between parties has been mooted more often than folk memory would suggest From Winston Churchill to Nick Clegg Tony Blair to Nigel Farage elite British politicians have privately and publicly toyed with the concept of co operating with their competitors Cross Party Politics in Britain 1945 2019 takes a historical comparative look at seven such cases from the last 80 years By retracing tales of failure as well as success this book examines moments overlooked by historians of contemporary Britain and most are examined through the lens of political science for the first time Piecing together internal papers and memos from the archives as well as interviews with many of the key players this book explores two questions Why are politicians so often swimming against the tide when trying to co operate with their competitors even when it appears rational to do so And despite the challenges

imposed by the Westminster Model what is it that motivates those that try The answers to these questions put recent developments in British politics in historical perspective and provide clues as to what might happen when the idea of co operation rears its head once again as the next general election approaches *Sultan of Swing* Michael Crick,2018-10-25

Sir David Butler pioneered the science of elections transforming the way we analyse election results In 1945 aged only twenty Butler was the first to turn British constituency results into percentages and thereby founded the science of psephology Appearing as an expert on Britain's first TV election night in 1950 he promoted the idea of swing to explain gains and losses to the public Later he invented the BBC's popular Swingometer which is still used today He has publicly analysed every British general election since the Second World War and done more than anyone to transform TV coverage of elections with a style that combined authority and showmanship with his phenomenal memory for facts and figures First summoned by Churchill for polling advice when he was only twenty five David Butler got to know most of Britain's senior post war politicians and has acted as a highly influential voice behind the scenes He wrote dozens of books and taught scores of leading figures in politics and the media around the world building a huge international reputation which regularly took him to America Australia and India Award winning TV correspondent Michael Crick has known David Butler for forty years In *Sultan of Swing* based on interviews with Butler himself his friends family and colleagues and with access to many previously unseen papers Crick chronicles the long and energetic life of the greatest analyst of British elections a story that weaves its way through post war history with surprises colour and humour Public Value Management, Governance and Reform in Britain John Connolly,Arno van der Zwet,2020-11-23 This book examines developments in governance reform in Britain with a particular focus on the period since 2010 We argue that the experiences of the past decade mean that public value based ideas are required to inform governance reform for the coming years This needs to be prioritised due to the twin challenges of managing the aftermath of Brexit and navigating through the recovery phase of the COVID 19 pandemic The volume outlines key themes issues and debates relevant to contemporary public sector reform including modes of state governance evidence based policy making debates the challenges and possibilities of public sector innovation accountability issues and the implications of Brexit The overall conclusion of the book is that the coming decade presents an opportunity for more paradigmatic changes to UK governance but for this to happen political leaders need to prioritise a reinventing government agenda underpinned by public value based thinking and approaches This book will be of particular interest to students of politics and public administration and relevant for those with general research interests in British governance and public policy **The Routledge Handbook of Elections, Voting Behavior and Public Opinion** Justin Fisher,Edward Fieldhouse,Mark N. Franklin,Rachel Gibson,Marta Cantijoch,Christopher Wlezien,2017-09-22 The study of elections voting behavior and public opinion are arguably among the most prominent and intensively researched sub fields within Political Science It is an evolving sub field both in terms of theoretical focus and in particular technical developments and has made a

considerable impact on popular understanding of the core components of liberal democracies in terms of electoral systems and outcomes changes in public opinion and the aggregation of interests This handbook details the key developments and state of the art research across elections voting behavior and the public opinion by providing both an advanced overview of each core area and engaging in debate about the relative merits of differing approaches in a comprehensive and accessible way Bringing geographical scope and depth with comparative chapters that draw on material from across the globe it will be a key reference point both for advanced level students and researchers developing knowledge and producing new material in these sub fields and beyond The Routledge Handbook of Elections Voting Behavior and Public Opinion is an authoritative and key reference text for students academics and researchers engaged in the study of electoral research public opinion and voting behavior

