Online Book Gender Migration Italy Multilayered Perspective:

Gender and Migration in Italy Elisa Olivito, 2017-05-15 Recent migratory flows to Europe have brought about considerable changes in many countries Italy in particular offers a unique point of view since it is possible to observe not only the way migration has changed specific features of the country but also how it is intertwined with gender relations Considering both the type of migration that has affected Italy and the consequent measures adopted by the Government a variety of distinctive elements may be seen By providing a broad and more complete picture of the Italian perspective on gender and migration this book makes a valuable contribution to the wider debate The contributions consider the problematic linkage between gender and migration as well as analyse particular aspects including Italian colonial past domestic work self determination access to social services second generation migrant women family law multiculturalism and religious symbols Taking an empirical and theoretical approach the volume underlines both the multifaceted problems affecting migrant women in Italy and the way in which questions raised in other countries are introduced and redefined by Italian scholarship The book presents a valuable resource for researchers academics and policy makers working in the areas of migration and gender studies

Gender and Migration in Italy Dr Elisa Olivito, 2016-01-28 Recent migratory flows to Europe have brought about considerable changes in many countries Italy in particular offers a unique point of view since it is possible to observe not only the way migration has changed specific features of the country but also how it is intertwined with gender relations Considering both the type of migration that has affected Italy and the consequent measures adopted by the Government a variety of distinctive elements may be seen By providing a broad and more complete picture of the Italian perspective on gender and migration this book makes a valuable contribution to the wider debate The contributions consider the problematic linkage between gender and migration as well as analyse particular aspects including Italian colonial past domestic work self determination access to social services second generation migrant women family law multiculturalism and religious symbols Taking an empirical and theoretical approach the volume underlines both the multifaceted problems affecting migrant women in Italy and the way in which questions raised in other countries are introduced and redefined by Italian scholarship The book presents a valuable resource for researchers academics and policy makers working in the areas of migration and gender studies

Migrations in the Mediterranean Ricard Zapata-Barrero, Ibrahim Awad, 2023-10-21 This open access Regional Reader describes population movement circulating within the Mediterranean area for any reason or from any region be them European African Asian or originating from any of the Mediterranean shores It showcases a plurality of approaches to and applications of Mediterranean migration contributing to a regional approach to migration studies thereby defending this regional approach by scaling Mediterranean migration issues This book covers a large set of questions related Mediterranean migrations to the migration research agenda such as market and economy politics and policies super diversity and intersectionality media society welfare and the environment through five main parts Geo political

Mediterranean Relations Governance Policies and Politics Mobility drivers and Agency Cities History and Social Transformations and Economy and Labour Markets This Regional Reader provides an interesting read to scholars researchers but also policy makers and civil society organizations high representatives international foundations and institutions interested in linking the Mediterranean and migration

The Roots of Patriarchy Ilenia Ruggiu, 2024-10-28 By combining legal and genealogical methodologies this book describes the origin decline resurgence and metamorphosis of patriarchy in the West The book provides the reader with a unified tool for understanding what patriarchy is its dynamics and its main features The reader will find a guide with which to navigate the dozens of definitions and theories of patriarchy and will better understand why despite the proclamations of formal Constitutions of the equality of the sexes the gender gap in the West is still high Approaching patriarchy both as a concept and as a social fact the book shows how patriarchy lay at the Jewish Greek Roman roots of Western civilization how for millennia it was perceived as a benevolent function for social and political life and how feminism reversed this benevolent narrative By reconstructing how patriarchy has been theorized in several disciplines and historical times the book reflects on what has been done and remains to be done to de patriarchalize the West It will be a valuable resource for academics researchers and students in Women s Studies Gender Studies Constitutional Law Cultural Studies Religious Studies and Anthropology

What is Work? Raffaella Sarti, Anna Bellavitis, Manuela Martini, 2018-09-21 Every society throughout history has defined what counts as work and what doesn t And more often than not those lines of demarcation are inextricable from considerations of gender What Is Work offers a multi disciplinary approach to understanding labor within the highly gendered realm of household economies Drawing from scholarship on gender history economic sociology family history civil law and feminist economics these essays explore the changing and often contested boundaries between what was and is considered work in different Euro American contexts over several centuries with an eye to the ambiguities and biases that have shaped mainstream conceptions of work across all social sectors

