Pelton,2019-03-21 A resource to help pastors correctly identify the big idea of a passage and apply it well Preaching with Accuracy provides preachers with a method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately conveying the essential theology of the passage Pelton lays out a reliable well informed method for identifying the main point of a preaching passage and understanding that passage well in its context Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation Pelton then guides the preacher through applying a Christ centered hermeneutic that will result in biblical sermons that benefit and equip believers **A Dozen Things God Did with Your Sin (And Three Things He'll Never Do)** Sam Storms,2022-01-13

Understand How God Banishes Your Sin So You Can Let It Go Too Every Christian has experienced days or even seasons of feeling extreme guilt over past or present sins thinking that God is angry or disgusted with them sometimes even wondering if they re truly saved This often happens when believers fixate on their sins while forgetting what Christ has already done on their behalf at the cross Sam Storms explains it this way What consumes us is what we have done by sinning What ought to consume us is grateful meditation on what God has done with our sinning In his latest book Storms addresses this anxiety

over sin by reminding believers of the good news of the gospel Beginning with an explanation of the glory of penal substitution he walks through 12 things God did with their sin including forgiving it passing over it and casting it into the depths of the sea He also explains 3 things God will never do with their sin such as counting it against them Walking through the Bible s teaching Storms helps believers find freedom joy and peace in knowing what God has done and will never do with their sin through the redemptive sacrifice of Jesus Encourages Christians in Their Personal Life and Ministry Helps the average believer who may feel unfit to serve God because of their sin Clarifies Crucial Biblical Topics Explains the important difference between eternal union with God and experiential communion with him Written by Sam Storms Author of more than 30 books including *Tough Topics Kept for Jesus* and *A Sincere and Pure Devotion to Christ* *Cultural Contextualization of Apologetics* Matt W. Lee, 2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are *Cultural Contextualization of Apologetics* explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul s cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul s world to the forefront of contemporary apologetics preaching *Cultural Contextualization of Apologetics* offers a vision of apologetics communication that is both biblical and practical *The Catechism and Prayer Book* John Pilkington Norris, 1882 *The Homiletic Review* , 1898 *The United States Catalog* Mary Burnham, Carol Hurd, 1928 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus s Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views

theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease     **The New Testament, Or, the Book of the Holy Gospel of Our Lord and Our God, Jesus the Messiah** ,1851

*Stumbling over the Cross* Joni S. Sancken,2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world     **A Commentary on the Books of the Old and New**

**Testament. In which are Inserted the Notes and Collections of John Locke ... Daniel Waterland ... Edward, Earl of Clarendon and Other Learned Persons. With Practical Improvements. By William Dodd. [With the Text.]** ,1770

*The Gospel of the Christ* Thomas Lewis Stegall,2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith     **The Annotated Paragraph Bible: Containing the Old and New Testaments, According to the**