British Politics Simon Griffiths, Robert Leach, 2018-03-14 Fully revised and updated third edition of a popular established textbook providing a definitive introduction to Britain's politics political institutions and processes Comprehensively reworked and restructured to better align with courses this new edition places great emphasis on the changing context of British politics while addressing key themes such as the ongoing importance of gender and ethnicity to political and social life in Britain Furthermore the book's familiar authoritative style has been retained with a fresh look and revitalized pedagogical features to provide a complete learning package The book is designed for courses on or related to British politics Its accessible style and context setting Part 1 will make it ideal for students new to the field particularly those who haven't studied the subject at school level or international students but its rigour will stimulate and engage more experienced students New to this Edition Fully updated to cover the 2016 EU Referendum the 2017 General Election and other key political developments Politics in Action videos with key academic experts and practitioners offer differing viewpoints on the political system Expanded companion website featuring regular updates and additional pedagogic tools for students and lecturers alike such as self test quizzes flashcards timelines a lecturer testbank and lecture slides Vibrant and engaging full colour page design to help your students navigate the book's broad coverage

The Routledge Handbook of British Politics and Society Mark Garnett, 2020-05-13 The Routledge Handbook of British Politics and Society conducts a rigorous innovative and distinctive analysis of the relationship between British politics and society emphasizing that the UK is now far from a monolithic and unshifting entity Examining the subject matter with unrivalled breadth and depth it highlights and interrogates key contemporary debates on the future of the UK the nature of Britishness and the merits of multiculturalism as well as contemporary criticisms of traditional institutions and the nature of representative democracy itself Including contributions from key authors in their respective fields who bring their authority to bear on the task of outlining the current state of the art in British Studies the book provides a fresh examination of the contrasts and the continuities across the whole field of British Politics and Society while setting out agendas for future research The Routledge Handbook of British Politics and Society will be essential reading and an authoritative reference for scholars students

researchers and practitioners involved in and actively concerned about research on British politics society and culture

Independent Television Production in the UK David Lee, 2018-03-07 This book is the first authoritative account of the UK's independent television production sector following the creation of Channel 4 in 1982. It examines the rise of a global industry increasingly interconnected through format development, distribution, ancillary sales and rights. Drawing on case studies, interviews and policy analysis, the author considers the cultural politics behind the growth of the indies, the labour conditions for workers in this sector and some of the key television programmes that have been created within it. Filling an important gap in our understanding, this book constitutes a comprehensive account of this vital cultural industry for students, academics and researchers working in the areas of the cultural and creative industries, media and cultural policy and television studies.

Electoral Shocks Edward Fieldhouse, Jane Green, Geoffrey Evans, Jonathan Mellon, Christopher Prosser, Hermann Schmitt, Cees van der Eijk, 2019-12-13 This is an open access title available under the terms of a CC BY-NC-ND 4.0 International licence. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. **Electoral Shocks: The Volatile Voter in a Turbulent World** offers a novel perspective on British elections, focusing on the role of electoral shocks in the context of increasing electoral volatility. It demonstrates and explains the long-term trend in volatility, how shocks have contributed to the level of electoral volatility and also which parties have benefited from the ensuing volatility. It follows in the tradition of British Election Study books, providing a comprehensive account of specific election outcomes: the General Elections of 2015 and 2017 and a more general and novel approach to understanding electoral change. The authors examine five electoral shocks that affected the elections of 2015 and 2017: the rise in immigration after 2004, particularly from Eastern Europe; the Global Financial Crisis prior to 2010; the coalition government of the Conservatives and the Liberal Democrats between 2010 and 2015; the Scottish Independence Referendum in 2014; and the European Union Referendum in 2016. The focus on electoral shocks offers an overarching explanation for the volatility in British elections alongside the long-term trends that have led to this point. It offers a way to understand the rise and fall of the UK Independence Party (UKIP), Labour's disappointing 2015 performance and its later unexpected gains, the collapse in support for the Liberal Democrats, the dramatic gains of the Scottish National Party (SNP) in 2015 and the continuing period of tumultuous politics that has followed the EU referendum and the General Election of 2017. It provides a new way of understanding electoral choice in Britain and also beyond and a better understanding of the outcomes of recent elections.

