Critical Race Studies Across Disciplines Jonathan Chism, David Ryden, Vida Robertson, Stacie Craft DeFreitas, 2021-04-19

This book argues that critical race theory CRT which originated within Legal Studies during the 1970s has permeated multiple academic disciplines and informs the ethical commitments of scholars in diverse fields of study Critical Race Studies Across Disciplines includes essays by scholars of African American studies from various disciplines who directly and indirectly incorporate CRT through signaling a commitment to scholar activism or scholactivism Scholactivists hope to understand the roots of anti Black racism and to actively oppose all forms of oppression Drawing on CRT the volume counters the colorblind rhetoric of those who dismiss the notion of systemic racism discount racial inequities and disregard racial justice advocates as malcontents fanning the flames of racial dissension The contributors of this collection challenge racism centering the stories perspectives and counter narratives of African American soldiers teachers students writers

psychologists and theologians who continually defy and resist oppression in myriad ways      *On the Fall of the Roman Republic* Thomas E. Strunk, 2022-01-11 Violence exploding in public spaces corruption by political figures and economic elites the will of the people thwarted in both elections and votes in the senate military misadventures abroad and rampant economic inequality at home diminishing a shared sense of the common good in sum a republic in disarray These descriptions are not only familiar from ancient Roman political and social life but are also recognizable to any United States citizen who follows the news and American civic life On the Republic proceeds chronologically through the fall of the Roman Republic beginning in 133 BCE and continuing down to around 14 CE providing a continuous narrative of the fall of the Roman Republic juxtaposed with the contemporary political landscape of the United States In 20 short chapters On the Republic explores how the United States now faces many of the same challenges that toppled the Roman Republic political divisions economic inequality and creeping authoritarianism How we respond to these challenges today will determine the future of American democracy      **Rebellion in America** Anthony DiMaggio, 2020-02-21 In a time of rising inequality and

plutocratic government citizens movements are emerging with growing frequency to offer populist challenges to the declining living standards of masses of Americans and to protest the conditions through which individuals suffer in poor communities across the country This book looks at the progression of modern social uprisings in the post 2008 period including the Tea Party Occupy Wall Street Black Lives Matter the Bernie Sanders Revolution Trump s populism the anti Trump revolt and MeToo A key theme is that populism and mass anger at the political economic status quo take different forms depending on whether the protests are progressive left or right wing in orientation Employing theories of elite politics and pluralism and using a mixed methods approach Anthony DiMaggio harnesses his rich experience with movement politics and his engagement with a wide range of media and public opinion data to explain where we are today and how we got here always with an eye on moving ahead Aimed at courses on social movements wherever they re taught this book also offers

general readers insight into contemporary politics and protest      *Stories We Dance / Stories We Tell* Karen Schupp, Sherrie Barr, 2025-07-18 Higher education continually mediates long standing traditions while seeking new ways of thinking creating a quiet tension as institutions respond to shifting and multiple socio cultural values Dance programs not immune to these currents must consider intersecting obligations to build a more equitable curriculum meet the needs of an increasingly diverse population and prepare students for a wider array of dance based careers In view of their critical role in stewarding the next generation of dance artists educators scholars leaders and fostering change in higher education faculty must give more attention to the experiences of those committed to dance in higher education This collection articulates and considers these lived experiences revealing the inner workings of dance in higher education Autoethnographic essays varying in style and scope illuminate the pressures encountered across one s career trajectory By unearthing and contextualizing hidden challenges expectations and opportunities the authors speak to possibilities for how proactive change in dance education can occur      **Race Conscious Pedagogy** Todd M. Mealy, 2020-10-30 In 1935 W E B Du Bois asked Does the Negro need separate schools His stunning query spoke to the erasure of cultural relevancy in the classroom and to reassurances given to White supremacy through curricula and pedagogy Two decades later as the Supreme Court ordered public schools to desegregate educators still overlooked the intimations of his question This book reflects upon the role K 12 education has played in enabling America s enduring racial tensions Combining historical analysis personal experience and a theoretical exploration of critical race pedagogy this book calls for placing race at the center of the pedagogical mission      Gratuitous Angst in White America Deena A. Isom, 2023-12-19 Gratuitous Angst in White America presents a new criminological theory that explains the racialized experiences of white people Unlike orthodox traditions that assume whiteness as normative or progressive traditions that center the experiences of the marginalized and oppressed the theory of whiteness and crime flips those perspectives and turns a lens toward white people s lived experiences and the ideologies of whiteness The theory of whiteness and crime answers two overarching questions How does being white impact one s likelihood of engaging in deviant criminal and or violent behaviors And why are white people treated differently than other racial and ethnic groups by the criminal legal system Through the application of a critical whiteness perspective to criminology the theory of whiteness and crime is an intersectional and integrated framework that explains within and between group differences in negative behaviors and entanglements with the criminal legal system This book examines the racialized history of America to contextualize the current racial strife in society and inform a more nuanced theoretical approach to explaining disparities The reader will gain a socio historical understanding of the depths of the current divides and insight into how such are perpetuated and potentially dismantled Students will see connections between various theoretical traditions and an application of theory to current social conditions Researchers will acquire a new theoretical foundation and propositions to ground empirical work that will fill extensive gaps in the criminological literature And policy makers will see how oversights