Meridiana 91: Immigrazione Autori Vari, 2018-05-29T00:00:00+02:00 Il tema dell immigrazione entrato negli ultimi anni prepotentemente all ordine del giorno della discussione politica nazionale e internazionale Gli Stati nazionali i governi le organizzazioni umanitarie le istituzioni internazionali gli attori economici la societ civile si confrontano ogni giorno con il nodo della politica migratoria declinata di volta in volta a seconda delle rispettive esigenze dei rapporti di forza degli equilibri degli assetti che le classi dirigenti scelgono di privilegiare In Italia il dibattito pubblico dominato dalla cosiddetta emergenza sbarchi con tutto il corollario di provvedimenti di urgenza di circuiti assistenziali di rigurgiti razzisti che sono ampiamente documentabili quantomeno per il periodo che corre dalle primavere arabe del 2011 fino a oggi La ricerca scientifica fatica a individuare uno spazio di riflessione e di sperimentazione capace di affinare lo sguardo e di ragionare sulla lunga durata dei fenomeni Questo numero della rivista affronta il tema dell immigrazione in una prospettiva di lungo periodo con una particolare attenzione alla sua dimensione politica L ottica adottata consente di cogliere aspetti

rilevanti del rapporto tra la società italiana e le istituzioni pubbliche. Conoscere l'immigrazione aiuta infatti a disvelare il modo con cui si intrecciano le dinamiche nazionali e quelle internazionali. Partendo dal processo di integrazione europea, aiuta a comprendere le trasformazioni nel mercato del lavoro, permette di ricostruire i punti di forza e di debolezza dell'azione delle istituzioni sul territorio, fa capire meglio l'origine e lo sviluppo dei conflitti sociali, porta a riflettere sulla centralità del terzo settore e la crisi del welfare solo per citare alcune delle questioni che emergono dalle ricerche proposte. Dal punto di vista scientifico, l'immigrazione rappresenta un terreno di incontro formidabile tra gli studiosi di storia e di scienze sociali. In questo numero si intende rafforzare e rilanciare questo incontro. Le ricerche presentate intendono soffermarsi su un periodo storico che va dagli anni sessanta a oggi. Viene ricostruito il lungo percorso di politiche che lo Stato italiano ha adottato per governare l'immigrazione straniera, dalla prima circolare del Ministero del lavoro risalente al 1963 fino ai provvedimenti emanati dal governo Gentiloni nel 2017 con un contributo dedicato interamente al passaggio al ministero dell'Interno di Marco Minniti. Vengono esaminati nel dettaglio i primi flussi migratori numericamente significativi che si collocano negli anni sessanta-settanta, quali quello delle lavoratrici impegnate nel settore domestico e quello degli operai provenienti dalla Jugoslavia e diretti in Friuli Venezia Giulia. Viene proposto un focus specifico sulla legge Turco-Napolitano del 1998 e in particolare sulla sua connessione con il processo di integrazione europea. Viene sintetizzata la storia dell'intervento sindacale verso l'immigrazione dagli anni settanta ai primi anni novanta. Viene analizzata la trasformazione di uno dei più importanti partiti politici italiani, la Lega, che si caratterizza per il passaggio da formazione di stampo antimeridionale a partito ostile all'immigrazione straniera. Emerge un quadro complesso e articolato che ci permette di conoscere più a fondo un tema troppo spesso schiacciato sulle contingenze del presente.

Italian Dumplings and Chinese Pizzas Gaoheng Zhang, 2025-10-07

Designs a novel analytical framework to approach transcultural food mobilities, a culinary phenomenon that has been with us for decades as a result of colonialism and globalization. Why is it surprising for some of us to read the pairing of Chinese with pizzas and Italian with dumplings such as proposed in the book's title? After all, in some regions of the two countries, Italians eat frequently dumplings and Chinese frequently make baked, steamed or fried flatbread with toppings or fillings. Furthermore, when dumplings are made in Italy by Chinese migrants or Chinese Italians, or when pizzas are made in China by Italian migrants, Chinese Italians or Chinese without apparent ties with Italy, are these culinary products Chinese, Italian, Chinese-Italian or something else? Why do we need to care for such labeling dilemmas? This book shows how China-Italy food mobilities relayed in popular culture helped forge Chinese and Italians' socioeconomic identities in recent decades by fundamentally shaping contemporary Chinese and Italian consumer cultures. This book addresses China-Italy food cultures against the backdrops of two epoch-making socioeconomic processes. During the 1980s, Chinese cuisine became the first non-European food widely available in Italy thanks to the widespread presence of Chinese eateries. Only American fast food, which established itself in Italy around the same time, enjoyed comparable popularity as a destination for Italian culinary tourism.

Meanwhile in the early 1990s together with American hamburgers and fried chicken the American food chain Pizza Hut's pizzas and spaghetti were the first non Asian foods that post Mao Chinese customers recognized as Western The book proposes a critical framework that analyzes transcultural food mobilities by seriously assessing the confluence of diverse mobilities and their impact on food cultures Ultimately the study shows that a sophisticated interpretation of transcultural food mobilities can help address alterity and build understanding in a world of increasing political and cultural polarization