State, Institutions and Democracy Norman Schofield, Gonzalo Caballero, 2016-10-25 This book presents a set of original and innovative contributions on state institutions and democracy in the field of political economy. Modern political economy has implied the interaction between politics and economics to understand political, electoral and public issues in different nations, and in this volume a group of leading political economists and political scientists from Europe, America and Asia provides theoretical advances, modelling and case studies on main topics in political

economy The analysis of the role and performance of politics and democracy in diverse nations implies the study of the organization of the state lobbying political participation public policies electoral politics public administration and the provision of public services This book provides advances in the research frontier of these topics and combines historical evidence institutional analysis mathematical models and empirical analysis in an interdisciplinary approach Political and social scientists economists and those interested in the performance of states democracy and elections can find new research results in this volume

Winston Churchill and the Art of Leadership William Nester, 2020-09-30 Many indeed are the biographies of Winston Churchill one of the most influential figures of the twentieth century But what was that influence and how did he use it in the furtherance of his and his country's ambitions For the first time Professor William Nestor has delved into the life and actions of Churchill to examine just how skillfully he manipulated events to place him in positions of power His thirst for power stirred political controversy wherever he intruded Those who had to deal directly with him either loved or hated him His enemies condemned him for being an egoist publicity hound double dealer and Machiavellian accusations that his friends and even he himself could not deny He could only serve Britain as a statesman and a reformer because he was a wily politician who won sixteen of twenty one elections that he contested between 1899 and 1955 The House of Commons was Churchill's political temple where he exalted in the speeches and harangues on the floor and the backroom horse trading and camaraderie Most of his life he was a Cassandra warning against the threats of Communism Nazism and nuclear Armageddon With his ability to think beyond mental boxes and connect far flung dots he clearly foretold events to which virtually everyone else was oblivious Yet he was certainly not always right and was at times spectacularly wrong This is the first book that explores how Churchill understood and asserted the art of power mostly through hundreds of his own insights expressed through his speeches and writings

British General Election Campaigns 1830-2019 Iain Dale, 2024-03-26 This remarkable book edited by one of the UK's leading political commentators takes us on a deep dive into nearly 200 years of British political history through its most dramatic expression the general election The British general election is the linchpin of our liberal democracy and its results are often fundamental to how we live With the next general election on the horizon now is the perfect time to consider those that came before From the general election of 1830 in which electoral reform was the centrepiece to the so called Brexit election of 2019 Iain Dale delivers a showcase of all 50 general election campaigns with an essay for each of them penned by key political writers including John Curtice Julia Langdon Simon Heffer Peter Snow Sue Cameron Vernon Bogdanor Adam Boulton and many others If you want to get to the heart of British politics and democracy there is no greater guide than this meticulously researched insightful and engaging collection

Social Media and Politics in Africa Maggie Dwyer, Doctor Thomas Molony, 2019-07-15 The smartphone and social media have transformed Africa allowing people across the continent to share ideas organise and participate in politics like never before While both activists and governments alike have turned to social media as a new form of political mobilization

some African states have increasingly sought to clamp down on the technology introducing restrictive laws or shutting down networks altogether Drawing on over a dozen new empirical case studies from Kenya to Somalia South Africa to Tanzania this collection explores how rapidly growing social media use is reshaping political engagement in Africa But while social media has often been hailed as a liberating tool the book demonstrates how it has often served to reinforce existing power dynamics rather than challenge them Featuring experts from a range of disciplines from across the continent this collection is the first comprehensive overview of social media and politics in Africa By examining the historical political and social context in which these media platforms are used the book reveals the profound effects of cyber activism cyber crime state policing and surveillance on political participation

Power Without Responsibility James Curran, Jean Seaton, 2024-09-06 This book attacks the conventional history of the press as a story of progress offers a critical defence and history of public service broadcasting provides a myth busting account of the internet gives a subtle account of the impact of social media and explores key debates about the role and politics of the media Power Without Responsibility has become a standard textbook on media and other courses but it has also gone beyond an academic audience to reach a wider public Hailed as a book that has cracked the canon by the Times Higher Educational Supplement it has been translated into five languages In 2019 it was awarded the International Communication Association s Fellows Book Award This ninth edition is based on a major overhaul of its content to take account of new developments such as generative AI and new scholarship in the field It also contains a new chapter on the transformed opportunity for a reformed and buccaneering public service broadcasting in the face of automated misinformation and social division locally nationally and internationally This trailblazing text is essential reading for all students and scholars interested in British media and contemporary media and society