in understanding the depths of historical significance perpetuate and increase disparities and disadvantages which are counter to a pursuit of justice Written in a compelling and direct way this book will appeal to those in criminology sociology race and ethnic studies gender and sexuality studies political science cultural studies psychology criminal justice law and beyond Gratuitous Angst in White America is essential for those seeking a more complete understanding of the associations between race and crime and those who want to remedy those disparities In the end it is more than a new theory of crime it is a call to action for all willing to hear

*The Oxford Handbook of Dewey* Steven Fesmire, 2019-08-19 John Dewey was the foremost philosophical figure and public intellectual in early to mid twentieth century America He is still the most academically cited Anglophone philosopher of the past century and is among the most cited Americans of any century In this comprehensive volume spanning thirty five chapters leading scholars help researchers access particular aspects of Dewey's thought navigate the enormous and rapidly developing literature and participate in current scholarship in light of prospects in key topical areas Beginning with a framing essay by Philip Kitcher calling for a transformation of philosophical research inspired by Dewey contributors interpret appraise and critique Dewey's philosophy under the following headings Metaphysics Epistemology Science Language and Mind Ethics Law and the Starting Point Social and Political Philosophy Race and Feminist Philosophy Philosophy of Education Aesthetics Instrumental Logic Philosophy of Technology and the Unfinished Project of Modernity Dewey in Cross Cultural Dialogue The American Philosophical Tradition the Social Sciences and Religion and Public Philosophy and Practical Ethics

**This Is the Rat Speaking** Todd M. Mealy, 2017-03-24 Author of *Alienated American* A Biography of William Howard Day 1825-1900 *Legendary Locals of Harrisburg* and *Biography of an Antislavery City* Antislavery Advocates Abolitionists and Underground Railroad Activists The demise of the so called Jim Crow laws in 1964 and 1965 and the victory of the civil rights movement rang hollow in the ears of most African Americans While segregation was practiced in many places of the South systemic forms of racism permeated northern society As distrust pervaded African American communities after 1966 the maligned Black Panther Party filled the void especially among baby boomers who moved the African American liberation movement further to the left During this difficult time when the country was torn apart by issues of race and poverty as well as the escalation of the Vietnam War unrest seemed to prevail at a myriad of colleges and universities across the United States where newly formed Afro American societies and black student unions pressed for pedagogical change suited to the liberation doctrine coming from the black left Spring 1969 was a particularly explosive semester as African American students occupied administrative buildings and common areas at both historically black and predominantly white colleges on the East Coast In *This Is the Rat Speaking* author Todd M Mealy reconstructs the May 22 1969 black student uprising at Franklin and Marshall College Using Lancaster County Pennsylvania and Franklin and Marshall College as his setting Mealy revisits the role and influence of the Black Panthers and delves into how activism for black studies curriculum emerged within the black power movement of the 1960s Based on oral history

testimony investigation reports and judicial records Mealy provokes discussion from different perspectives

*Heritage Knowledge in the Curriculum* Joyce E. King, Ellen E. Swartz, 2018-04-27 Moving beyond the content integration approach of multicultural education this text powerfully advocates for the importance of curriculum built upon authentic knowledge construction informed by the Black intellectual tradition and an African episteme By retrieving examining and reconnecting the continuity of African Diasporan heritage with school knowledge this volume aims to repair the rupture that has silenced this cultural memory in standard historiography in general and in PK 12 curriculum content and pedagogy in particular This ethically informed curriculum approach not only allows students of African ancestry to understand where they fit in the world but also makes the accomplishments and teachings of our collective ancestors available for the benefit of all King and Swartz provide readers with a process for making overt and explicit the values actions thoughts and behaviors reflected in an African episteme that serves as the foundation for African Diasporan sociohistorical phenomenon events With such knowledge teachers can conceptualize curriculum and shape instruction that locates people in all cultures as subjects with agency whose actions embody their ongoing cultural legacy