Inequalities, Youth, Democracy and the Pandemic Simone Maddanu, Emanuele Toscano, 2024-03-29 This book brings together studies from various locations to examine the growing social problems that have been brought to the fore by the COVID 19 outbreak Employing both qualitative theoretical and quantitative methods it presents the impact of the pandemic in different settings shedding light on political and cultural realities around the world With attention to inequalities rooted in race and ethnicity economic conditions gender disability and age it considers different forms of marginalization and examines the ongoing disjunctions that increasingly characterize contemporary democracies from a multilevel perspective The book addresses original analyses and approaches from a global perspective on the COVID 19 pandemic its governance and its effects in different geographies These analyses are organized around three main axes 1 how COVID 19 pandemic worsened social racial ethnic and economic inequalities including variables such as migration status gender and disability 2 how the pandemic impacted youth and how younger generations cope with public health alarms and containment measures 3 how the pandemic posed a challenge to democracy reshaped the political agenda and the debate in the public sphere Contributions from around the world show how local and national issues may overlap on a global scale laying the foundation for connected sociologies Based on qualitative as well as quantitative empirical analysis on various categories of individuals and groups this edited volume reflects on the sociological aspects of current planetary crises which will continue to be at the core of our societies A wide ranging international volume that focuses on both unexpected social changes and new forms of agency in response to a period of crisis **Inequalities Youth Democracy and the Pandemic** will appeal to scholars with interests in the sociology of health social problems and inequalities

Migrant Entrepreneurship Daniela Bolzani, 2020-12-04 Migrant Entrepreneurship delivers an understanding of up to date knowledge on the topic of migrant entrepreneurship addressing the most relevant gaps and suggesting new directions for research and policy making so as to have a broad impact on theory and practice

Families and Kinship in Contemporary Europe Riitta Jallinoja, 2011-02-08 Instead of seeing the family as a monolithic entity as though separate from its surroundings this new approach draws attention to assemblages of various types that in different constellations and through different transactions relate people to each other as families and kin

Financing Roma Inclusion with European Structural Funds Joanna Kostka, 2018-11-19 This book provides an analysis of the highly politicized field of Roma inclusion and addresses the controversies surrounding the effectiveness of funding initiatives derived from European Cohesion Policy It confronts the widely held notion that European financial transfers

Structural Funds are highly suitable instruments to address the systemic causes of poverty and to facilitate changes towards substantive equality for Europe's largest ethnic minority. Shedding critical light on the Structural Funds programme it offers an innovative approach to thinking about the value of European funding schemes and efficacy of national Roma inclusion strategies. Multidisciplinary in approach it draws on rich interview material and literature from fields including policy implementation, new public governance, equality studies and political representation. Financing Roma Inclusion with European Structural Funds examines the implementation of European funding in Spain and Slovakia, two countries with contrasting policy outputs and offers a nuanced picture of the way European Cohesion Policy interacts with intricacies of domestic policy making. It thus sheds light on the key challenges facing Roma inclusion strategies in contemporary Europe and will be of interest for scholars interested in European studies, equality policy, new public governance and minority studies.

Displacement Among Sri Lankan Tamil Migrants Diotima Chatteraj, 2021-02-14 This book focuses on the concept of home or place of origin expressed in Tamil as *Ur* and its various dimensions in turn related to issues of belonging, attachment, detachment and commonality among the war-affected population in the post-war era of Sri Lanka. Little research has been undertaken on displacement and forced migration since the end of the war and so this book provides new insight into the intersections between externally and internally displaced people and notions of home in relation to gender, age, caste and class. It excavates the roots of the problem of not being able to return due to combinations of uncertainty, unemployment and the loss of people and property. The author shows that notions of home vary considerably depending on multiple variables and this is particularly pronounced between the different generations. The book also confronts how the migration from Sri Lanka over the border to India has brought on discernible changes to the lives of women in particular in transforming their identities in multiple re-invented cultural manifestations and cultivating a new kind of attachment towards their new homes. Interdisciplinary in tenor, this book will be of interest to scholars in development studies with a focus on South Asia as well as graduate students and researchers in the fields of migration, conflict studies, Sri Lanka studies and sociology. It may also have an impact on policymakers owing to its comprehensive empirically based analysis of the consequences of the Sri Lankan civil war for Tamils.

Sociological Abstracts Leo P. Chall, 2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. The database provides abstracts of journal articles and citations to book reviews drawn from over 1,800 serials publications and also provides abstracts of books, book chapters, dissertations and conference papers.

Online Book Gender Migration Italy Multilayered Perspective Introduction

In today's digital age, the availability of Online Book Gender Migration Italy Multilayered Perspective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Online Book Gender Migration Italy Multilayered Perspective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Online Book Gender Migration Italy Multilayered Perspective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Online Book Gender Migration Italy Multilayered Perspective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Online Book Gender Migration Italy Multilayered Perspective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Online Book Gender Migration Italy Multilayered Perspective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Online Book Gender Migration Italy Multilayered Perspective books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Online Book Gender Migration Italy Multilayered Perspective books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Online Book Gender Migration Italy Multilayered Perspective books and manuals for download and embark on your journey of knowledge?

FAQs About Online Book Gender Migration Italy Multilayered Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