No Outsiders in Our School Andrew Moffat, 2017-07-05 Cover Title Copyright Contents List of figures List of tables Preface Chapter One Introduction Chapter Two Preparing your path creating the whole school ethos Chapter Three Assemblies creating the whole school ethos Chapter Four Engaging parents lessons learned from three schools Chapter Five Simple answers to challenging questions Chapter Six Coming out in primary schools Chapter Seven The resource Appendix References

The Devolution Gambit Tim Niendorf, 2021-05-19 This book examines the increasing territorialisation of party competition and the relaxation of unitarian rule through devolution presenting a long term analysis of electoral developments in the United Kingdom since the end of the Second World War Subsequently the book looks into the undermining of the traditional majoritarian mode of British government as a result It analyzes the significant role of these long term developments and their detrimental effect on the parliament s ability to resolve issues like the Scottish Independence Referendum or the UK s vote to leave the European Union and it addresses their underlying causes The author additionally reconnects these electoral developments to the changing nature of devolution and shows how the deepening of devolution accelerates the negative electoral consequences for the British system of government Finally the book shows why

the British Labour Party is turning more and more into a long term minority party as a result of these developments The book is a must read for scholars students and policy makers interested in a better understanding of comparative politics and devolution in general as well as in the more specific case of the United Kingdom s electoral system Bad News Mark Pack,2020-03-12 Bad News is a popular guide that helps you make sense of the news wherever it appears print broadcast or online Peppered with examples from around the world the book turns a serious subject into an enjoyable read You will learn as you are entertained Readers will discover all the tricks and techniques required to work out whether to trust a story based on an anonymous source when big numbers are really small and when small numbers are really big why you should ignore what appears behind someone on the TV and much more You ll even learn why you should always read stories in the Daily Mail backwards and when correlation is causation But readers will also learn how ill suited the news is to understanding and interpreting the modern world even when it comes from honest journalists working for reputable outlets The news has a role but readers will learn how to ensure they don t confuse that with understanding the world **Butler's British Political Facts** Roger Mortimore,Andrew Blick,2018-07-31 This book is the most comprehensive single volume reference work available for British political facts Covering the period from 1900 to the present it is the latest edition in a series previously edited by David Butler and various collaborators This new edition updates the contents to the immediate post European Union referendum period in the UK It is useful to a wide range of potential readers including students educators journalists policy professionals and anyone with an interest in politics and political history It will be valuable to academics working in a variety of disciplines including history and political science More Sex, Lies and the Ballot Box Philip Cowley,2016-09-01 With a foreword by Isabel Hardman HAVE YOU EVER WONDERED how people feel about sleeping with the political enemy whether gambling markets are best at predicting political outcomes who Santa Claus would vote for Then look no further More Sex Lies and the Ballot Box brings us another collection of concise chapters penned by leading political experts and delving into the fascinating field of electoral politics Following on from the success of its bestselling predecessor this illuminating book shines a light on how we vote in Britain and around the world You ll learn about the shifting landscape of party politics and the perceptions and misconceptions that shape our opinions of our politicians and of each other You ll learn about the factors informing voter habits from class race and gender to the internet and the weather You ll also learn which political party has the most sexually satisfied supporters Forget mind numbing numbers and difficult demographics This sharp and frequently hilarious volume is fizzing with accessible facts and figures that are more than just conversation starters they re unexpected insights into the human condition

Online Book British General Election 2015 Introduction

In today's digital age, the availability of Online Book British General Election 2015 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Online Book British General Election 2015 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Online Book British General Election 2015 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Online Book British General Election 2015 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Online Book British General Election 2015 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Online Book British General Election 2015 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Online Book British General Election 2015 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Online Book British General Election 2015 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Online Book British General Election 2015 books and manuals for download and embark on your journey of knowledge?

FAQs About Online Book British General Election 2015 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