*Awakening to the Violence of Systemic Racism* Gallagher, Vince, Green, Sherine, 2021 Awakening bears witness to the most egregious disparities between African American people and white people caused by the structural injustice inherent in virtually every institution in the United States

*Activism in the Name of God* Jami L. Carlacio, 2023-08-16 Contributions by Janet Allured Lisa Pertillar Brevard Jami L Carlacio Cheryl J Fish Angela Hornsby Gutting Jennifer McFarlane Harris Neely McLaughlin Darcy Metcalfe Phillip Luke Sinitiere P Jane Splawn Laura L Sullivan and Hettie V Williams Activism in the Name of God Religion and Black Feminist Public Intellectuals from the Nineteenth Century to the Present recognizes and celebrates twelve Black feminists who have made an indelible mark not just on Black women s intellectual history but on American intellectual history in general The volume includes essays on Jarena Lee Theressa Hoover Pauli Murray and Alexis Pauline Gumbs to name a few These women s commitment to the social political and economic well being of oppressed people in the United States shaped their work in the public sphere which took the form of preaching writing singing marching presiding over religious institutions teaching assuming leadership roles in the civil rights movement and creating politically subversive print and digital art This anthology offers readers exemplars with whose minds and spirits we can engage from whose ideas we can learn and upon whose social justice work we can build The volume joins a burgeoning chorus of texts that calls attention to the creativity of Black women who galvanized their readers listeners and fellow activists to seek justice for the oppressed Pushing back on centuries of institutionalized injustices that have relegated Black women to the sidelines the work of these Black feminist public intellectuals reflects both Christian gospel ethics and non Christian religious traditions that celebrate the wholeness of Black people

*The #BlackLivesMatter Movement* Edward Donalson, 2021-01-11 This work focuses on the implicit theological aspects of the BlackLivesMatter movement It examines in conversation with theologians the movement s early published tenets in order to

determine their implicit God claims The study conducted by a Pentecostal bishop puts Black Liberation Womanist and Queer Liberation theologies in conversation with the praxis of the movement An ecumenical group of Black pastors from across the United States met in an effort to determine the viability of the God claims of the movement in the life of the Black Church As the research progressed a new theological expression emerged as the real praxis of the movement i e intersectional theology This study project concludes with an exposition of the main points of this intersectional theology

Hurting Kids Michelle Mary Lelwica,2024-08-01 Hurting Kids explores religion s impact on Americans beliefs about justice and on teenagers who get in trouble with the law Why do many of us assume that punishment is an appropriate moral response to crime How have diverging Christian narratives about divine punishment and God s mercy supported different responses to juvenile wrongdoing What do these competing notions of justice imply for youth offenders today nearly all of whom have been violated by the unjust and traumatic circumstances of their lives Weaving together research on the juvenile justice system theological analysis self examination of white privilege and the stories and perspectives of incarcerated youth Hurting Kids asks us to understand and care about the complicated humanity of a population of teenagers who are often deemed not only delinquent but dispensable Sharing snippets of her conversations with incarcerated youth Lelwica demonstrates that whatever harm these kids have inflicted on others is rooted in the painful experiences they have survived experiences that are shaped by systemic injustices that benefit people with privilege Ultimately Hurting Kids challenges common assumptions about guilt and innocence while advocating for a kind of justice for youth that promotes equity compassion accountability and healing for all

John F. Kennedy and the Liberal Persuasion John M. Murphy,2019-01-01 The first serious study of his discourse in nearly a quarter century John F Kennedy and the Liberal Persuasion examines the major speeches of Kennedy s presidency from his famed but controversial inaugural address to his belated but powerful demand for civil rights It argues that his eloquence flowed from his capacity to imagine anew the American liberal tradition Kennedy insisted on the intrinsic moral worth of each person and his language sought to make that ideal real in public life This book focuses on that language and argues that presidential words matter Kennedy s legacy rests in no small part on his rhetoric and here Murphy maintains that Kennedy s words made him a most consequential president By grounding the study of these speeches both in the texts themselves and in their broader linguistic and historical contexts the book draws a new portrait of President Kennedy one that not only recognizes his rhetorical artistry but also places him in the midst of public debates with antagonists and allies including Dwight Eisenhower Barry Goldwater Richard Russell James Baldwin Martin Luther King Jr and Robert Kennedy Ultimately this book demonstrates how Kennedy s liberal persuasion defined the era in which he lived and offers a powerful model for Americans today

African Diaspora Literacy Lamar L. Johnson,Gloria Boutte,Gwenda Greene,Dywanna Smith,2018-11-28 This book demonstrates the application of African Diaspora Literacy in K 12 schools and teacher education programs The book emerged from a four week Fulbright Hays Group Abroad project to Cameroon West Africa which was

**Teaching Race** Stephen D. Brookfield, 2018-11-05 A real world how to manual for talking about race in the classroom Educators and activists frequently call for the need to address the lingering presence of racism in higher education Yet few books offer specific suggestions and advice on how to introduce race to students who believe we live in a post racial world where racism is no longer a real issue In Teaching Race the authors offer practical tools and techniques for teaching and discussing racial issues at predominately White institutions of higher education As current events highlight the dynamics surrounding race and racism on campus and the world beyond this book provides teachers with essential training to facilitate productive discussion and raise racial awareness in the classroom A variety of teaching and learning experts provide insights tips and guidance on running classroom discussions on race They present effective approaches and activities to bring reluctant students into a consideration of race and explore how White teachers can model racial awareness thereby inviting students into the process of examining their own white identity Racism whether evident in overt displays or subconscious bias has repercussions that reverberate far beyond the campus grounds As the cultural climate increasingly calls out for more research education and dialogue on race and racism this book helps teachers spotlight issues related to race in a way that leads to effective classroom and campus conversation The book provides guidance on how to Create the conditions that facilitate respectful racial dialogue by building trust and effectively negotiating conflict Uncover each student s own subconscious bias and the intersectionality that exists even in the most homogenous appearing classrooms Help students embrace discomfort and adapt discussion methods to accommodate issues of race and positionality Avoid common traps

mistakes and misconceptions encountered in anti racist teaching Predominantly White institutions face a number of challenges in dealing with race issues including a lack of precedence an absence of modeling by campus leaders and little clear guidance on how teachers can identify and challenge racism on campus Teaching Race is packed with activities suggestions and exercises to provide practical real world help for teachers trying to introduce race in class

**The Sociology of African American Patriotism** Yoshito Ishio,2025-06-27 This book offers a sociological examination of the reasons why African Americans feel love toward their country in spite of continuing to perceive or experience racial prejudice and discrimination against themselves and other African Americans Dr Ishio conducted face to face in depth interviews with college educated African Americans in Texas between 2014 and 2015 The main conclusion of this study is that contradictory trends marked by persistent racism and racial progress combined with the effects of Christian faith practice fostered in the Black Church and the effects of foundational principles of the United States have molded a distinctive form of patriotism among African Americans for whom this country is their homeland This book presents an insightful analysis by a Japanese sociologist Every important finding in this book is supported by interviewees statements making it easy for readers to follow the points being made and to understand African Americans perspectives Numerous interviewees statements are judiciously inserted so that readers can virtually hear interviewees voices describing their experiences and views A unique study of African Americans and their feelings of patriotism it will appeal to scholars and researchers with interests in the sociology of race and ethnicity Black studies and the sociology of religion

The US Housing Crisis Judith Keller,2024-05-04 This book aims to draw careful distinctions between the various forms of housing insecurity and personal circumstances research participants experience While the urgency of the housing crisis in the US has produced a lot of scholarly work on housing it often fails to recount the real life struggles that the housing crisis is causing This is where the book provides a distinct contribution to housing studies and urban geography The author use of trust as an analytical lens her qualitative approach and her work with people on the ground aim to move away from a quantitative understanding of the crisis by giving it a human face The author seeks to bring to light the human costs of the destruction of home as well as the political reactions and day to day strategies that residents apply to make ends meet in times of the US housing crisis

*American Democracy and Disconsent* Daniel Monti,2024-04-09 This volume is a thorough re examination of civil unrest and discontent in the United States particularly the intersection of democracy and violence The work argues that unrest and violence are embedded rituals of social and political disconsent and are constitutive features of citizen based democracy As such they are part of how democratic life works unrest is the eruptive visible grammar of citizens in a democratic society Democracy and citizen unrest and violence in the United States are set within a deeper history The author traces the roots of American democracy and the rituals of disconsent to their sources in ancient Mediterranean political society demonstrating that early democratic theory and practice understood unrest and revolt as morally grounded Featuring case studies of recent episodes

of political and social dissent in the United States the volume contextualizes the Black Lives Matter protests unrest around police and institutional violence and the Capitol insurrection on January 6 Through this the book provides an important social theoretical lens through which to understand American discontent around racial injustice political suppression and citizen disillusionment **Reimagining Historically Black Colleges and Universities** Gary B.
